

## CHAPTER 3

### SATAN - THE DEFEATED ONE!

“How you have fallen from heaven,  
O star of the morning, son of the dawn!  
You have been cut down to the earth,  
You who have weakened the nations!

“But you said in your heart,

I will ascend to heaven;

I will raise my throne above the stars of God,

And I will sit on the mount of assembly

In the recesses of the north.

‘I will ascend above the heights of the clouds;

I will make myself like the Most High.’

Nevertheless you will be thrust down to Sheol,

To the recesses of the pit.

Those who see you will gaze at you,

They will ponder over you, saying,

Is this the man who made the earth tremble,

Who shook kingdoms,

Who made the world like a wilderness

And overthrew its cities,

Who did not allow his prisoners to go home?"

Isaiah 14: 12-17

## **THE COMING "DEVASTATION" OF SATAN AND HIS FORCES IN THE MIDST OF ALL THOSE WHO TRULY LOVE GOD**

The "devastation" that the Father is planning to lay - and is already laying - on Satan and his forces is absolute and "any" captive who desires to be set free, will be set free! The seeds of intercession and the Words that have been spoken forth into their lives over the years shall come into full fruition and thus there is a strong exhortation going forth from the Lord in this time to "all" those who have exercised a steadfast faith and love towards the "captives" - to hold fast, for the deepest desires of their heart concerning these "loved ones" shall surely manifest in a manner far beyond their wildest imaginations.

**Let us hear the words of the Father:**

**"THE INFLUENCE OF THE EVIL ONE SHALL BE "COMPLETELY" REMOVED FROM MY CHURCH"**

...."The influence of the Evil One shall be "completely removed" from My Church as the power of My anointing flows "unhindered" through the spirits of those who have cleansed themselves from "all" defilement of flesh and spirit. Indeed, the faith of those who are clean before Me shall rise up and devastate the works of Satan, and My light shall abide within them, and in them there shall be no cause for error or for stumbling. For behold, in Zion I have laid a stone, a tested stone, a costly cornerstone for the foundation, firmly placed, and he who believes in it shall not be disturbed; and there shall be no fear in the hearts of those who have aligned themselves with Me spirit, soul, and body; and, if no fear, then it shall be only "absolute" faith which pours forth upon the words which they speak out of the abundance of their holy hearts.

## **"DID NOT THOSE WHO WERE FILLED WITH MY SPIRIT AT PENTECOST TURN THE WORLD UPSIDE DOWN?"**

For in this day and in this hour I shall do a work of great magnitude in My Church for all the world to see and no more shall the scoffers scoff or the mockers mock; for they shall see clearly the revelation of My sons and daughters in the earth. Did not those who were filled with My Spirit at Pentecost, turn the world upside down? Indeed, My Spirit shall be poured forth in such a manner as to uproot "all" the walls and foundations which have harboured the lies of the Evil One and led My people astray; and all those who truly love Me shall marvel at all these things and they shall "wonder" how they could ever have been held captive by darkness for so long; and they shall turn, and through the anointing which abides within them, they shall be vessels of the greatest attack and assault upon the strongholds of the Evil One that the earth has ever seen. Thus shall My ministry be fulfilled, as My spotless and unblemished Church rises to meet Me in the Heavens"....

## **PURSUE THE ENEMY UNTIL HE IS CONSUMED!**

...."When one is "pursuing" their enemy, that enemy has not time to set up an ambush or attack against them. The way in which My children diligently pursue the Enemy is to walk in perfect obedience before Me; for in doing so they shall surely pursue the Enemy until he is "consumed" and his strongholds are brought to nothing"....

## **THE REMOVAL OF "RELIGIOUS SPIRITS" FROM THE MIDST OF ALL THOSE WHO TRULY LOVE GOD**

The Father is about to remove any - and every - thing apart from Christ (including every "religious spirit" still working in even the most "spiritual looking" moves of God) from the midst of all those who truly love Him, because He desires this "final" "revival of revivals" to manifest free of any of the previous "impediments" that had both weakened and hindered "previous moves" (renewals and revivals). It is from this place of an abiding holiness that He shall pour out His Spirit to a continually greater day with each passing day until this earth is filled

with His glory and can no longer "contain" us.

**ONLY THOSE WHOSE HEARTS ARE "WHOLLY GIVEN" SHALL  
"RISE ABOVE" THE ABOMINABLE SCHEMES OF THE EVIL ONE IN  
THIS LAST HOUR**

This is a dangerous, dangerous time we live in and only those whose hearts are "wholly given" and who set themselves to a perfect vigilance over the command to guard their heart with "all" diligence shall "rise above" the abominable schemes of the Evil One to destroy their lives and ministries in this last hour. This is the most exciting time for the "bondservants and handmaidens" (and therefore for "all" who truly love God) in the history of mankind because they are going to be released as never before to establish powerfully God's Covenant throughout the entire earth. "Religious tradition" of any kind will not stand in their path - for the force of righteousness abiding in the deepest recesses of their being shall devastate "any" demon that attempts to get in their way as they move "quickly" into the fulness of the ministry that they are called to. They will most certainly have to "keep their head up" and be vigilant in the spirit in this time because Satan will try to do whatever he can to stop them - or anybody else whose heart is "wholly given" - from reaching the fulness of the Father's will for their lives and ministries in this time. We must all "refuse" to be moved by what we feel or hear or see or think. We must put the Word first in everything and bring every thought captive to a perfect obedience - for it is only in this way that you shall surely overcome every scheme or weapon formed against you. And not only "overcome", but turn that attack back against Satan and his forces -  
**MULTIPLIED!**

**NEVER ALLOW YOURSELF TO BE DISCOURAGED**

When "tiredness" or "seeming" lack of energy hits, keep on doing the things you "know" to do and the anointing will surely "kick in" as you persevere in this and empower you to overcome in all things. Despite any attempts by the Evil One to persuade you to "change course" know that you are right on schedule and many great and glorious things lay ahead in your life. Do not EVER allow yourself to be discouraged only "know" that your loving Father goes - and has already gone - to great lengths to ensure your perfect protection, preparation and provision for your carrying out the "fulness" of the ministry that He has called you to and anointed

you for.

## **ALL WHO DESIRE TO LIVE GODLY IN CHRIST JESUS WILL BE PERSECUTED (2 TIMOTHY 3:12)**

Although I am not aware of everyone's previous experiences (trials) in the church it is certain that anyone who is seeking to walk in God's will shall run across "some form" of Satanic interference in their quest to enter into the fulness of the ministry that they are called to. Whether one is called to a particular "office" or not, our "ministry" most certainly - if not first and foremost - extends to our children and our family life, for in the Father's perfect plan the "glorious family" is but a microcosm of the Glorious (True) Church (the Body of Christ). So in our day to day experience, our dealings with those the Lord has placed closest to us are the "training ground" for the deeper things of the Kingdom the Father so longs to bless each of us with.

### **A STRONG SPIRIT OF DISCOURAGEMENT**

The Father has instructed me to warn His precious bondservants and handmaidens of a "strong" spirit of discouragement that Satan is sending forth against all those who are on - or heading towards - the "front lines" of battle. This "strong" spirit of discouragement is not manifesting in a way which would seem obvious, but rather it is a very "subtle", yet deadly, attempt to move those children of God who have been standing in faith for the manifestation of the Glorious Church - and certain personal assignments (mostly taking back what Satan and his forces had stolen from them in the past) off of their most holy faith to "any" degree at all. Each and every one of us "must" be found guarding our heart with "all" diligence in this hour! It is the command of the Lord for His entire army. Each situation, of course, is unique but from what I have experienced these past few weeks the attack comes first against any "perceived" weakness (lack of revelation) in the child of God. This evil spirit is perfectly defended against by bringing "every" thought captive to the "revealed" Word of God and herein lies the potential problem for those who are seeking to enter into the fulness of God's plan for their lives and ministries.

## **THE CONFLICT OF THE KINGDOMS - BOTH ABSOLUTE AND FINAL**

We must continue to pray for all those in our sphere of activity whose "house" (life and ministry) remains rooted and grounded in pride and the self-exaltive activity it perpetuates, for the time to act in a life (and ministry) saving repentance is short. The combination of the words of our mouth coming to pass in an ever accelerating degree - one way or the other (faith or fear; life or death) - and the deepest motivations of one's heart becoming focused and ever stronger - one way or the other (pro Christ and His Glorious Kingdom and Church or anti-Christ and pro the kingdom of this "present world" and the darkness (counterfeit "light" that consumes its every thought and action) shall truly bring into manifestation in "every" sphere and realm the beginning of the absolute and final conflict between the Kingdom of God and the kingdom of darkness and Satan and his forces shall be both continually "terrorized" and devastated by the True Church of the Lord Jesus Christ for the remainder of "Her time" in the earth. It will be an abiding and absolute "victory after victory" as the "overcomers" go forth consumed by the Glory of God. But this one thing is certain: it will take an "absolute" and continual commitment and deep consecration on our part for us to finish the task perfectly.

### **"SPIRITS" OF DISTRACTION**

Up until this time many have allowed themselves to be held captive by a "fixation" for the "extraneous" in the midst of the congregations - in the name of "praise and worship" - and this must end! Satan's scheme against all those who hold to even the least ground of "self-desire" (unconsciously in most cases) is to send "wave after wave" of "distracting spirits". The simple task of these "evil spirits" is to keep the child of God "unfocused" where the Word is concerned and thus focused on those things that "gratify" their soul (mind, will and emotions). If one "allows" themselves to be held captive to "any" degree by these "spirits of distraction" then "revelation" from the Word of God is cut off from them because "every thought" these "unknowingly deceived" ones take will be "brought captive" to self-indulgence and the self-exaltive practices which serve only to sustain "their" vision or revelation - which is not a true vision or divine revelation but rather darkness and death in their most refined form!

## **THE "SPIRITS OF DISTRACTION" SHALL BE BOTH FULLY EXPOSED AND DRIVEN OUT OF THE MIDST OF THE CONGREGATIONS OF THOSE WHO TRULY LOVE GOD**

As the Father sends forth the first wave of many waves of His holy apostles and prophets, these "spirits of distraction" shall be both fully exposed and driven out of the midst of the congregations of those who truly love God. The anointing given to these consecrated bondservants and handmaidens shall produce a strong Spirit of consecration and holy reverence for the Word of God in the midst of all those whose hearts are truly toward the will and plan of the Father for the establishment of the True Local Church.

