

## CHAPTER 6

### THE INNER CHAMBER

“The Lord says to my Lord:

‘Sit at My right hand

Until I make Your enemies a footstool for Your feet’

The Lord will stretch forth Your strong scepter from Zion, saying,

‘Rule in the midst of Your enemies’

Your people will volunteer freely in the day of Your power;

In holy array, from the womb of the dawn,

Your youth are to You as the dew.”

Psalm 110:1-3

### **THE "INNER CHAMBER" - THE KEY TO ABIDING IN REVELATION KNOWLEDGE**

"Intimate" fellowship with each and every one of His children has always been the Father's "deepest desire" - even from before the Fall - and this will never change. From this truth then we are able to come to the understanding that it is this "close fellowship" with our God that shall "enable" us to accomplish "all" that we are called to do - for it is in this "quality time" spent with Him that we are both empowered (charged) and enlightened supernaturally. Words cannot fully describe the importance of this "inner chamber" time spent in the very presence of the Father, but from my own experience it is most certainly the difference between perfect success and "certain" failure in any given moment.

## **The Father:**

...."The "inner chamber" is that place wherein one communes with Me in secret and it means shutting out the world and shutting in themselves unto Me! The "inner chamber" is not first and foremost a "time-frame". It is first and foremost a proper "heart-position" before Me as each new day begins. As one "abides" in the proper heart-position then they shall surely be doing perfectly all that I require of them concerning the "inner chamber". Therefore, let each one of My children walk in the manner in which "I" have assigned them concerning the "inner chamber"!....

## **OUR FIRST AND FOREMOST PRIORITY MUST BE THE “INNER CHAMBER”**

As we truly seek to honour God and give Him "first place" in our lives - continually - then our first and foremost priority must be the "inner chamber". This time given to God as we rise "early" each day is, quite simply put, the "key" to the fulness of life in the Kingdom of God and the "key" to accomplishing "all" of His will for our lives in any given moment - on any given day! In this time of pure fellowship, the Word of God, by His supernatural power, becomes "infused" deep within us in a way that He cannot be if we forsake this particular "time" spent with Him. One, of course, can "meditate" on a certain portion of Scripture at any time during the day and, as a matter of fact we are called to bring "every thought" captive to the Word. But when it is done - having begun the day in the presence of God - that Word becomes "part of us" and revelation knowledge is born and the "seeds" of future "revelation" sown deep within us. As we are faithful to "daily" sow these "seeds" then it is certain that "revelation" shall become a way of life - taking us "far above" the will or the desire to "lean upon our own understanding"!

## **Let us again hear the words of the Father:**

....The key to the life of perfect obedience is the "inner chamber"! Without spending the time in fellowship with Me - which I require - My children can never abide in that position which will "allow" them to receive the fulness of the authority I have blessed them with in Christ. And without the "fulness" of authority they shall fall short of the fulness of My will. My sole aim in this last hour is to lead My children into the fulness of "My Best". For it is only as My

ministers minister the "fulness" of My salvation that will allow the fulness of My will for My Church to come to pass. Therefore, teach My children these things, for My time has come!"....

...."If My children do not maintain "diligently" a revelation of the "inner chamber", then they shall surely fail to receive the needed revelation or at best - having gained a revelation of My will - they will then proceed forth in their own understanding!"....

...."The "inner chamber" is the key to walking in the "fulness" of one's inheritance in Christ"....

...."The empowerment for one to become a "living sacrifice" is the product of time spent with Me in perfect fellowship in the "inner chamber"....

...."The "inner chamber" is the "catalyst" to a heart wholly given"....

...."Any "hardness" (slowness) found in one's heart shall surely dissolve as they enter into perfect fellowship with Me (inner chamber)"....

### **"FERTILE GROUND"**

As the child of God begins to enter into "perfect fellowship" (wholly ordered by the Holy Spirit) with the Father and His Word (Jesus), "every" area in which they had "struggled" - through the exercising of their "own" strength - shall soon become evident, and, in becoming evident, the Holy Spirit is then able to minister the perfect portion of the Word to "elevate" them up above the aforementioned ground of fear (mistrust) and unbelief. As that precious Word enters into the "fertile ground" of the heart that is "wholly given" the necessary light bursts forth - flooding the recesses of the heart and "revelation knowledge" is born (Psalm 119:105,130). From these things one can "clearly" see that as they diligently maintain a "holy consistency" in this time spent in the "inner chamber" they will soon come to that place wherein they are ABIDING in "revelation knowledge". It is from this place - and THIS PLACE ALONE - that the "Christian" will walk "victoriously" (survive) and "fulfil" the will of God for their lives and ministries in this last of the last hour!

