

CHAPTER 4

DIVINE RESTORATION

“Do not fear, O land, rejoice and be glad,

For the Lord has done great things.

Do not fear, beasts of the field,

For the pastures of the wilderness have turned green,

For the tree has borne its fruit,

The fig tree and the vine have yielded in full.

So rejoice, O sons of Zion,

And be glad in the Lord your God;

For He has given you the early rain for your vindication.

And He has poured down for you the rain,

The early and latter rain as before.

The threshing floors will be full of grain,

And the vats will overflow with the new wine and oil.

“Then I will make up to you for the years

That the swarming locust has eaten,

The creeping locust, the stripping locust and the gnawing locust,

My great army which I sent among you.

“You will have plenty to eat and be satisfied
And praise the name of the Lord your God,
Who has dealt wondrously with you;
Then My people will never be put to shame”

Joel 2:21-26

THE FATHER SEEKS THE BEST FOR EACH AND EVERY ONE OF HIS CHILDREN

Like any good earthly parent (only perfectly) the Father seeks the best for each and every one of His children and His best is for us to "abide" in the "fulness" of the most precious inheritance that is ours in Christ - the Anointed One and His Anointing! The whole purpose of my very existence is consumed with the burning desire to be used by God to "elevate" His children and do - by His Spirit - whatever is necessary to establish them in the center of His most holy will for their lives and ministries. For many, many years it "seemed" that very few had the desire to press on into the deeper revelations of the Kingdom. At times, as a "spirit of discouragement" attempted to get a foothold on me, the task "seemed" to be impossible in the face of a stubborn and rebellious people - of which I was one (see Ezekiel 2 and 3). But that only served to burn out any "dross" and for that I am eternally grateful to the Father. He showed great mercy and lovingkindness and patience over me and faithfully held me (sometimes literally) on course throughout the many years of standing on His Word, alone, and learning obedience to Him in every aspect of life and ministry - a "learning" which, no doubt, shall continue even until our most glorious "catching away".

THE PERFECT RESULT OF TRUE SUBMISSION BEFORE GOD - DIVINE RESTORATION

This is the year that "every" roadblock in the lives and ministries of all those who truly love God shall be removed. In marriages that, up until this time, have been one-sided, the power of God (love) shall be released through His "faithful vessels" and, in many cases, even the hardest of hearts shall repent and enter into

perfect harmony with their spouse. This shall immediately lead to both glorious ministries being established and the great healings and testimonies thereof being shared with, not only others in the Church, but also, the world will begin to sit up and take notice as their situation continues to worsen day by day. The Father "knows" the hearts of all of His children and He is leading those who need and desire His healing touch right into the path of those who will stand for them - those who refuse to depart from the "love-walk" at "all" cost to themselves.

RESTORED INTO A POSITION OF "TRUE" MINISTRY

Many who "appear" to be held in severe bondage to the "religious spirits" shall soon have the chains which had held them - up until this time - fall to the ground, and in their glorious deliverance they shall enter immediately into the fulness of the true calling upon their lives. Up until this time many have tried to "fit themselves" into the "denominational structure" because they had still held to a seeking after the approval of "flesh and blood", but in this time the Father is going to both expose and consume (with Holy Fire) the weak and unstable foundation of "works" rooted and grounded in "self(ish)-desire". It is certain that in this hour each man's work shall become evident to all those that it needs to become evident to - both that which was wrought in God and that which was not.

Let us hear the words of the Father:

"LET THERE BE NO DEVIATION FROM THE REVEALED KNOWLEDGE OF MY WORD AND THE UNCTION OF MY SPIRIT!"

...."My children must learn to speak by revelation and not by "reflex". The reflex I refer to, of course, being that of a heart which is not wholly given, and thus is filled with false intentions and impure motivations. Because of this they speak as unto men and not as unto Me. They seek to voice their "opinions" rather than My truth. They seek to appease the mind (soul) of men rather than be partakers of the Mind of Christ. Is it not written, "a man of understanding keeps silent?" Truly I say to you, I will be silent when I will be silent and I will speak when I will speak; but as My ministers go forth "in My name" let there be no deviation from the revealed knowledge of My Word and the unction of My Spirit! Indeed, those, who through their fellowship with the world and its ways, - who seek the approval of men and not My approval, who testify to the "glory of man"

and not My glory - shall have their words reduced to ashes and their darkened wisdom and their rebelliousness shall be laid bare.