### **A "STRONG SPIRIT OF DISCOURAGEMENT"**

The "spirit" that is attacking all those in the Church who have been holding fast to the vision and plan that the Father has given them is called a "strong spirit of discouragement" and is always sent when Satan and his schemes are in total disarray and defeat (which they are) - in one last futile effort to stop the "fulness" of the Father's will coming into manifestation in the physical realm. What this spirit seeks to operate from is ANY trace of remaining ground (fear-selfishness) they can find in the child of God they are sent against. As the child of God remains rooted and grounded on the Word of God and their confession of that Word remains strong then it is certain that the scheme of Satan against them shall fall far, far short of the goal - almost to the point where the one who will hold fast at all cost to themselves to the will of God in the face of the attack will wonder in their heart, "Is that the best that the Devil can come up with?" Other than a few unpleasant "feelings" and a bit of "discomfort" experienced the faithful child of God will then enter into glorious victory and a superabundant joy thus completing the total devastation of Satan and his schemes and bringing forth the full manifestation of their travail in the Holy Spirit. On the other hand, this "spirit of strong discouragement" will take the child of God who is not "rooted and grounded" in the Word of God and easily move them to place far outside the center of the Father's will, wherein "eventually" the forces of evil can kill, destroy or steal from them - at will.

**Listen to the heart of the Father and discern the lateness of the hour, and the season which has now upon us:**

## **"MY WORD SHALL ONCE AGAIN BE GIVEN HIS PROPER POSITION"**

...."It is certain, that in this hour, I shall move powerfully in the midst of all those who truly desire to walk in the fulness of My plan for their lives and ministries - both individually and corporately. I shall send forth My holy apostles and prophets and I shall pour forth great torrents of living water upon all those whose hearts are willing to receive the precious blessing(s) I desire to bestow upon them. These blessings are for both their "sustenance" and empowerment to walk in and fulfil the fulness of all that I created them for from before the foundations of the earth. The first and chief effect of the beginning of this true and final Revival of Revivals in the midst of all those who truly love me shall be a holy reverence for My Word. My Word shall once again be given His "proper position" and the "exaltation" of the name of Jesus shall once again become the "driving force" behind "every" word and action of My faithful ones. For too long many of my children have been caught up in a false manner of "praise and worship" and thus they have made a "parody" of the true work of My Spirit. They, in their affection for the "world", have denied Me the true fellowship that I desire and exchanged it for fellowship with "flesh and blood" and the "certain" euphoric gratification of the soul that it brings.

**Remember this My beloved children and it shall serve you well in your remaining time in this dispensation:**

...."All" true praise and worship is "always" rooted and grounded in an abiding obedience to My command for you to "meditate in My Word day and night" and "bring every thought captive" to Him (the words of His/My mouth and the mind of His/My heart); for it is only from this place of an abiding, intimate fellowship with Me and with My Word that true praise and worship can even exist let alone touch My Throne Room"....

.... "Truly I say to you, as I release My holy apostles and prophets into the midst of the congregations, every heart-desire and motivation behind every word and action shall be exposed for what it truly is. As the anointing is released (poured forth) in the midst of My children there shall fall - like a heavy cloud - a deep and strong Spirit of consecration and this shall produce, in the heart of all those who truly love Me, a hungering and thirsting for "revelation knowledge heretofore unparalleled in their midst. This shall immediately produce an

"explosion" of power and light and wisdom that shall literally turn the "world" - and everything in "fellowship" with it - upside down; first, in the midst of My people and then - as a deep and thorough repentance is acted upon - I shall pour forth My Spirit to a continually greater degree through My Glorious "vessels" in both the highways and the byways in every corner of the earth!"....

**THE EXPOSING OF SATAN'S PLAN OF "SYSTEMATIC ATTACK" AGAINST "ALL" THOSE RECEIVING AND ACTING UPON THE "KINGDOM-REVELATIONS" BEING RELEASED IN THIS HOUR FROM THE THRONE ROOM**

The Father has shown me that in this time it is extremely important for each and every handmaiden and bondservant to be found abiding in a state of "forgiveness" and "refusing" to hold to "unforgiveness" - at "all cost" to ourselves. This is because Satan has ordered a plan of "systematic attacks" against "all" those who are both receiving and acting upon the "Kingdom revelations" from the Throne Room that God is releasing to His Body in this hour. The main intent of Satan and his forces is two-fold and is aimed at getting these bondservants and handmaidens to take "offense" in "any measure" for then he would be enabled (allowed) to "infiltrate" with darkness and hinder (he cannot stop this move of God, for Jesus Himself, from the Throne Room, is leading and orchestrating this "final onslaught" against the Evil One and his forces in the midst of His people) his soon "devastation", as the people of God corporately come into the "fulness" of their inheritance and, thus, authority in Christ - the Anointed One and His Anointing.

**LET US NOT FAINT - OR EVEN GROW WEARY**

I would issue a particular warning to all those who have been standing for those who are "close" to them, for it is certain that if one "allows" Satan an inroad by taking "offense" at the very one of ones they are standing for, then the "physical manifestation" of the blessing which God has shall be temporarily blocked until such a time as one comes to their "spiritual senses" and walks in perfect love (obedience) at all cost to themselves. There is not much time left until we all experience the fulness of Jubilee in our lives and ministries let us not faint or even grow weary of abiding in righteousness towards all those who cross our path; for as we do the fulness of God's restoration shall surely overtake us and we

shall reap the perfect fruit of the seeds of love we have sown throughout the years (Proverbs 12:28, Galatians 6:9). As we abide in perfect love, that love shall surely cast out any fear (1 John 4:18), and the ground thereof, which crosses our path, and Satan and his schemes shall surely be defeated as we continually pursue him until he is consumed, overtaking him and recovering all (2 Samuel 22)!

**A STRONG WARNING TO ALL THOSE IN "LEADERSHIP":**

**BEWARE THE "SPIRITS OF TREACHERY" THAT HAVE NOW BEEN SENT FORTH BY SATAN TO BOTH HINDER AND ULTIMATELY DESTROY "EVERY" TRUE WORK OF GOD!**

**AND THAT**

**ALL OF OUR "JUSTIFICATION" IS FOUND IN CHRIST AND OUR "VINDICATION" MUST BE FROM GOD ALONE - "OUR" PART IS TO WALK IN LOVE AT "ALL" COST TO OURSELVES!**

**AND THAT**

**ALL "FALSE" (UNRIGHTEOUS) JUDGEMENT IS A DIRECT RESULT OF "UNFORGIVENESS" IN THE VESSEL THAT SATAN USES TO SPEAK AGAINST YOU!**

**Let us hear the words of the Father:**

...."Unrighteous judgement is influenced by a "critical spirit" - and motivated by unforgiveness, causing a hardness of heart"....

...."If there remains "any" ground of "unforgiveness" in the hearts of My children, then to that degree that they "retain" that ground they shall surely continue to walk in a "natural love", regardless of how hard they "try" to walk in My love. For it is certain that there is no room in the heart for anything which is apart from My Person"....

...."If one of My children holds "unforgiveness" against another one of My children then they will "unconsciously", through the influence of demons, working on the ground of "bitterness" (hatred) within them, do those things which will serve only to hurt or harm the walk of those whom they "refuse" to forgive. And from this you can see clearly the "destructive results" of such selfishness; and these destructive results surely "multiply" if the unforgiven one takes offense at the "unforgiveness", thus turning their own back on love and falling into the very same trap of unforgiveness. Satan, then, through this destructive cycle, is able to raise up "barriers" between My children and thus "temporarily" keep My children from the true agreement and "one accord", which is the "catalyst" to the "outflowing" of My power"....

**"HAVE I NOT SPOKEN BEFORE OF THE "ABSOLUTE NECESSITY" OF ALL OF MY CHILDREN ABIDING IN MY WORD?"**

...."Another reason My children must guard their heart with all diligence is that throughout their ministry, there will come across their path, many different people, each "exerting", or attempting to exert, a "force" upon them. Those who cross their path - and who love Me - will always, in some way, exert the force of love, and as their hearts remain clean before Me they will never exert any "negative force", that is the force of fear, out of which springs forth hatred, unforgiveness, selfishness and unrighteousness. As My handmaidens and bondservants go forth to minister, there are those who will take "offense" at the words they speak in My name and unless My servants, through a "perfect obedience", remain under the "umbrella" of My Covenant, allowing the "precious Blood" to both cover and protect them from "all" outside forces, then they shall, in some way, succumb to these negative pressures; but truly I say to you, those who abide in the secret place of My Presence shall not be "touched" in any way by the Evil One. Many of My children have "allowed" Satan to deceive them and thus, as they pray, in reality they "pray" in the name of division and strife and hatred and discord, and they exert in some way the "force of unbelief"; that is, the force exerted when one exercises "faith" in the lies of the Evil One rather than My Word, and again, unless My bondservants and handmaidens are "fully" on guard, they shall "allow" themselves, in some way, to be moved off of the narrow path of My perfect will. Have I not spoken before of the "absolute necessity" of all My children abiding in My Word? Not only that they might walk above "all error" in perfect ministry, but also for their very "survival" on the earth in this last hour! My

children must have no fear, for indeed the "perfect Provision" has been made for each one of them to walk above, and therefore tread upon, all the forces of darkness! Each one of My children must also trim the "fat" from their hearts and then guard them with "all" diligence, for I have set the things in motion which shall "accelerate" the "labour pains", and so shall you see the "Glorious Manifestation" of My will for My Church"....

**THE "SPIRITS OF ANTICHRIST" SHALL BOW THEIR KNEE BEFORE THE RISEN LORD (THE GLORIOUS CHURCH) IN THIS LAST OF THE LAST HOUR!**

...."In this last hour Satan has set for himself a trap from which he shall not escape! As the forces of "anti-Christ" go forth to lure and persuade men into doing those things which "seem good", but are not of Me, they shall not know what to do as "My" children go forth in faith and obedience and in the power of My anointing; for Satan shall not be able to find "recruits" who are willing to come face to face with My power. Therefore, the Evil One shall not be able to confront (in the eyes of men) My bondservants and handmaidens as they go forth in My Name, without "undoing" some of the work which he has already set in motion. By this I mean those who have been held captive to do his will in the area of "peace" and "ecumenism". Satan shall indeed be hesitant to confront those who are walking in love and worshipping Me in Spirit and in truth. Indeed you shall see My light and My power drive those who would align themselves against Me, into their caves and hiding places; for it is the time of the advent of My "Glorious" Church and for the revelation of My sons and daughters in the earth.