## LET US BE FOUND ABIDING IN RIGHTEOUSNESS

Many are "talking" about the coming "flood" of God's Spirit and many are talking about the "storms brewing", but the Father is talking to His precious children about the need to set themselves with their feet planted on the Rock of revealed knowledge and to fellowship with Him in the "inner chamber", for if one fails to adhere to the call of the Holy Spirit to a perfect fellowship with the Father and the Son (Word) then that one will experience the "destructive" power of the "flood" and the "storms". Always remember the Holy Spirit is as destructive of "evil" (unrighteousness) as He is creative (rewarding) of good (righteousness)! Therefore, let us be found abiding in RIGHTEOUSNESS - by the power of the Anointed One and His Anointing!

Let us hear more words of the Father concerning the "inner chamber":

...."To the degree that one of My children "maintain" a "soulsh" relationship with flesh and blood it is to that same degree that they "maintain" a "soulsh" relationship with Me - the direct product of this being a continual "mental ascent" to My Word (Will)!"....

...."There are some of My people who shall "perish" for a lack of revealed knowledge when all the time there was no need for them to have a lack of revealed knowledge!"....

...."The "spirit of mental ascent" is a counterfeit spirit to the "Spirit of wisdom and revelation"!....

...."One cannot preach the "Cross" unless one lives the "Cross"!....

...."It is going to take the exercising of an absolute faith for My people to have "enough" in this last hour!"....

...."My holy apostles and prophets shall go forth and minister powerfully a deep and profound revelation of "the inner chamber"! For the "reception of this revelation by those of My children who truly love Me is the prerequisite to one abiding in the "fulness" of their inheritance in Christ. All those who are quick to receive, and measure fully the words that I speak through My holy apostles and

prophets - concerning the "inner chamber" - shall be radically changed within by both a superabundance of "revelations" and an outpouring of My divine blessing - both within and without - and not only shall they become a "sign and wonder" to all those who cross their path they shall be a "sign and wonder" even unto themselves!"....

...."To all those who "refuse" to hearken to the words that I speak concerning the "inner chamber", they shall "invite" immediate trouble, for in their "reluctance" to "measure fully" the word that I have spoken, they shall surely open a door to Satan and he shall be "allowed" to "squench" (suppress) any "seed" that had been planted as My Word went forth, and thus to whom much has been given much, shall more be given and to those who have received little, because of the hardness of their hearts, even the small amount that they have shall be "stolen" away!"....

...."In this last hour My children shall not be able to discern "perfectly" all that crosses their path, nor will their ministering be accurate, unless they first spend the "required" time with Me in perfect fellowship (the inner chamber)!"....

...."The "inner chamber" is not "relegated" to just an hour or two in the early morning, although it certainly "begins" there. Truly I say to you, My holy apostles and prophets shall spend the vast majority of their time in the "inner chamber" for it is necessary for them to do so in order to carry out their part in this final thrust of My Spirit in this last hour!"....

I must say here again that the "specifics" of when to rise and how long one will spend with Him are unique to each and every child of God, but we can be assured that He, and He alone, knows exactly what each one of us "needs" in order to walk in the "fulness" of what He has for us on any given day. Thus, as one is faithful to obey the Father in this area of rising early and entering into the "inner chamber", they will have a deep and abiding assurance that they are bearing "maximum fruit" for the Kingdom of God and that they are "doing their part" in the establishment of the True Church - the "holy and blameless" Church of the Lord Jesus Christ! Do not allow yourself to become "unteachable" in a time where we need to be "constantly" taught in ALL things by the Holy Spirit - "moment to moment" (abiding).

## **SEPARATION AND "OBSCURITY" NOT "ACCIDENTAL"**

There are many who - up until this time - have found themselves "isolated" to a degree from the "mainstream" of church activity in their "locality". The good news is that the Father has been raising up a whole generation of saints to take their place in the true Local Churches that are now "just beginning" to be established throughout the earth. We have been a people who have had to keep our eyes fixed on Jesus (the Word) in order to allow Him to build a true image of His most glorious plan for the Church. We have been a people who have been prepared over a great number of years for a position and work which - up until this time - could not truly be seen in the "natural" (physical). The perfect fruit of this has been the development of an intimate, personal relationship with the Father and His Word which shall most certainly serve us (and Him) well in our remaining time in this dispensation.