"ALL TRUE AGREEMENT AND HARMONY ARE A PRODUCT OF AN ABIDING LOVE"

Are there not those who argue that it is impossible for everyone in the Church to "agree"? What foolishness! Am I, the Father, not in agreement with the Son and the Holy Spirit? Is not the Holy Spirit in agreement with the Father and the Son? And is not the Son in perfect agreement with the Father and the Holy Spirit at all times? Are not harmony and agreement and one mind the chief characteristic of My Kingdom? The answer is yes! From these things one can see clearly that in obeying the law of love perfectly, they shall always be in perfect harmony with Me; and when two obey the law of love perfectly then they shall not only both be in harmony with Me but with each other. Therefore, all true agreement and harmony are a product of an "abiding love" in the hearts of My children and where there is disharmony and division and strife in the midst of My people it is for one reason and one reason alone and that is: their hearts are not "wholly given" to Me! There are many of My children who "outwardly" appear to do great and wonderful works in My name, and indeed, they have prided themselves in these works! In the beginning they walked with Me to a degree until the "approval" and "praises" of men swayed them apart from the narrow path of perfect obedience. They lost the desire to forsake "all" to follow Me and began to bring every thought captive to pleasing men rather than pleasing Me. But behold My true ministers! Vessels of fire and the Spirit of Judgement and burning. Vessels which shall purify and cleanse My Church through the power of their "spoken" words, and the Anointing that shall flow in "torrents" through them, upon all flesh.

"MANY HAVE ASSUMED A POSITION OF FALSE AUTHORITY IN MY CHURCH"

With My "holy searchlight" I shall expose everything which is apart from Me, and many shall be shocked that the "works" which they thought were so pleasing to Me, were not of Me at all, but rather, were part of the devious schemes of the Evil One to divide, through the exaltation of "self" in men and women. Many have assumed a position of "false authority" in My Church! Is it not I who

"ordain" those who will lead My Church home? Have I not the right to speak through whom I choose in the midst of My "congregations"? Indeed, it is this hardness of heart in My ministers, who have lost their First Love, that has hindered the receiving, and the acceptance of My beloved apostles and prophets. But I declare, even now, that there shall be no more "hindrance", for I wish to voice the deepest thoughts and intentions of My heart to all of My people, and in doing so, they shall surely be placed in the position wherein they must choose their "greatest" allegiance. It is time to put to an end the "plans" of men and devils; for with a "holy intolerance", My bondservants and handmaidens I shall send forth into the midst of the "fray" and they shall have great victory at every turn, against the forces of darkness and the "power of My love" shall become so evident in and amongst the people that the chains of bondage shall freely drop from all whose first desire is their deliverance from "all" that is apart from Me!"....

The Father loves each and every one of His children and it is important for all of us to realize that there are many out there who need healing and restoration to the basic truths of the Kingdom such as "love one another at ALL cost to oneself". The Father has shown me that even though some "ministries" may "appear" strange at first if we will take up our proper position of intercession (love) on their behalf they shall surely come forth in the "perfection" that He had planned for them from the beginning.

THIS IS AN HOUR OF MIRACULOUS "RESTORATION" UNTO THE "FULNESS" OF THE FATHER'S PURPOSE AND WILL FOR HIS FAITHFUL CHILDREN

This is the hour of miraculous restoration not only with a view to "fixing" (repairing) whatever needs fixing, back to the "status quo" - but fixing with a view to those things or people who are healed (restored) moving into the fulness of the Father's purpose for their lives. I would strongly encourage all those who truly love God to "pull out all the stops" as far as your faith is concerned - "knowing" that the Father's hand is on your situation. As you keep yourself ready (a pure vessel of His love), you will surely have the opportunity to play your perfect part in this glorious restoration of all that you have been standing for faithfully. Never "allow" yourself to be "moved" by what you may hear or even see, but rather keep your mind and eyes and heart focused on the Word of God - for it is certain that "love never fails" to accomplish that which He has set His heart upon, and He is

always "watching over His Word to perform it". Remember, that even in the seemingly darkest hour, as each moment seems like an eternity, you are simply just one step closer to experiencing in the "physical realm" that which you have set your heart upon in agreement with the Father and His Word. The Father is looking for those who are faithful in this hour, for it is through the compassion and love abiding in their heart that He is enabled to do great and glorious signs and wonders in this area of "family" and the establishment of the Glorious (local) Church. So again, hold fast to Father's highest will and purpose for your entire family - both personal and Church. And, in continually seeking a clear revelation of His best - moment to moment - then cling to that blessed hope - at all cost to yourself! This is the way of faith and this is the way of love - and complete victory is CERTAIN for the one(s) who will trust in God's glorious provision EVERY step of the way.