**"ABSOLUTE VICTORY"**

All the intercessions of My children have been heard on high and all those captives who desire to be set free shall indeed be set free! I expect My children to bow their knee to no man. I expect them to treat those things which have proceeded forth from the darkened wisdom of man as if they never really existed. At a time when some of those who have consecrated themselves unto me in the past and who have even been filled with My Spirit, have had the tendency to "relax", I am asking My obedient ones to take a larger step towards the "absolute victory" that awaits those who cast down "their" desires to walk in faith and obedience to My Word. I am calling My children to pursue their enemies until

they are consumed, showing no "tolerance" whatsoever for all those things which are apart from Me - ALWAYS remembering that their battle is NEVER against "flesh and blood! It is time for My Church to transcend the physical and temporal things of this world and pursue diligently the deepest revelations of My Word, that they might come to know the thoughts and intentions of My heart above all else. For in knowing the thoughts and intentions of My heart, they shall indeed go forth; and in the power of My Spirit, they shall bring "all" the schemes of the Evil One to their rightful end"....

### **SATAN AND HIS FORCES ARE IN GREAT "DISTRESS" AND "DISARRAY" (UNCOVERED) IN THIS HOUR**

If we will be faithful to "abide" in the "secret place" of God's presence (the inner chamber) then Satan and his forces will quickly find that there are less and less "willing" volunteers at their disposal and he will also quickly find that the ones he is able to use - at first - are going to be "set free" and become "unusable" as far as the kingdom of darkness is concerned - as the children of God finally begin to use the "fulness" of the "omnipotent" authority that is theirs in Christ. Add to this the fact that the "religious spirits" Satan has been hiding behind and depending upon for so long to keep the church in darkness are now being exposed as the holy apostles and prophets are being sent forth from the Throne Room in this hour - and shall continue to be until the end of the age - and you can clearly see that he is in a great deal of "distress".

### **WARNING! - A WAVE OF "UPPER ECHELON" SPIRITS OF "CONTROL" ARE ABOUT TO BE RELEASED**

It is for this reason that we see him - in his great terror and confusion - flailing about, attacking everything that he "thinks" will succumb to his wiles. He fears greatly that he is losing "control" over the territory "given" him in the midst of many of God's children and thus - to combat the "revelation knowledge" coming forth from the Throne Room - which shall surely put an end to his "control" in the individual's life and ministry who will receive it - the Evil One is about to send forth a wave of "control spirits" which are very, very dangerous to those not walking in "close fellowship" with the Father and His Word. These "upper echelon" evil spirits will attempt to do whatever is necessary to keep the child of God apart from the place wherein their heart (life) is "wholly" given to the

will and highest purpose of God for them. The "ultimate" aim of any evil spirit is to carry out their assignment with a view to helping "eliminate" entirely the child of God they are "assigned" to.

### **THIS IS NO TIME FOR ANY OF US TO "LOOK BACK"**

There are many, many precious saints who have undergone much attack and the tribulations that arise against those who are truly seeking to carry out the fulness of the Father's will for their life and ministry. In this time right now take the steps to ensure that your eyes are both fixed and focused upon the Word of God because I am here to tell you that every situation (financial and otherwise) that you are standing in faith for God to "rectify" shall surely come to pass. This is no time for any of us to "look back", but rather, in our perfect focus on the "things above", a deep and abiding assurance shall arise in our heart to sustain us right through to the "finish line" just in front of us. It is from this point that those who have stood in faith against the schemes of the Devil shall not only experience great deliverance (the physical manifestation) from their trials and tribulations but they shall both see and experience the wisdom of their loving Father Who has prepared them perfectly for their entrance into the "fulness" of His plan concerning their life and ministry - regardless of what the Devil attempted to do.

### **"SMOKESCREEN"**

The main aspect of Satan's attack against all those who have faithfully held to their calling and to the vision that the Father has given them is to get them to depart from the "love walk" (take offense). He has all his "eggs in one basket" and if they will forsake everything (contrary to the Word of God) to maintain a position of abiding in love - he will be severely devastated. These "disruptive" activities of the past little while in the lives of many are simply a "smokescreen" to convince them that everything that the Father has prepared is now "out of reach" - which it most certainly is not. In fact it is just coming into "view" - that place wherein the eternal meets the physical. So hold fast - you are doing just fine. You MUST realize that - as a handmaiden/bondservant you are walking in an esteemed position and Satan will try to pull anything he can to get you to believe a lie.

**Remember:**

NO MATTER HOW MUCH HELL ATTEMPTS TO BREAK LOOSE AROUND THE CHILDREN OF GOD, OUR TASK IS TO SIMPLY WALK IN LOVE - AT ALL COST TO OURSELVES (AND PARTICULARLY OUR "THOUGHT LIFE") - KNOWING THAT THE SMOKE WILL EVENTUALLY CLEAR AND THAT WE SHALL ALWAYS COME OUT WAY AHEAD. NO WEAPON FORMED AGAINST THOSE SEEKING THE WILL OF GOD CAN OR SHALL PROSPER AND IN FACT THE SCHEMES OF THE EVIL ONE ARE ALWAYS DEVASTATED TO THE GREATEST DEGREE WHEN WE SIMPLY HOLD TO A STEADFAST ENDURANCE.

The experiences that we have in this life as Christians are ALWAYS synonymous with vast multitudes of others who are serving the Father with a heart wholly given. We are all here for each other in whatever way the Holy Spirit fits each member together. We are never alone - regardless of what we may go through. To walk in perfect love and forgiveness regardless of any and every difficult circumstance we face is a very worthy ideal indeed! One that we must strive - in and by the Holy Spirit - to attain to.

### **WE MUST DEPART FROM SEEKING OUR "OWN" COMFORT**

This area of seeking our "own" comfort has been a huge problem in the Body of Christ – UP UNTIL THIS TIME. When pressure comes we tend to seek our own "security" (comfort) apart from the True Comforter (the Holy Spirit). The difference is that this false comfort gratifies the "flesh" (soul) while the true comfort sustains our inner life - allowing us to carry on regardless of circumstances or "feelings".

**Remember:** Peter thought Jesus was being "too hard on Himself" on the road to Gethsemane (the Cross) and received the greatest rebuke of a disciple on record.

The peace that passes all understanding and the love that surpasses all knowledge are two key elements of the Holy Spirit's ministry; and with what is about to happen (and is already happening) in the "world", many so-called "Christians" will SOON realize that there will be no peace or comfort for them apart from the very presence of God indwelling them and that the things that "got them by" before will only serve to allow Satan and his forces to make quick work of them in this time.

## **SATAN IS TERRIFIED!**

There is a day coming - even now - wherein we shall enter into what could be almost considered another "realm" - so now is the time to walk through any trials or tribulations or even minor annoyances with "flying colours" - KNOWING that our ship shall soon come in and put us in a position to enter into a "flurry of righteous activity" for the sake of the Church and the Kingdom. It is written that "one can put a thousand to flight and two can put ten thousand to flight" and so Satan is terrified by the thought of the Father's plan to join together the "kindred spirits". Rest assured that he is not able to stop or even hinder what the Father has already put in motion in the lives of those who have held to a steadfast faith and obedience. So just continue to "expect the unexpected" even as the blessings begin to come forth. Our only task is to not set our heart on the "increase", by continuing on in a perfect obedience day to day. Therefore, let every one who is truly serious about fulfilling the fulness of the Father's call upon their life and ministry, continue to guard their heart with all diligence and gain the victory. We, as the sons and daughters of Almighty God are about to move on into "bigger and better" things. Glory to God! Regardless of what the Father has planned "circumstantially" and "positionally" concerning the Body of Christ I know this one thing for sure: The days ahead are EXTREMELY critical! While I suppose one could say that about every second of the remainder of our time here - the Holy Spirit has shown me in my spirit that this is the time that many have been praying and believing for. Praise God!

## **JESUS IS LORD - NOT SATAN!**

One thing that every "Christian" MUST get straight in their thinking (heart) is that Jesus is Lord - not Satan! In spite of all the doom and gloom and fear that, up until now, has characterized the walks of many in the Body of Christ - even in so-called "spiritual circles". The perfect love that is about to be "poured forth" through the holy sons and daughters of God shall "cast out" all the ground(s) of fear that, again, - up until this time - has allowed certain "religious spirits" to maintain the strongholds of fear (doctrines of darkness) that have kept vast multitudes in bondage and apart from the "fulness" of their inheritance in Christ. This "fulness" shall be necessary for one to overcome the ever-deepening darkness that is enshrouding the hearts and minds of all those whose "backs" are turned towards the Son. These are by far the most critical months in leading up to the

establishment of the Glorious Church throughout the earth, and each and every one of us MUST be found in perfect position - free from all "worldly attachments".

### **"NO" WEAPON FORMED AGAINST US SHALL PROSPER!**

Each and every one of us, as children of God, must put ourselves "into" the position before the Father and His Word that will allow us to receive a continually deeper revelation of every aspect of our Covenant with Him. It is written, "No weapon formed against us shall prosper"(Isaiah 54:17)! When one finally begins to understand the absoluteness of God's Word they shall begin to see clearly that Satan is The Defeated One and that we truly do have "all power", in Christ, to not only counter "any" attack but - in our faithfulness and obedience to walk in love - we shall surely cause "multiplied harm" back upon Satan and his forces. God is raising up an army that cannot be stopped or even hindered as they go forth in perfect obedience to His will. When Satan sticks his head up in desperation to try and stop what God is doing, those he attacks are given supernatural discernment concerning his schemes before he even gets it off the ground and he is devastated. If he remains silent then the army of God will simply march on in perfect obedience and continue to pursue the forces of darkness until they are consumed and their "strongholds" entirely broken in the lives of the captives. Let every child of God set themselves to abide in perfect love. Perfect love casts out all fear and leaves the Enemy no ground to operate in - or effectively against - the faithful.