## **REJOICE IN YOUR "INNER PRISON" TIME**

Rejoice in your "inner prison" time! We, as a Body, (individually or corporately) will not be getting the "full plan" at any given time regardless of how big or small the work may seem. We are going to be a people who - in walking from revelation to revelation - faith to faith and glory to glory - shall be found abiding in God's presence and from this place of an abiding and intimate fellowship will come ALL of our provision and empowerment and enlightenment (wisdom) - this is the way of the Kingdom of God. The Father's plan to establish the Glorious Church is "fool proof" as only those with a "true heart" towards Him will be in position to experience (hear) and partake in the absolute and perfect will (Word) of God in this hour. Those who have been trained in the "way of faith" are entering into the most blessed time of this dispensation. Those who have held to their own agendas and initiatives shall soon find that they are totally disoriented and that they are "clearly" not in God's will for their lives and ministries. Unless they repent and come in under the umbrella of the "fulness" of the Covenant they shall leave themselves "wide open" to a series of major assaults by Satan and the powers of darkness.

## **THE "RELEASE" OF "APOSTOLIC MINISTRIES" INTO THE CHURCH**

No matter how many of the end-time servants of God I run across we all

seem to have "separation and obscurity" as a definite characteristic of our call - up until this time. But now, the release of a great multitude of "apostolic ministries" (Christ all in all) is "beginning" to take place throughout the entire Body of Christ and this will produce and promote great spiritual growth in the hearts of all those who are "wholly given" to God and His highest purposes. All of the time in "separation and obscurity" (physically speaking) and the precious preparation that has been its perfect work will now result in a "paradigm shift" of great and "almost" unimaginable magnitude. This move of the Holy Spirit - a move which shall begin to see the apostle and the prophet come into the "fulness" of the office they have been called to - shall cause the people of God to be "elevated" in their thinking and because of this their "activities" (actions) in the Church and for the Kingdom shall take on a whole new light and empowerment that heretofore would have been "thought" impossible - this side of Heaven itself.

### **"HARD" AND "THOROUGH" PREPARATION**

The sometimes "hard" and "thorough" preparation that multitudes and multitudes of handmaidens and bondservants have experienced throughout the years shall now begin to bear great and "explosive" results and it will not be long before the "perfect wisdom" of God shall be "fully" seen by them. They will come into a great understanding of why many "seemingly" unexplainable events and situations continually surrounded them - even in light of their deepest heart-desire to serve God and carry out His highest purposes at all cost to themselves. Many will begin to understand the profound and "ever expanding" and far reaching (eternal) effect their faithfulness and obedience has produced. They will literally be shocked at the magnificence of the Father's all-encompassing plan - and their part in it - to raise up a people in the earth (themselves included) who are "fit vessels" for the "fulness" of His glory to be poured forth through - in this most critical hour in the history of mankind. "All" that has happened up to this time in our lives has been but a "perfect" preparation for what has now come upon us.

**Let us hear the words of the Father:**

### **"INTIMATE FELLOWSHIP"**

...."Many things happen in the times of intimate fellowship that My children have with Me. First, they come into My presence and are thus saturated by it,

whether they "feel" like they are or not. Secondly, I am able to reveal "mysteries" to a continually deeper degree to their heart in such a way that they gain the understanding needed to combat the lies and darkness which exist in the minds and hearts they will "encounter"; and thirdly, in seeing the reality of My "salvation" and its fulness - and in My light seeing clearly the bondage and captivity of those who are apart from My Word - they shall "fearlessly" bear the burdens of these suffering ones and through their intercession cause them to be lifted up into the "fulness" of their inheritance in Christ"....