RELATIONSHIPS "RESURRECTED" AND RESTORED

While it is certain that the Father is going to "restore" (resurrect) many, many relationships with mothers and fathers - and children - the outworking of the fulness of His plan concerning this shall come from one's perfect preparation and obedience to His will concerning "ministry". As one is faithful to continue on the "narrow path" - somewhere along the line they shall have the "perfect opportunity" to speak and impart into their parent's or children's lives the anointing that shall set them free from their fear. Take no "preconceived notions" concerning these things - regardless of the way things may appear - for the end result of the Father's plan concerning our entire families is far, far greater than any of us can even begin to comprehend at this time. Praise God! We must simply enter into the rest of God and seek Him diligently - asking Him to develop within our hearts a deep "compassion" for our "entire" family and for them coming into all that the Father created them for.

THE RELEASE OF THE ANOINTING IS THE PERFECT RESULT OF "TRUE COMPASSION"

Even if our "relatives" simply experienced the fulness of the "freedom" that was purchased for them - freedom from fear etc. - this in itself would be a tremendous blessing; but this "freedom" that they shall experience in answer to our prayers and, the release of the anointing (the perfect result of true compassion)

through us, shall also cause them to live useful (fruitful) lives in the remainder of our time here. "Where the Spirit of the Lord is there is liberty". Seek the Father for a revelation of the fulness of His purpose and plan for all those with whom you have to do - taking no "preconceived notions". Guarding against taking preconceived notions can be difficult at times in light of the fact of our "life-long" experience(s) with those close to us (emotional attachments).

Always remember:

With the outpouring of the Holy Spirit increasing daily in the earth, the things that "are now" shall soon be changed forever - and this includes every detail concerning our "families". The fulness of God's Covenant concerning the "family" is about to be revealed in the midst of - and through - His people. ALWAYS look upon those the Father directs across your path as "in Christ" because that is precisely the way that He sees them as He looks upon their "heart". It is in this coming into agreement with the heart-attitude of the Father concerning those He directs us to that allows the anointing abiding within us to flow forth and break the "chains" (strongholds and mind-sets) that have held vast multitudes captive for so long.

A WORD TO "PARENTS":

...."Children love the discipline and reproof which proceeds forth from My Spirit. As parents walk in, and depend upon, the anointing which abides within them, their children shall grow in wisdom and in truth and they shall have no fear of anything. For indeed it is a "critical spirit" which so often hardens the hearts of little children, and all that is critical issues forth from a heart that is "filled" with selfishness. Therefore, as parents abide in My Word and My Word abides in them, My love - which has been shed abroad in their hearts - shall be poured forth upon their children. As it is with all of My children, it is of key importance that no "unwholesome" word proceed forth from the mouths of parents, but only such a word as is good for the edification of the child, that the family might be built up in love. Most certainly there is a "direct correlation" between My Church and the family - the principles which cause them both to flourish in the earth are identical. It is certain that all those things which are truly successful in this earth, have their source in My wisdom; but to those who would lean upon their own understanding and upon the darkened wisdom of the world, even what seems to be temporarily

successful shall surely end in "absolute failure". For this is the time of My great separation, a separation and judgement which shall cause "all" to either stand with Me or against Me in all things"....

“CONSEQUENCES”

Any "consequences" of our previous sin(s) that still remain are now but "tools" in the Father's hand to not only rectify that situation (or situations) in the best way possible, but also to bring forth "fruit" from our diligent efforts in love and faith that will bring forth God's greatest eternal benefit - both in our lives and in the lives of all those with whom we have (or have had) to do. Any "consequences" that one is still dealing with MUST be brought to the foot of the Cross KNOWING that in EVERY way the precious Blood of Jesus and the grace of God are more than sufficient to overcome even the most seemingly impossible circumstances and situations. As one seeks - and gains - a revelation from the Throne Room concerning whatever "consequence" they are faced with from their previous activities which were carried out apart from the Holy Spirit and then they begin to set their heart in love on the Father's highest will and most holy purpose for all involved THEN, as the days and weeks go by, they will be entirely delivered from any "bad feelings", memories, scars or effects of their words or actions.