### **"FELLOWSHIP" WITH THE "WORLD" - A MOST DANGEROUS PURSUIT!**

Every doctrine born of mental ascension "always" has as its root characteristic a penchant for remaining in "fellowship" with the "world" and its ways - however subtle or acceptable it may appear. The Father, in this hour, is raising His Church to a level that has never even been approached in the past and this will require a "breaking away" by all those who truly love God from all the previously "acceptable" forms of fellowship with the customs and practices of those in the world. Even now the "world and the entire system behind it is being encompassed in a darkness (it appears as "light" and "wisdom") so great that only those with a revelation of God's Word concerning this end time will escape being consumed by its "pull".

## **Here is a key to the times and seasons of God:**

Once the Father begins to release the "first wave" of many waves of the last wave (did you get that?) of His holy apostles and prophets "then" Satan will begin to unleash an increased attack in an "attempt" to hinder the true work of God. But, as always, he will fail and only provide a "darker backdrop" for the brightness of the Glorious Church which shall have experienced - just previous to these "increased attacks" - an "immediate and explosive increase" in power and light and wisdom.

## **NOW IS THE TIME FOR EACH INDIVIDUAL CHRISTIAN TO TRULY DECIDE ON WHETHER THEY WILL MAINTAIN A POSITION BELOW THE KINGDOM OR IN THE KINGDOM**

It is most important for every child of God to be "fellowshipping" with those whose hearts are "wholly given" - and who are thus free from any and all self-agenda (fear). At times one is called to "separate themselves" for a time from certain others in the Body of Christ. In that case that one can still pray and obey the Father on behalf of the one they have been called to separate themselves from - with a view to them (both of them) "eventually" entering into the fulness of all that God has for them. It is always a "fine line" of when to stay or when to go in a situation, but now is the time for each one of us to be found seeking with all our hearts the "perfect" spiritual environment that is necessary for us to fulfil the work of the Kingdom. NOW is the time for each individual Christian to truly decide on whether they will maintain a position BELOW the "Kingdom" or IN the "Kingdom". Let every child of God begin to concentrate solely on what the Father is impressing upon their heart in this hour. We are all working towards a "glorious environment" heretofore unknown in the church - or the earth. It is a worthy goal and fully deserving of ALL our attention!

## **"LOVE NOT THE WORLD"**

In the above scripture "love not the world", the "world" referred to is the "world system" which is controlled by principalities and powers and all the forces of darkness - over which Satan "rules". Hence the scripture referring to him as the "god of this world". When the scripture calls us to be not "conformed" to this present world system, but rather be transformed by the renewing of our mind (into

the image or perfect representation of Christ) it is a specific call to every Christian to walk with "both" feet planted firmly in the Kingdom of God - this is always the "spontaneous by-product" of a heart that is WHOLLY GIVEN to God and the fulness of His purpose for that individual's life.

## **SOME QUESTIONS:**

### **1. HOW DOES ONE STAY IN THE WORLD - BUT NOT OF THE WORLD?**

This "positioning" is first a matter of the heart. As one diligently and consistently begins to put the Father and His Word "first" in all areas of one's life, then there is a spontaneous transition from "fellowship" with the world to fellowship with the Father and His Word. The key to this transition for the child of God is to enter into the "inner chamber" each morning and allow Him to set their priorities straight. This fellowship first thing in the morning produces a "supernatural" bonding and empowerment which enables the one whose heart is wholly given to function in their daily practical activities - regardless of what they may be. The bottom line is that we are still "physically" in the earth, but - as the sons and daughters of God - we are not of this present "world system" (in agreement with its ways and means). It is the Father's will and desire for each of His children to "proclaim" - in their every word and action (and even in their silence at times) their allegiance to the Kingdom of Heaven. As the child of God is continually renewed in their mind and as the love of God is continually shed abroad in their heart to a greater degree THEN they begin to experience the spiritual reality of the fact that (at least for the remainder of this dispensation and until the "catching away" of the Church) we are pilgrims and even "strangers" just passing through until our mission (the preaching of the gospel of the Kingdom and the authority of our King) is accomplished.

### **2. DOES ABIDING IN THE ANOINTED ONE MEAN CONSTANT STUDY OF THE WORD - HOW IS THAT POSSIBLE AND STILL WORK FOR A LIVING? OR DOES IT MEAN TAKING THE WORDS (OF CHRIST) OF THAT DAY, MEDITATING ON THOSE WORDS AND YIELDING SELF TO HIM IN EACH MOMENT AS THE DAY GOES BY?**

The key is "bringing every thought captive to God's Word and the "revelation" He daily blesses us with. In this way we come into that place of abiding in Christ - the place wherein we "live and move and have our being" in Him; the place wherein we "have" and "use" the mind of Christ in even the most "seemingly" insignificant details of our daily practical affairs. It is the desire of the Father to be involved fully with each and every one of His precious children - only pride and a spirit of self-sufficiency can keep us apart from this place of "abiding" in the secret place of His loving presence.

**3. YOU SAID, "THOSE CHILDREN OF GOD WHO DESIRE TO SERVE GOD ONLY FROM A PURE HEART, "KNOW" THAT THEY ARE CALLED TO WALK THE NARROW PATH OF PERFECT OBEDIENCE. THEY KNOW THAT IN ORDER TO LIVE THE LIFE OF HOLINESS THEY WILL HAVE TO SET THEMSELVES APART FROM THE WORLD AND UNTO GOD AND HIS WORD ALONE."**

**HOW DO I SET MYSELF APART FROM THE WORLD? WHAT DOES THIS MEAN? I SPEND MOST OF MY FREE TIME IN PRAYER AND THE STUDY OF THE WORD - IS THERE MORE?**

As you are diligent to continue to spend quality time in prayer - which is simply just "communication" with the Father and His Word - then you will begin to find yourself acknowledging Him in ALL of your ways - and not only in your ways, but also acknowledging Him in the behalf of all those who cross your path. As you continue to lay down your "self-life" for others you will find that the Father is causing - and will continue to cause - the necessary changes in your environment - both spiritual and physical - for you to accomplish the fulness of His will for your life and ministry. The perfect "setting apart from the world" and its ways is always the spontaneous result of our obedience to the revelation of God's Word (Will) that we have been given - all these things being ordered by the unction (timing and empowerment) of the Holy Spirit. In other words as we acknowledge Him in ALL of our ways THEN He will (be enabled to) direct our paths.

**4. "HAVEN'T I TOLD YOU TO ENLARGE THE PLACE OF YOUR TENT. . ." WHAT DOES THIS MEAN?**

I do know this: it is important for you to take "no preconceived notions" concerning anything that has been revealed to you over the years. When we receive a revelation or part of the entire picture we must continue to walk it through step by step - obedience by obedience and "revelation by revelation" KNOWING that as we are faithful, the fulness of the Father's will shall manifest in our lives and families. If we "mentally ascend" (say in our hearts, "this must be what God means") or try to put or force the puzzle together in our own understanding we shall ALWAYS fall far short of the Father's desired result and blessing - until such a time as we get back on track through a deep and thorough repentance.

## **5. DOES GOD EVER FREE YOU FROM THE CONSEQUENCES OF WRONG CHOICES AFTER YOU REPENT?**

He most certainly does! This "freedom" first manifests in our heart - bringing healing and the peace that passes all understanding as well as the love that shall both enable and empower us to make all things right(eous) to those we have harmed - wherever possible. In this area one must constantly beware of a "spirit of condemnation" slipping in and affecting their thought patterns. The bottom line - as always - is this:

**DILIGENTLY SEEK A REVELATION OF THE FATHER'S WILL FROM THE "THRONE ROOM" IN EVERY SITUATION THAT FALLS UNDER THE CATEGORY OF PREVIOUS "WRONG CHOICES" AND THEN BEGIN TO EXERCISE FAITH - DAY IN AND DAY OUT - FOR THE FULNESS OF HIS WILL TO COME FORTH - BOTH IN YOUR LIFE AND IN THE LIVES OF ALL THOSE INVOLVED.**

This is a time wherein the "miraculous" shall become the normal pattern in the midst of all those children of God who truly love Him. So hold fast to a diligent seeking of the Father's "best" for you and all those with whom you have to do. The things that "are now" - shall soon "be no longer"! In this time even the hardest hearts shall become tender towards God as we allow the anointing abiding within to flow forth in full force upon our loved ones.

## **6. HOW DO I KNOW IF ALL OF ME IS YIELDED TO HIM?**

At first you proclaim it by faith, and then, as you are faithful to daily remain in the fellowship with the Father that He requires of you, He shall enlighten you concerning any adjustments you need to make. As in every case we must simply continue to guard our hearts with all diligence - YIELDING to the still, small voice of the Holy Spirit at every turn.

\*\*\*\*

### **THE "HANG GLIDER" VISION**

**Michael D. O'Quinn**

I am standing on the edge of a very high cliff. It's the dark of the night, and I can see thousands or even millions of lights spread out below me. Some of the lights are small, and some are large and spread out across a wide area. Some are bright, while others are so dim I can barely see them. The large lights were not necessarily the brightest -- in fact, some of the smallest were also among the brightest. Overall I could see no correlation between the size of a light and how bright it was. I knew immediately that the lights were churches in all their denominations, sects, and varieties, and that I was seeing churches all over the world. Some of the lights were connected with others, like a string of towns along a freeway in a nighttime satellite picture, while others were isolated. Some were so close together that I had to shield the brighter ones in order to see the dimmer. My overall impression was of a vast uncomprehendingly complex network. I spent a long time -- most of the night in the vision - just looking at the lights and marvelling at their striking, almost unearthly beauty. As I looked at this beautiful network of lights, I realized that something was going to happen soon, and that after this event the world below would be plunged into a darkness such as it had never known.

#### **"I BEGAN TO WONDER IF GOD HAD MADE A MISTAKE"**

As the sky started to brighten with the dawn, I noticed some things nearby. First, I realized that I was strapped into a hang glider. I knew I was in that hang glider to take part in some sort of battle -- a "rescue operation" for the lights

(churches and people) below. Next I noticed that there were people on either side of me, also strapped into hang gliders. As I looked in the ever increasing light, I realized that the entire cliff section was lined with people who were ready - even anxious - to jump off the cliff and begin the rescue. There were many thousands of warriors on this cliff edge, all straining forward, anxious to fight that final battle. As I gazed farther and farther out to my sides, I saw more cliff sections like the one I was on. Each cliff was lined with people ready to go, just like the cliff I was on. I knew that we were all waiting to swoop down to those lights below to carry them back up to this cliff and to safety.