### **THERE SHALL BE GREAT DEVASTATION IN THE RANKS OF THE ENEMY!**

The "onslaught" is about to escalate and there shall be great devastation in the ranks of the enemy - particularly in the hierarchy of "religious spirits (not only in the church but also in the "religions of the world"). One of the first manifestations of the advent of the apostolic and prophetic anointing about to be poured forth in the midst of God's people will be that the "chains" of religion shall be broken off of many and the "activity" (vanity - futility) which is the spontaneous by-product of "religion", shall be brought to an abrupt halt. As the light of the Word shines out in these places where God's handmaidens and bondservants are sent, the deepest motivations of EVERY heart shall be exposed for what they truly are. Thus, there shall be a great dividing process take place in a very, very, short time causing us ONCE AGAIN to be able to distinguish between those who truly love and serve God and those who do not! Let us set ourselves to earnest prayer in order that every last captive with whom we have to do might be gloriously set free and enter into perfect preparation for their part in the "fulness" of the Father's blessing that is about to be poured forth in and through and upon the hearts and lives that are "wholly given" to His highest and most holy purposes. There is a distinct call from the Throne Room for every last child of God to set themselves in the "inner chamber" for it is only in this place that one will/can be empowered and prepared to receive and handle the Glory that shall now be poured out through the Father's holy vessels. May the Father give you a great compassion for those in your direct path in order that the "fulness" of the anointing abiding within you - both individually and corporately - might be continually released and imparted to them.

## **THE "INNER CHAMBER" AND THE STUDY OF GOD'S WORD**

It is very, very important for each and every one of us to "let go" of anything that would hinder our receiving the "revelation" of God's Word that is necessary to lead us and guide us and keep us safe in this final hour. We need to have our "closets cleaned" in order to have room for the precious blessings that our loving Father has for us in this time. Obviously, it is important to seek the Father on what the precise food that is "needful" for us is, and "allow" Him - in and by His Spirit - to lead us to the specific portions of His Word and any other "resources" He has prepared for the Body of Christ. The most important aspect of true fellowship with the Father and the study of His Word is the "inner chamber". This is simply the place wherein we enter into a close and intimate fellowship with Him - and it ALWAYS "begins" in the early morning hours. In some cases - depending on one's calling and the tasks before them - this abiding in the place of close and intimate fellowship will vary in the amount of time spent "physically" in a place wherein they are separated from the certain "distractions" that their entrance out into daily activities will bring.

### **THE "INNER CHAMBER" IS FIRST AND FOREMOST A HEART-ATTITUDE**

This matter of the "inner chamber" is first and foremost a "heart-attitude"; a heart-attitude which can, through the exercising of an acknowledgment of the Father and His Word in ALL of our ways - cause us to be continually directed in every aspect of our lives and ministries. This of course includes what portions of God's Word are needful for us to partake of. When one begins the day in the "inner chamber" they will most surely receive there the "food" that is necessary for them and as they go out into the day they shall be fully equipped to both handle and overcome anything the Evil One attempts to place in their path.

### **THE "FATIGUE" PROBLEM**

This runs hand in hand with the "fatigue" problem being experienced in this time by many handmaidens and bondservants. I found that when I began to get up earlier and allow the presence of God to flood my inner man early in the morning all of the fatigue I was experiencing was replaced with an energy and peace and joy (even in the midst of the most adverse circumstances) that can only be

described as God-sent. I cannot possibly describe the superabundant "benefits" that come from giving the Father the first part of our day. It is something that has to be "experienced" - not just talked about - by each individual believer. The Devil will try anything to keep the children of God out of this place - because it is in this place that the "seeds" of "revelation knowledge" are born and once one begins to gain daily - and thus, a continually deeper revelation of who they truly are in Christ - and also that the Devil is an ALREADY defeated foe - his control over their lives will disappear and they can begin immediately to live lives that will bear "maximum fruit" for the Church and the Kingdom.

### **"INTENSE PREPARATION" CALLED FOR**

Two things that are necessary for each and every child of God seeking to carry out the "fulness" of the Father's will for their life and ministry are:

1. To be efficient in rising at the precise time the Father would have them arise - in and by the Holy Spirit.
2. To allow Jesus to be Lord over their "food intake" (spirit, soul, and body) - in and by the Holy Spirit.

Many are in "good shape" but have still "maintained" control to a certain degree over what - and when - they eat. They may eat a reasonably healthy diet - and it is certain that all things (except for the obvious foods or drinks that are unmistakably bad for one) are sanctified for our use - but in light of the task that the Father has given them they cannot eat "certain" things. This is not because these are bad in themselves (although some are) - it is because they would not be "profitable" as far as their part in fulfilling the Father's deepest purpose concerning His precious children. So, even though certain common foods do not "appear" harmful - AGAIN, in light of what one is called to, they MUST - as in ALL things - be obedient to the One they serve. It is the will of the Father for each and every one of us to acknowledge Him in ALL of our ways and this includes even the most "seemingly insignificant" details of our daily affairs. Father ALWAYS knows best for He knows ALL things!