THE "PLACE OF HEALING"

From this place of healing in their own lives they shall become a vessel of healing and light to the greatest "possible" degree to all those in their "past" - regardless of how tragic or horrible the situations they were facing had been. When one factors in that we are about to experience the greatest outpouring of God's presence in the earth and that all things are truly possible to the one that will only believe - then one can "begin" to understand the potentially staggering possibilities for the "restoration" of the lives that have been hurt - or at the very least been affected in adverse ways. This is the time of perfect restoration - particularly in "relationships" (regardless of whether it is a previous spouse or someone else who is now out of our lives) and as the love of the Father is poured forth in torrents through His holy vessels we shall most certainly begin to see amazing miracles in this area. So to all those whose deepest desire is the forsaking of all unforgiveness in their own lives and the "restoration" of all those with whom

they have to do - seek the Father on any consequences (circumstances) which may still be attempting to cling to you and hinder you from coming into the fulness of His plan. In gaining the necessary revelation and setting yourself in that holy place of abiding in love you shall soon see great and mighty events in your life and circumstances which shall be a great sign and wonder to all those who have crossed - and who will cross - your path.

PERFECT "RESTORATION" IN FAMILIES

There are many precious children of God who are so close - and I do mean close - to entering into that place which shall truly meet the deepest desires of their heart: to be one with the Father and the Son. It is from this most holy place and position that a perfect "restoration" in their families will take place - a restoration and blessing that shall be a continual sign and wonder to the Body of Christ and a continual blessing to them in the deepest recesses of their being. This is most certainly no time to let go of the vision (dream). This is a time of holding fast to the revelation abiding within - KNOWING that the "time" is very short concerning the physical manifestation of ALL that is nearest and dearest to their heart.

IT IS THE FATHER'S WILL TO PERFECTLY HEAL THE HEARTS OF EVERY LAST ONE OF HIS CHILDREN SO THAT THEY MIGHT "FINALLY" COME INTO THE "FULNESS" OF RELATIONSHIP WITH HIM

As the apostles and prophets deliver God's message from His Throne Room through the power of the Anointing which is upon them and within them in this last hour they shall speak forth the words which shall TRULY set the captives free (as they are "received" by the hearer). All those who are willing to give all to God shall be supernaturally healed - both in their heart and in their body - and immediately restored to (brought to) a place of an abiding fellowship with the Father and His Word. This abiding fellowship which the Father so desires - up until that time - had been impossible due to the fear and pain that had been inflicted "deeply" upon their heart throughout their life by Satan and his forces. In this time it is the Father's will to perfectly heal the hearts of every last one of His children so that they might finally come into the "fulness" of relationship with Him. It is from this place of abiding in His love that both the necessary light and empowerment to carry out ALL things in the establishment of the Church and the

Kingdom shall come. It is also the place wherein - for the first time on a VERY LARGE SCALE - the individual "members" of the Body of Christ are going to have the love of God flowing between them "UNHINDERED". This will not only produce the outpouring of "torrents" of the Father's love that shall eventually effect supernatural results in the midst of the "masses", but it shall also spontaneously produce the "one accord" in the Church which shall be the "catalyst" to the greatest release of God's power in the earth. This release of divine power and love shall be so "intense" that the magnitude and magnificence of the things that it shall effect leaves me speechless at this time. We must take no preconceived notions concerning our remaining time in the earth as the Glorious Church. To do so would be utter foolishness! For the Father has declared that He shall have His children restored unto Himself - heart to heart - and He shall surely eliminate ANYTHING and EVERYTHING that attempts to stand in His way! "Stumbling blocks" beware!

THIS IS THE TIME OF DIVINE RESTORATION

This is the time of "restoration" - so "expect the unexpected" for the Father is surely able to do exceeding abundantly beyond all you can ask or think in this most critical and glorious hour. From here on in the Church will move from revelation to revelation and faith to faith and obedience to obedience. Satan knows this and is "attempting" to distract God's servants with a view to moving them into the wrong place in the wrong timing through a reliance on their "own" understanding. This is a time when each and every one of us MUST seek - and gain - final confirmation in the Throne Room in ALL matters - even the smallest details. Our "success" in this last of the last hour shall be predicated on an intimate relationship with the Father and His Word - without exception!

A WORD TO THOSE IN A TIME OF TURMOIL AND DISTRESSING CIRCUMSTANCES

In this time of turmoil and distressing circumstances the best possible thing that you can do is "begin" to bring EVERY thought captive to the Word of God (in other words replace every fear-filled thought with the scripture that applies to the circumstance that you are facing) and simply ask and receive - and keep on asking for and receiving - the Father's grace in EVERY situation that arises each day. It will take some discipline and devotion on your part, but His grace is sufficient -

and only His grace - to deliver us from troublesome or difficult circumstances and elevate us to the fulness of our destiny in Christ. This is a time of miracles and great restoration in the midst of God's people - the restoration of all that Satan has stolen from us throughout the years. Hold fast to the steadfast hope that He is able to fulfil His highest purposes in your life - regardless of ANY past transgressions. The love of the Father in Christ and the precious blood of Jesus are the two most powerful forces in the universe and they belong to you.