I saw many great men of God there. Some were young, some old, some had years of battle experience, while others just seemed to have an anointing which prepared them for the battle to follow. I felt humbled to be in such company. My initial surge of excitement over the glory of the coming battle dissipated as I realized how many of these veterans were so much more qualified than I. I began to wonder if God had made a mistake placing me among such pillars of the kingdom. After a while, I noticed that the hang glider of the person on my right was not assembled quite correctly. One of the tensioning wires that held it together was dangerously loose. It would probably hold in normal, sedate cruising, but I knew that in the stress and strain of battle he was going to lose a wing. He was going to fall to his death, or at the very least he was going to be neutralized from the battle, right when he would be needed the most.

### **“WHY ARE SO MANY OF THESE PEOPLE SO ILL-PREPARED?”**

The person on my left was a grizzled old veteran, with the battle scars to prove it. Both his own body and his craft showed signs of former damage, but both were repaired and healthy. One wing spar was a different colour because it had been replaced, there were many patches on the fabric, and the handlebar covering was worn through to the bare metal in places. But the overall craft was sound and ready for battle. As I looked around, I saw other details about many of the hang gliders. Some were assembled incorrectly, or had something broken, or were not strapped on quite right. A few were even being worn backwards. But no one seemed to notice. I grieved when I realized how many of these warriors would be neutralized in the battle, and that some would even fall to their deaths and be lost entirely. I was puzzled by this, so I asked the Lord, "What's going on Lord? Why are so many of these people so ill prepared? Why do they care so much about the

future glory of the battle, and so little about themselves and their neighbours?"

In reply He simply said, "Turn around." I unstrapped my glider, turned, and looked. What I saw next broke my heart. Immediately behind me was another row of people in hang gliders. Behind these there were even more, and behind those, more. Row upon row of warriors, all waiting for the opportunity to move up to the cliff's edge for that final glorious jump. But these warriors' crafts were even less prepared than the ones in the front row. The farther back I looked, the more I saw hazards among the hang gliders. Some had perfectly assembled and balanced frames, but no fabric on their wings. Others had only half a frame, with the extra fabric flapping uselessly in the wind. A few had no frame at all, they simply had their fabric wrapped around their bodies. There were many, many variations on this, some obvious, like the missing frame, and some more subtle, like the loose tensioning wire on my immediate right. A couple of warriors even had no evidence of a hang glider at all. Those ones were the most arrogant and boastful, utterly confident that their abilities and inherent "goodness" would bring them great glory in the coming battle. Most, however, truly meant well but were simply unaware that their craft was not ready. Many of the warriors were prepared, or at least their hang gliders were. But the number of those who were not astounded and shocked me. Even more shocking to me was the utter lack of concern each man demonstrated for his neighbour. Each ill-prepared craft had the potential to neutralize two warriors in this vast army: the wearer of that glider, and the one who was going to have to abandon the harvest below to rescue him or her. As I looked even farther back, I saw the rear edge of those who were in place for the battle. There was a lot of turbulence there as the people in the last few rows were settling in.

**“THE MAJORITY OF THE PEOPLE WERE IGNORING THE VERY THINGS THEY NEEDED TO SURVIVE THE COMING HARVEST - MUCH LESS HAVE AN EFFECTIVE ROLE IN IT”**

Back further yet, almost at the limits of my vision, I saw the most heartbreaking sight of all. I saw millions of people running and leaping forward, all anxious to get in line for the final battle. They were running across a vast plain, but in places their progress was impeded by large hills and even a few small mountains. Most just ran around the hills and mountains. A few climbed over, and just a few - a very precious few - stopped long enough to investigate the

mountains themselves. Of those few who stopped and looked, most soon gave up and rejoined the crowd rushing headlong to the final battle. Of all the hills and mountains out on the plain, a couple had been exposed for what actually they were. They were not really hills at all, but vast piles of unassembled hang gliders covered by immense "tarps". The majority of the people were ignoring the very things they needed to "survive" the coming harvest - much less have an "effective" role in it. When I realized this, I fell down sobbing in grief. For someone who has rejected God to fall to their death is one thing, but for the vast numbers of newly converted who were going to lose their lives - that crushed the breath right out of me.

### **“WHY HAVE YOU GIVEN ME THIS TERRIBLE, TERRIBLE BURDEN?”**

As I lay there crying in grief and gasping for air, I cried out in my heart to God "Why have you given me this terrible, terrible burden? Isn't it enough that you've had me so many years in the desert? What can I possibly do?"

### **He answered with words from Ezekiel 33:2-9**

"Son of man, speak to your countrymen and say to them: `When I bring the sword against a land, and the people of the land choose one of their men and make him their watchman, and he sees the sword coming against the land and blows the trumpet to warn the people, then if anyone hears the trumpet but does not take warning and the sword comes and takes his life, his blood will be on his own head. Since he heard the sound of the trumpet but did not take warning, his blood will be on his own head. If he had taken warning, he would have saved himself. But if the watchman sees the sword coming and does not blow the trumpet to warn the people and the sword comes and takes the life of one of them, that man will be taken away because of his sin, but I will hold the watchman accountable for his blood.'

...."Son of man, I have made you a watchman for the house of Israel; so hear the word I speak and give them warning from me. When I say to the wicked, `O wicked man, you will surely die,' and you do not speak out to dissuade him from his ways, that wicked man will die for his sin, and I will hold you accountable for his blood. But if you do warn the wicked man to turn from his ways and he does not do so, he will die for his sin, but you will have saved

yourself”....

With that promise, the constriction in my chest eased, my sobs slowly ebbed, and once again I could see some hope. I started telling the others there on the cliff's edge, making them aware of the state of their crafts. Even more importantly - far, far more importantly - I started encouraging them to check their neighbours. Eventually, I was exhorting all of them to pass along this Spirit of holiness, of critically examining oneself and one's craft in the Light of truth and love. I watched as this spread out like a wave. As each pastor came to understand the need for checking to make sure their craft was O.K. - and why - they passed it along to their neighbours. As I watched I saw similar splashes in the vast army, where other watchmen had sounded the same cry. The final thing I and the other watchmen did was direct the attention of the leaders to the hundred of thousands of leaders behind them and to the millions of new believers still running up to the battle formation. We started exhorting the pastors to prepare their leaders and this horde for what was ahead.”

Michael D. O'Quinn

### **"COMPASSION" - THE ABSOLUTE PREREQUISITE FOR THE RELEASE OF THE "FULNESS" OF THE ANOINTING ABIDING WITHIN**

In continuing to study this precious vision (the "Hang Glider" vision) given to Michael D. O'Quinn the Holy Spirit has opened it up to me and shown me that this is a most important and timely word for "all" those called to this last wave of leadership as the "final conflict" erupts into "full scale" war against Satan and His forces. There is a great deal more at stake in this venture than just a few captives being set free. What we, as the Glorious Church, are about to enter into is the CONSUMMATE plan of God to devastate Satan and his forces and, in doing so, reap a harvest of "consecrated" souls that shall reach almost unimaginable numbers and at the same time bear glorious and perfect (fulness of) fruit for the Kingdom of God. The Father has shown me that He has raised up many "who will minister to those who are called to minister to the ministers". He has given them much authority and anointing to accomplish this important task both perfectly, and in His perfect timing. Even now - He shall begin to exalt them in the midst of all those who truly love Him. The thing that struck me first about the actions of the "compassionate" servant in the vision as he stood upon the "cliff" was his great

concern and compassion for all the others on the cliff who were "broken down" or "unprepared" for the rescue mission concerning those below the cliff. He had a tender heart of compassion towards his brothers and sisters and this compassion shall "serve well" each and every handmaiden and bondservant called of God in our remaining time in this dispensation. This "anointing of compassion" flowing from the heart of the Father shall be the distinguishing mark - without exception - of "all" those who are called to, and who shall walk in, a position of "true" authority in this last of the last hour.

### **THE POSITION ON THE CLIFF SPEAKS OF THREE THINGS:**

1. It is a type of our position seated with Christ at the right hand of the Father in the heavenly places. It is from this position that Paul spoke (in Ephesians) of the fact that we are not ignorant of his (the Evil One's) schemes. It is the place from which "all" true authority and anointing flows. It is the place where each and every handmaiden and bondservant must be found "abiding" in this most critical hour. It is the place of "overseeing".
2. The people on the "cliff" are representative of all those who are called to this last wave of the five-fold ministry. The one thing that all have in common regardless of their "present condition" is that they have the call of God on their lives - although it is certain that "most" (at this moment - it will change very rapidly) do not have a very deep revelation of the magnificent scope of that precious calling. Up until this time they have "allowed" themselves to be held captive by a "spirit of mental ascension" and because of this Satan has been enabled to build many "mindsets" and preconceived notions into their thinking concerning "true" ministry. In other words, at this point they "think" they are ready but, in reality, they need to "know" that they are not! These "mindsets" and "mental ascensions" (which were the product of "maintaining", to varying degrees, an element of "self-desire" will "all" be removed as the anointing on the first of the "last wave" of God's holy apostles and prophets goes forth in this hour to set them free, and prepare these "set apart ones" perfectly to enter into the "fray".
3. The third thing that this "distinct" positioning speaks of where the calling of the compassionate man/men on the cliff is concerned is that they are called as "overseers" of many things - not the least of which is to minister to and prepare (establish) and "oversee" - in and by the Holy Spirit - those God gives them for the

Battle of all battles which is now upon us. As those called to end-time leadership continue to guard their heart with all diligence and as they continue to seek first the establishment of God's Kingdom and fulfil all things in His righteousness He will begin to use them in a mighty way - and with great compassion - to repair those broken wings and to remove those "tarps" in order that those healed ones might turn and minister the life and healing they received to "all" those who God sets in their path. The end result of this "chain reaction" of abiding in the Father's presence in the Throne Room will be an elite force of perfectly prepared "officers" who will then move forth to minister to those God has placed in their path and the very anointing and life (light) that was "birthed" into them through these faithful and obedient ones will now be imparted to all who cross "their" path. This series of "chain-reactions" shall continue until the Lord's return for His "spotless and unblemished" Church - a Church wholly formed and established (revelation by revelation) through the "trickle-down" effect from the Throne Room just mentioned.

### **THOSE BELOW THE "CLIFF" ARE REPRESENTATIVE OF THE REMAINDER OF THE BODY OF CHRIST**

They are waiting and praying for the "true authorities" of God to be established in the Church - a true working five-fold ministry in the Local Churches. They shall experience great deliverance and rapid "elevation" through the ministry of the holy apostles and prophets in this hour as they are sent forth from the Throne Room to first "minister to the ministers" - these ministers will then go forth in perfect obedience to impart what has been imparted to them. For the most part the Father has not called the holy apostles and prophets to "wade" through, or remain in, the multitudes or congregations of His people. They will spend the vast majority of their remaining time in the Throne Room replenishing after each "assignment". The Father has prepared (and is preparing) many glorious "spiritual fortresses" ("set apart" houses and lands) for them to dwell. In the case of the "glorious schools" He is raising up many "ministers" (pastors, teachers, evangelists, and other apostles and prophets in the making) will come and sit under the apostolic anointing in these places for a time specified by the Holy Spirit and then they shall be sent forth to minister what was birthed in them in just the way that is necessary to "elevate" the "sheep" into the fulness of their precious inheritance in Christ and then these "sheep" shall go forth and minister.....and so on and so on until this earth can no longer contain us because of the "multiplied

glory" abiding within us - both individually and corporately.

## **THE SIGNIFICANCE OF THE "HANG GLIDER" SWOOPING DOWN**

The significance of the "hang glider" swooping down from the "cliff" is symbolic of the devastating "terrorist" (terrorizing) attacks that the Lord has planned against even the most "rigid strongholds" of the Evil One in his last hour - first and foremost will be the removal of "all" religious spirits from the midst of the "congregations of the righteous". His heart is filled with terror at the sight of the advent of this last wave of God's holy apostles and prophets. He has tried everything in his power to prevent this day - which is now upon us - and he has failed miserably! With each passing moment the terror within him is consuming him and it shall continue to do so until the end of this dispensation - and then, after a short period of time, this "holy terror" shall torment him day and night, forever and ever, praise God forever more! This "terror" - inflicted by the rapidly growing presence of the Holy Spirit in our midst is causing his "schemes" against those walking in the "fulness" of their inheritance (covenant) in Christ to fall far, far short of their goal and their "chief characteristic" is one of weakness (powerlessness) and "dazed confusion". He does not know when or where these attacks originating from the Throne Room will hit him and he has no way or power to stand against them or hide from them. By the time the "strike" is over God's warriors will be back in His presence preparing for the next offensive and in the meantime the "captives" will have been set free and will be well on the road to entering into the "fulness" of their precious inheritance and the perfect empowerment that abides therein. They will then immediately turn and join the battle and they too shall begin to devastate Satan and his forces at every turn! Rejoice all those of you who truly love God for our time has come!

## **BEGIN TO FILL YOUR HEART NOW!**

It is most important that we lay down any and all "hinderances" to our walking in the "fulness" of ministry that may remain. In most cases a simple and minor adjustment is all that is required by the Father yet due to a "spirit of stubbornness" we may have "held part back". I am here to tell each and every one of you precious "leaders" (servants). Let it go! Enough said! This is a "moment in time" like no other before it. Let us receive the "fulness" of the authority that is ours in the Anointed One and His Anointing for by the Spirit of God I say to you,

we will need every last ounce of the glorious Provision that the Father has blessed us with in Christ in order to continually "remain above" the Evil One and his schemes - both individually and corporately in this time. Our remaining time in this earth shall become so "intense" as the Battle of the Ages rages on to its most glorious conclusion that we, as a people, will come quickly to the place wherein we "must" speak only words that are in perfect accordance with God's Word. Therefore, **BEGIN TO FILL YOUR HEART NOW!** for "tomorrow" may be too late. God will not allow Satan to overcome "any" whose heart is toward Him and whose desire is to be "faith" - ful to Him. But even the best of "intentions" will not cut it in this time for "faith" without the corresponding action (righteousness) shall be exposed for what it truly is: "dead works" rooted and grounded in pride and rebellion and "any" who retain this ground shall be attacked fiercely and openly by Satan and his forces with a view to their total destruction.

## **THE SPIRIT OF CAIN - THE SPIRIT OF BALAAM - THE SPIRIT OF KORAH**

In light of the words just written the Father has revealed to me that Satan has ordered three major evil spirits to "relentlessly" attack God's elect (those who have been - and are being - prepared to take their "kingdom-positions" in leading the children of God into the "fulness" of their precious inheritance in Christ).

### **THE SPIRIT OF CAIN**

The spirit of Cain perpetuates spiritual pride and self-exaltation. Some of its manifestations in the one being held captive are envy, jealousy, criticism and that one becoming offended at those who are truly seeking first the Kingdom and the highest purposes of the Father. False judgement and "inflamed" (soulish) action - and reaction - towards those who are carrying out the true purposes of God are manifestations of this evil spirit.

### **THE SPIRIT OF BALAAM**

The spirit of Balaam continually promotes self-sufficiency and self-desire and the exercising of the self-will and self-effort that is needed to sustain the works of the "flesh". One of its chief manifestations is the willingness to compromise (unknowingly) the Word of God to fulfil its own purposes and lusts.

The root ground for this spirit to work is the "love of money" and all that can be obtained through it - instead of a love for God and His purposes and the all-sufficiency and provision that is ours in Christ.

### **THE SPIRIT OF KORAH**

The spirit of Korah finds its opportunity in a "rebellious" heart. One must come to realize that every last activity of a "religious spirit" is rooted in the ground of rebellion, and thus see the extreme danger of the "maintaining" of ANY element of self-desire and the "self-agenda" that it produces. One of the chief manifestations of this spirit is total disregard (through a spirit of deception) for true delegated authority (including the revealed Word of God, Himself) and the words they speak. Their own words are self-exaltive, critical and "accusatory" towards their own brethren in an effort to downgrade the words and works of the righteous - in order to justify their own self-seeking and self-exaltive thinking. These rebellious ones will constantly seek "agreement" from those of like motive and heart. All those who refuse to repent of their rebellion shall be blinded to the revelation flowing forth from the Throne Room through the holy apostles and prophets in this last hour, and - just like Korah and his 250 "men of renown" - shall eventually perish in their rebellion against the King and His Kingdom, unless a deep and thorough repentance is forthcoming.

### **"UNWHOLESOME WORDS" ARE COUNTER-PRODUCTIVE TO THE HIGHEST PURPOSES OF THE FATHER FOR THE ESTABLISHMENT OF THE "SPOTLESS AND UNBLEMISHED" CHURCH - AND HIS KINGDOM**

I have only briefly touched on the activities of these three evil spirits. Much more shall surely become evident very shortly in the lives and experience of all those who truly love God. In these days there are many who are truly seeking the fulness of the Father's will for their life and ministry and these ones shall soon realize the very nature of the attack against them by the Evil One and his forces. They will be "alerted" to the fact that he is attempting to derail them and keep them off course from entering into the fulness of their destiny (destination) in Christ and, thus - in their love for the Father, they shall make the necessary adjustments - in and by the Holy Spirit - which will allow them to immediately rise above this full-scale attack against them. As they stand, and continually resist the

forces that are attempting to provoke them to a place apart from the position of abiding in love, they shall also experience a continually deeper revelation of the importance of speaking no "unwholesome" words - words that are counter-productive to the highest purposes of the Father for the establishment of the "spotless and unblemished" Church - and His Kingdom. Let every believer receive the necessary revelation of "the importance of words" that will allow them to enter into the fulness of their "kingdom-position" in Christ!

## **"HOLY COMPASSION" - THE KEY TO ALL TRUE DELIVERANCE MINISTRY**

Many have "attempted" to carry out "deliverance" ministry while (unknowingly perhaps) maintaining some form of self-exaltive motivation and, because of this, their "good intentions" (although the root motivation was most certainly "self-glory") served only to result in failure and much confusion in the midst of God's people. This actually was the "earmark" of the Second Day church - and it is precisely why many were never set free from the bondages that held them captive. Jesus referred to these types of activities in Matthew 7 (... "but Lord, did we not cast out demons in your name?" ...) As ministers and servants of God we must become sensitive to the deepest thoughts and intentions of the Father's heart. Another element and by-product of intimate fellowship with the Father in the "inner chamber" is that, in being supernaturally fused with Him, in Christ, we come to a knowledge of His will and into perfect agreement with His heart of love towards His children - and towards all those in captivity to the bondages of fear. This perfect agreement produces "holy compassion", and it is this "holy passion" which releases the "fulness" of the anointing that abides within - at any given moment. As we continue deeper on into the Third Day, the Glorious Church will be filled up with the "overflowing" presence of the Holy Spirit and we can surely count on the fact that "deliverance" ministry will take on a whole new meaning as the Truth is revealed - in "His" fulness - to vast multitudes.

## **JESUS IS LORD! - SATAN IS AN "ABJECT" FAILURE!**

Anything that Satan is attempting against those who are truly seeking the Father and His will in this hour is his "futile" attempt to prevent God's "ministers" from taking part in the "major offensive" against his schemes and strongholds that the Father has planned. In "knowing" that Satan is an "abject" failure, let us be

found remaining steadfast in the faith and love of God and we shall most certainly see his absolute defeat on "all" fronts. One thing is certain where Satan and his forces are concerned - they shall be "devastated" and scattered in the path of the great fury (wrath) that the Father is about to release against the powers of darkness - through His glorious remnant. This is truly not a good time for ANY who would "align" themselves with the "doctrines of death and darkness" that - up until this time - have kept vast multitudes of God's children apart from being partakers of the "fulness" of their precious inheritance in Christ.

**FOUR VILE SCHEMES OF THE ENEMY IN THIS HOUR TO HINDER OR PREVENT THOSE WHO ARE TRULY SEEKING GOD FROM ENTERING INTO THE FULNESS OF THEIR KINGDOM-POSITION:**

1. Frustration
2. Disappointment
3. Discouragement
4. Disheartenment

**FRUSTRATION AND DISAPPOINTMENT ARE THE PRODUCT OF A MAINTAINED ATTITUDE WITHIN ONE'S HEART AND MIND THAT IS ROOTED IN SELF-FOCUS AND SELF-DESIRE**

Frustration and disappointment are two things (schemes) that are found to be "potentially" within the heart and mind of the believer. Both frustration and disappointment are not effected by that which comes from the "outside" through physical circumstances - although many still believe that every evidence of frustration or disappointment is caused by the actions of someone other than themselves alone or outward circumstances. In reality, they are the product of a "maintained" attitude within one's heart that is rooted in self-focus and self-desire.