THE POWER OF THE FATHER'S LOVE TO RESTORE ALL

There will be much revelation released in the coming days and weeks concerning the power of the Father's love to restore ALL the things that the Devil has stolen from His precious children. The main thing for EVERY child of God is to forgive and, "PURPOSEFULLY" forgetting what lies in the "past", begin to set their focus on the "things above". If one is truly willing to do this THEN they shall surely have the deepest desires of their heart fulfilled on EVERY level and in ways that will thrill them beyond all they could ever have dreamed of. All those who become partakers of this "divine restoration" of the Father are going to be used greatly in the area of leading many others to the place where they are able to receive the "glorious restoration" of their lives the Father has planned for them. Therefore, it is of the utmost importance that EVERY child of God begins to TRULY apply themselves to walk in an absolute faith - working through a perfect (absolute) love - and allow the Holy Spirit to cause them to rise "above" the storm clouds and turmoil of the emotions (soul-life). Never fear a situation that "looks" or "seems" hopeless. Whether or not a situation is truly fixed (healed and restored) does not depend on "natural" means (in fact that is what created the negative situation in the first place) it depends on the restorative power of our loving Father - and His hand is not short towards us.

THE FATHER IS FAITHFUL TO FINISH THE WORK

It will take a continued diligence on the part of God's children to "breakthrough" in this most critical hour, but as one "patiently" seeks to walk in the love of God each day they will gain a deeper and deeper and clearer and clearer revelation that "love never fails" to accomplish the goal that Love desires to accomplish. I can tell you - beyond a shadow of a doubt - that the Father is faithful to finish the work that He has begun in us and He is continually watching

over His Word to perform it. One who truly seeks to walk in love - at ALL cost to themselves - not only will be successful in their goal to love - and be loved (by those who truly love God) - they will be a powerful vessel of impartation to others of the Father's faithfulness and deep and tender affection and love towards them.

Let us hear the words of the Father:

"DIVINE RESTORATION" - "HOLY FIRE"

...."I shall abide in My holy apostles and prophets and they shall abide in Me. And I shall reveal Myself (My Fatherhood) through them wherever they go and in whatever they speak. And I shall bless (empower) them with a "special anointing" of My Holy Fire - a Fire that shall consume every "misrepresentation" and "lie" concerning Me. And this "anointing of Fire" shall also release great waves of healing and restoration in the wake of the path that I shall lead them on. And I shall lead them to many and I shall lead many to them for truly I say to you, the multitudes shall see a "great light" and as that great light exposes any and every "ground of irreconciliation" concerning their relationships with their "fathers" and "mothers" - and, therefore, their "irreconciliations" with Me - I shall supernaturally heal and restore all who will simply cast down any remaining ground of "unforgiveness" within them, for I cannot and will not honour unforgiveness in any way, shape or form! Because of these things many shall come, for the first time, into a "proper" relationship with Me and truly I say to you, from this place they shall "then" take their true position of leadership (servanthood) within the Body of Christ and in "their" perfect restoration there shall "immediately" come forth a great and glorious restoration of the "family" and a great and glorious restoration of true spiritual authority in the midst of all those who truly love Me. And there shall not be "any" religious spirit found to be "standing" in their path! And thus, shall the final stages of My great and glorious plan come to pass and in that moment I shall receive My precious sons and daughters into My very presence for eternity!"....

A WORD REGARDING ANY "PHYSIOLOGICAL" ATTACKS OF THE EVIL ONE AGAINST THE CHILDREN OF GOD IN THIS HOUR.

BEGIN to put the Word of God FIRST and keep it FIRST by guarding your heart with ALL diligence. ALLOW the Holy Spirit to systematically remove ANY

and EVERY "activity" that only serves to perpetuate the Enemy's attack against you and keep you in any form of "fellowship" with the world and its ways. Cast aside any GOALS that are not the product of a clear revelation of the Divine Will and KNOW that the course that the Father has prepared for you far transcends your wildest imaginations up to this time. MOST IMPORTANTLY begin to fix your eyes on the Word of God (Jesus) and not on the "symptoms" (circumstances) that constantly seek to exalt themselves above the Precious Blood of Jesus - for HEALING and DIVINE HEALTH await as well as the entrance into the FULNESS of the ministry you are called to. Proverbs 4:20-27