**REGARDLESS OF WHAT OTHERS HAVE DONE (OR NOT DONE): TO BELIEVE THAT THEY ARE THE ROOT CAUSE OF FRUSTRATION IN OUR OWN LIFE IS TO BELIEVE A LIE!**

ALL frustration in the life of any child of God is the direct product of a "maintained" element of disobedience in their life - while disappointment is ALWAYS the direct result of a "misplaced" faith (trust)! It is very important for the child of God who truly desires to be aware of - and completely free from - all of the schemes of the Enemy to NEVER affix themselves to discerning through outward circumstances, or look at others - "thinking" (believing) that they are the cause of their frustration. Regardless of what others have done (or not done): to believe that they are the root cause of frustration in our own life is to believe a lie! Even though we may have a certain knowledge that others are not obeying God this will NEVER produce frustration in the life of one whose heart is pure, and in whose life there is no disobedience.

**FRUSTRATION IS MEANT BY SATAN TO PRODUCE THE RELEASE OF CURSES (UNRIGHTEOUS WORDS SPOKEN OR WRITTEN THROUGH AN UNRIGHTEOUS MOTIVATION)**

On the one hand frustration is meant by Satan to produce the release of "curses" (unrighteous words spoken or written through an unrighteous motivation) while purity of heart will always cause that one to rise up in faith (love) to both bless and empower the disobedient one that has been brought across their path. If frustration rears its ugly head then the child of God should immediately set themselves apart from God with a view to allowing the Holy Spirit to disclose ANY failure on their part to carry out any instructions already given them by the Father. This will SURELY cut down Satan's scheme right at the root!

**DISAPPOINTMENT**

As mentioned earlier, ALL disappointment in the Christian is the direct result of a misplaced faith (trust). If one's faith is based solely on revelation knowledge (something that God has revealed to their heart) and they are walking that revelation out with perfect corresponding action by the empowerment of the Holy Spirit then they shall NEVER be overcome by disappointment. Why is it that one will NEVER experience disappointment when their faith is truly resting wholly upon a revelation of the Father's will? It is simply that when one exercises an absolute faith - working through a perfect love - they will have a deep assurance in their heart (regardless of outward appearances or circumstances) that Love NEVER fails!

## **LOVE NEVER FAILS TO ACCOMPLISH PERFECTLY THAT WHICH HE HAS SET HIS HEART UPON**

It is extremely important for every last child of God to KNOW that Love NEVER fails to accomplish perfectly that which He has set His heart upon. When one has a revelation of the Father's heart-desire then that godly desire becomes rooted and grounded within them - the spontaneous by-product being that that one shall be righteously motivated in ALL things. This, of course, being as long as the godly desire abiding within them is diligently maintained through a perfect and abiding fellowship with the Father and His Word. If the child of God has come to the place wherein they have allowed themselves to experience disappointment - in others, in themselves or even in God - then, as was the case with frustration, they MUST set themselves apart unto God and allow the Holy Spirit to reveal ANY areas of mistrust (or non-dependence) upon Him.

## **IF ONE WILL READILY REPENT OF THEIR LACK OF FAITH - AND MISTRUST - TOWARDS THE FATHER AND HIS WORD THEN HE SHALL SURELY CAUSE A GLORIOUS RE-CONNECTION AND RESTORATION TO HIS WORD (WILL) BY THE POWER OF HIS SPIRIT (THE SPIRIT OF WISDOM AND REVELATION)**

In this situation, if one will readily repent of their lack of faith - and mistrust - towards the Father and His Word THEN He shall SURELY cause a glorious re-connection and restoration to His Word (Will) by the power of His Spirit (the Spirit of Wisdom and Revelation) and their faith shall once again be found to be perfectly and completely placed upon Him. And thus, ALL of the disappointment that was the certain product of their misplaced faith shall, as was in the case of frustration, be cut down at the root. Every child of God must come to the clear realization that it is only the Holy Spirit Who can bring us into the fulness of all that we are in Christ. We cannot work in our own strength and our own understanding to accomplish the fulness of Christ in us. It is the impartation of the Holy Spirit (the Spirit of Love) within us that will ultimately have done that complete work in us.

### **SUMMARIZING:**

If we are a people who are "abiding" in an absolute faith - and therefore a

perfect obedience - we will not be overcome by disappointment or frustration in ANY way, shape or form! If one maintains disobedience (through stubbornness) and/or they maintain a "misplaced" faith (placing their faith in something or someone other than God - something that has not been "revealed" to their heart by the Holy Spirit) then they shall surely be overcome - first by frustration and then, through a misplaced faith, shall be overcome by disappointment. But again, if one maintains a diligent consecration before the Father and His Word their faith shall become strong and Satan and his forces shall be totally defeated in their attempt to maintain control of the child of God through these two avenues of frustration and disappointment.

## **DISCOURAGEMENT**

The next two facets of Satan's schemes (the first two being frustration and disappointment) against those who are truly seeking the fulness of the Father's will are a little more of an elevated attack. From the time that the child of God first begins to gain revelation knowledge Satan is intent (determined) on removing that "seed". His main strategy in this scheme is to cause one to get their eyes off of Jesus (the Word of God) and onto themselves (self-focus). When one begins to "maintain" ANY element of self-focus (self-desire) THEN, immediately, a spirit of discouragement will begin to operate, and discouragement (unhappiness) - in some form - with a view to "dimming" the vision (revelation) will begin to influence the heart and mind of that one. Quite simply, when one "maintains" self-focus they begin to be "moved" by what they see and hear and feel and think rather than the revelation knowledge abiding in their heart. It can be a very subtle transference from the exercising of divine faith to the exercising of a "natural" faith, but it is certain that the longer one maintains self-focus the deeper into darkness they position themselves. Again, it is the desire of the Evil One to keep the Christian in this place of self-focus because it is from that place he can control them through their "continued" reliance upon their five physical senses.

**WHEN THE CHILD OF GOD FIRST BEGINS TO EXPERIENCE ANY ELEMENT OF DISCOURAGEMENT THEY NEED TO IMMEDIATELY STOP OPERATING OUT OF THE THOUGHT PROCESSES AND ACTIONS WHICH WERE (AND ARE) BASED ON THEIR "OUTWARD" CIRCUMSTANCES**

When the child of God first begins to experience ANY element of discouragement they need to IMMEDIATELY stop operating out of the thought processes and actions which were (and are) based on their "outward" circumstances and immediately draw near to the Father that He might both refresh and revitalize the revelation knowledge in their heart - which at that point seems to be hidden within a cloudy haze. As the child of God is faithful to enter into perfect fellowship in the "inner chamber" with the Father then immediately divine light shall flood their heart - exposing the schemes of Satan and his forces and causing that one to realize just how far they had "unconsciously" departed from faith (love).

**IN THIS LAST OF THE LAST HOUR IT IS EXTREMELY IMPORTANT FOR EVERY CHILD OF GOD TO REMAIN SOBER CONCERNING SPIRITUAL THINGS**

Our main task as children of God is to walk by faith (love) - knowing that what has been revealed to our heart in the very presence of God shall SURELY come to pass if we will but maintain a perfect diligence towards the will and purpose of the Father. In this last of the last hour it is extremely important for every child of God to remain sober concerning spiritual things for if one is faithful to do so they shall SURELY be alerted to ANY activity - both within and around them - that does not have its origin in the Holy Spirit. In these days, as the Holy Spirit is being poured out to a continually greater degree, Satan is unleashing a more intense attack on the children of God. And so, when these various spirits (frustration, disappointment, discouragement, disheartenment) come against the people of God they will come with the "potential" to overwhelm ALL those who have "maintained" any element of self-desire.

**IT IS ONLY UNDER THE "UMBRELLA" OF THE COVENANT - A COVENANT THAT WAS BOTH PURCHASED AND RATIFIED BY THE PRECIOUS BLOOD OF JESUS - THAT ONE SHALL BE KEPT SAFE FROM THE SATAN AND HIS FORCES IN THESE DAYS!**

Without a "continual" inflow of revelation knowledge and without the "continual" renewing of the mind then the child of God will most certainly be found to be operating from a soulish state - and thus, they will have NO defense against these intense attacks. This will lead to much "rampant emotionalism" in

both word and deed and, also, it will SURELY lead the unrepentant one into the wrong (unrighteous) place at the wrong time - a wrong positioning wherein Satan will attack them openly! This is the reality of these last days and thus, we MUST be found as faithful children - diligent in all things pertaining to the Father's plan for our life and ministry. One does not want to be found on the "outside looking in" where the Covenant of God is concerned in this last hour. For it is only under the "umbrella" of the Covenant - a Covenant that was both purchased and ratified by the precious Blood of Jesus - that one shall be kept safe from the Satan and his forces in these days!

## **THE REVELATION ABIDING WITHIN US MUST BE KEPT ALIVE AND ACTIVE**

The great tragedy of falling into ANY wrong-positioning by the child of God is that because they have "allowed" themselves to be held captive by the spirits of darkness they are not conscious of the dire position they have entered into - and thus, when the Enemy strikes it will be too late! The revelation abiding within us must be kept alive and active, and this is done by simple, step by step obedience - from faith to faith in the presence of the Father.

## **DISHEARTENMENT**

The spirit of disheartenment is one of the most deadly spirits that the children of God will encounter in this hour. The manifestation of this spirit makes "discouragement" seem like a minor occurrence! Again, when talking about the attacks of the spirit of discouragement and the spirit of disheartenment, we are talking about attacks on those who are truly seeking first the Kingdom of God. And so, the Enemy's chief aim is to cause the child of God to become detached (spiritually speaking) from any revelation knowledge (vision) that has been given to them by the Holy Spirit (the Spirit of wisdom and revelation) throughout the course of their Christian walk. This "detachment" from (aloofness and indifference to) revelation knowledge ALWAYS produces "spiritual weakness" (this is not to be confused with the weakness of the flesh). If the child of God allows themselves to come into this place of spiritual weakness then at some point Satan will cause a "multi-faceted" attack in what he deems to be perfect timing. The aim of this multi-faceted attack is to produce a deep and overwhelming disheartenment (literally take the true heart-desire away - and thus extinguish it) causing that one -

in their hopelessness (despair) and lack of vision - to move "radically" apart from that which they once "knew" to be the will of God. In their compulsive (obsessed-uncontrolled) words and actions - words and actions that have taken them out of the Father's will - they shall, for a time, either be used to persecute the true servants of God (of which they were once one) or they shall be destroyed by the Evil One and his forces - both spiritually and physically as they are continually drawn out into an ever deepening darkness.

### **THE SPIRIT OF DISHEARTENMENT HAS A MUCH MORE INTENSE MANIFESTATION THAN A SPIRIT OF DEPRESSION OR A SPIRIT OF HEAVINESS**

The spirit of disheartenment has a much more intense manifestation than a spirit of depression or a spirit of heaviness. When affixed to impure ground (that has been maintained) in the heart of a believer it shall SURELY compel or force one to "take action" and speak words based upon their "own" understanding just in order to escape the pressure being exerted by a number of evil spirits working together to move that child of God distinctly apart from the path of their true "Kingdom-position". An extreme example of the effect of a spirit of disheartenment is suicide.

### **THE TWO MAIN CHARACTERISTICS OF AN ATTACK BY A SPIRIT OF DISHEARTENMENT**

The two main characteristics of an attack by a spirit of disheartenment are first what could best be described as a "paralyzing" physical attack, which could manifest in a deep heaviness and also through infirmity - which again produces an element of discouragement and disheartenment on its own. Secondly, one will experience a constant bombardment of unrighteous words (through unrighteously motivated vessels) and bad circumstances which will "confirm" to the five physical senses the other lies previously put forth through the evil spirits that are attempting to work.

### **THE SPIRIT OF PRAISE**

The point of all that I have written up to now is: if a Christian has allowed themselves to be attacked by these spirits over a period of time then they MUST

come to the place wherein they make the "quality decision" to offer up a continual sacrifice of praise in the very face of this attack. Ultimately, if one will maintain a spirit of praise - regardless of how they "feel" or hear or see or think - then this spirit will be put to flight and perfect spiritual vision shall be restored.

Unfortunately there shall be some who do succumb to the attacks of the Evil One in this last hour, but EVERYONE MUST KNOW that the Father has made the perfect provision in Christ (for whosoever truly desires the fulness of His will for their life and ministry) to escape the vile schemes of Satan and enter into the "fulness" of their true Kingdom-position.

### **WE ARE TRULY IN THE HOUR OF ABSOLUTE ACCOUNTABILITY CONCERNING ALL THAT THE FATHER HAS SPOKEN TO HIS CHILDREN**

Once again, the bottom line for us as Christians is that we must be found walking in faith - being righteously motivated towards the Father and towards His people - at ALL times. For many years now the revelation of the extreme importance of faith - and how to walk in it - has been released through the faithful and obedient handmaidens and bondservants of the Lord. And the call for every Christian to come into that place of walking above the soulish realm - that is, maintaining their spirit man in a position far above the soul and the body - has also been taught. Now, we find that we are truly in the hour of absolute accountability concerning all that the Father has spoken to His children.

### **WE CAN NO LONGER BE A PEOPLE WHOSE LIVES ARE "CONTROLLED" IN ANY WAY BY THE FLEETING FEELINGS AND EMOTIONS AND THOUGHTS WHICH ARE THE PRODUCT OF SELF-DESIRE AND SELF-FOCUS**

We can no longer be a people whose lives are "controlled" in any way by the fleeting feelings and emotions and thoughts which are the product of self-desire and self-focus. For to do so means that one shall not stand at all in this last hour against the onslaught of the Evil One. We truly are "pilgrims" in this earth and we must be found walking in the fulness of the absolute Kingdom principles that have been revealed to our heart - ALWAYS refusing to be either influenced or motivated in any way by that which has its origin apart from the Holy Spirit (and the revelation of Christ that He continually imparts to the heart that is faithful

before God).

## **HOW IS IT THAT WE SOMETIMES FORGET THAT THE GOD WE SERVE IS ALMIGHTY GOD?**

The day is coming - indeed, has already come - when the Holy Fire of God shall be released to such a great and intense degree that all that is apart from Christ shall be both exposed and consumed in His path. This great outpouring and manifestation of God in our midst shall produce a holy reverence that shall send shock waves throughout the earth - turning it upside down and effecting every purpose born in the heart of the Father. And because of these things multitudes shall enter into the Kingdom of God and multitudes shall flee - in their rebellion - from the very face of the One Who died for them. How is it that we sometimes forget that the God we serve is ALMIGHTY God! In the days ahead we shall experience the greatest outpouring of His presence this earth has ever seen - and that in itself should alert us to the fact that we must be ready. For what the earth is about to see has never been seen before!

## **AS THE OUTPOURING OF THE HOLY SPIRIT INTENSIFIES IN THIS HOUR ALL STUMBLING BLOCKS SHALL BE REMOVED FROM THE LIVES (AND MINISTRIES) OF ALL THOSE WHO ARE TRULY SEEKING FIRST THE KINGDOM!**

In these days one will be able to define clearly those who are stumbling blocks to those entering into the fulness of Kingdom-living. A "stumbling block" is one who continually sets their mind on their own interests (self-agenda) rather than the highest purposes of the Father. Every person who falls into the category of being a stumbling block has - as their deepest desire - self-glory, and without exception an undealt with element of rebellion in their heart that is controlling them. As the outpouring of the Holy Spirit intensifies in this hour ALL stumbling blocks shall be removed from the lives (and ministries) of all those who are truly seeking first the Kingdom!

**"THE PERFECT EMPOWERMENT THAT THE FATHER HAS FOR EACH AND EVERY ONE OF HIS CHILDREN HAS BEEN HINDERED GREATLY IN THE CHURCH THROUGH THE FEAR OF MAN"**

The perfect empowerment that the Father has for each and every one of His children has been hindered greatly in the church - up until this time - through the fear of man. But, in this last hour, as the fear (reverence) of God and His Will take precedence over all things in the life of the true believer, the Father is raising up a mighty force in the earth - a people who have no fear of man or devil. Satan and His forces cannot stop the heart that is "wholly given" to God - the heart which has the love of God shed abroad within, a heart in which every ground of fear has been - and is in the process of being - cast out, through a deep and abiding revelation of the Father's love. One can begin to see from these things the great devastation that Satan and his forces are going to experience at the hands of the Glorious Church in this final hour!

**"IT IS A FOOLISH THING FOR ONE TO THINK THAT SATAN - IN ANY WAY - COULD END UP AHEAD OF JESUS CHRIST!"**

It is a foolish thing for one to "think" (consciously or unconsciously through unbelief) that Satan - IN ANY WAY - could end up ahead of Jesus Christ! In this final hour, as the Glorious Church comes into full manifestation through the unhindered power of the Holy Spirit, that which was used to "glorify" Satan in unrighteousness (darkness, greed and lust) shall be given into the hands of those who will use it to continually glorify the Father and His Word to the greatest degree.

**"WITHOUT A DISTINCT ACCLIMATIZATION TO THE PRESENCE AND HEART OF THE FATHER IN THIS HOUR ONE SHALL NOT OVERCOME, BUT RATHER SHALL BE OVERCOME BY THE DEEP DARKNESS THAT IS EVEN NOT ENSHROUDING THE WORLD"**

The days are gone wherein ANY Christian can settle for the place of "just getting by", and exercising only a "defensive" warfare against Satan and his schemes - that is, looking out for oneself without regard to the totality of the Father's will for the Church. The Father's ultimate purpose in raising up an army of "living stones" is to carry out a "search and destroy" warfare - a constant and intense and holy warfare that continually puts Satan and his forces to flight! In these days (as those who are faithful and obedient are entering into the fulness of everything that the Father has called us to) we need to take the Word of God as the Holy Spirit shows it to us (day by day) - and, by doing so, receive His total

empowerment in the carrying out of our portion of Jesus' ministry. In this hour the fulness of the Father's plan is going to unfold in many "radical" ways (extreme and surprising to those who are unfamiliar with the true spiritual reality of the Kingdom)! Without a distinct "acclimatization" to the presence and heart of the Father in this hour one shall not overcome, but rather shall be overcome by the deep darkness that is even now enshrouding the "world". Because of these things, the first and foremost priority of every child of God must be to carry out their perfect part in the unfolding of the Father's will. It will be only a continued faithfulness and obedience to the divine purpose that will keep one in the proper spiritual positioning to overcome in ALL things - in this final hour!

**IN THIS FINAL HOUR IT IS A MOST DANGEROUS THING FOR ONE TO BE FOUND OUTSIDE OF THE KINGDOM THROUGH REBELLION, SELF-DESIRE (SELF-AGENDA) FEAR AND UNBELIEF!**

ANY working of Satan in the midst of His people is an abomination to the Father! We have to understand that He has already spoken that He is coming to judge ALL things that are apart from Christ. He is a loving Father and He knows the great harm and devastation that the Evil One has planned for each and every one of His beloved children, and thus He has made the perfect provision "in Christ" for us to "rise above" and overcome his evil schemes at EVERY turn. In this hour He will deal radically with the Devil (through His Church) and all those who have aligned themselves with his lies. This is precisely why EVERY child of God must flee from all unrighteous motivation (self-desire) - if they truly desire to love God with all of their heart and be found in the perfect spiritual positioning - a positioning that will elevate them far above the great "tragedies" that will befall all those who maintain self-desire through a spirit of rebellion in this most critical hour. In this final hour it is a MOST dangerous thing for one to be found outside of the Kingdom through rebellion, self-desire (self-agenda) fear and unbelief!

\* **"Tragedy"** - spiritually defined - is an event or events that did not have to take place had one entered into an abiding and absolute faith in the fulness of their Covenant with God in Christ.

## **WE NEED TO BE A PEOPLE WHO ARE OPEN TO BE ELEVATED SPIRITUALLY WITH EACH PASSING DAY**

At the same time the Father is going to elevate His faithful and obedient ones in this earth so that the Living Christ can be seen in the fulness of His Glory. In these days one must "maintain" an open heart towards the Father and His Word - in order that their mind and heart might be continually renewed (enlarged and expanded). We cannot maintain the status quo in any way! We need to be a people who are open to be elevated spiritually with each passing day. In light of the fact that the final conflict of the Kingdoms is upon us we must come to a deep and true revelation of the Father's plan and what that means to us - at ALL cost to ourselves!