## **"FELLOWSHIP WITH THE SPIRIT"**

In Philippians 2:1 Paul speaks of "if any fellowship with the Spirit". The "fellowship" that Paul is speaking of here has its origin in the aforementioned "inner chamber". As each of us individually spend time with the Father and His Word - day in and day out - THEN the "one accord" and the "true unity" we are called to - as the Church - are born corporately through revelation knowledge. It is this "fellowship with the Spirit" that empowers us to abide in the "mind of Christ" and thus our every action and even the words we speak are in perfect harmony with the will of the Father. One "receiving" the "fulness" of their precious inheritance in Christ (which is the starting point for entrance into the fulness of all true ministry) is predicated on their time spent in close and intimate fellowship with the Father and His Word - WITHOUT EXCEPTION!

### **A WORD TO THOSE WHO ARE SEEKING THEIR "TRUE" PLACE IN THE CHURCH IN THIS HOUR:**

The Father has a most precious plan already prepared for every last one of His precious children in this last hour. Do not look out upon what "already is" to find your "proper position". Spend the necessary "quality time" with the Father in the "inner chamber" and everything pertaining to your life and ministry shall become evident to your heart. In other words, you shall KNOW what to do and when to do it as you begin to "fellowship with the Spirit", for He shall teach you ALL things and He shall lead you and guide you in the paths of righteousness - "far above" the schemes and distractions of the Evil One.

### **WE MUST ALL BE ON GUARD WITH "ALL" DILIGENCE IN THIS FINAL HOUR**

The "activities" of the "religious spirits" are about to escalate in their attempt to (not so subtly) remove those who are truly seeking the fulness of the Father's will for their lives and ministries - and thus, the "fulness" of the authority that is theirs in Christ - from the Word of God, and the fellowship in the "inner chamber" that is so important for receiving the revelation knowledge that causes us to overcome in ALL things. We must all be on guard with "all" diligence and keep ourselves in the proper position to continually "rise above" the schemes of the Evil One.

## **THE "FAILURE" TO ENTER INTO THE "INNER CHAMBER" SHALL SURELY PRECLUDE ONE FROM ENTERING INTO THE FULNESS OF THEIR CALLING**

This maintaining of a ground of "self-desire" (through fear) is a serious problem in many areas of the church as the Father moves forward with His plan. The root is simply the failure on the part of the one "being held captive" to enter into the "inner chamber" - the only place that can both expose and heal (correct) that one's heart. It is much, much better (and that is a vast understatement!) for one to "willingly" enter into the place of "loving correction" by the Father (see Hebrews 12) and repent of every "ungodly attitude", than to be confronted by the wrath and judgement of a holy God that shall soon be released against ALL unrighteousness.

### **"BLESSED ARE THE PURE IN HEART FOR THEY SHALL SEE" ....**

Only those who are "pure" in heart will be found helping (cooperating with) the apostles and prophets in this final hour. So when you see someone who is "truly" helping you then you can "know" that they have a heart towards the Father and His will - because those whose heart is not "wholly given" shall most certainly be used in Satan's attempt to hinder the plans of God. It is written, "Blessed are the pure in heart for they shall SEE the Kingdom of God". Only those who are "pure in heart" shall even recognize the will of the Father in this hour and great shall be their reward - both in this age and in the age to come. Having said all this: the negative side is that those whose hearts are not "wholly given" will not be able to "see" the Kingdom and the Father's plans thereof, regardless of how "spiritual"/or "religious" they deem themselves - and this without exception!

## **THE KEY TO WALKING AND ABIDING IN THE FULNESS OF OUR PROVISION CONCERNING "EMPOWERMENT"**

The key to walking and abiding in the fulness of our provision concerning "empowerment" is found in the intimate fellowship in the "inner chamber" that EACH and EVERY Christian is called to. Without quality time in the Father's presence we simply are prone to lean upon our own understanding - particularly in pressure situations. In this final hour each and every child of God MUST be obedient in this matter of time spent in the Throne Room (let each one be found

doing daily that which is required of and assigned to them by the Holy Spirit) for the failure to do so will MOST SURELY result in a CERTAIN deception concerning the fulness of the Father's plan for the Church - and their perfect part in it!

### **"FOR THE SAKE OF THE KINGDOM"**

Quite simply, there are certain things in preparation for one's entrance into the fulness of ministry that can only be accomplished in our fellowship with Father and His Word. In fact, there are times when the seeking after and fellowship with "flesh and blood" - even anointed brothers and sisters - becomes a detriment to the fulness of His most holy purpose for us. We learn through our experiences from our earliest childhood to affix ourselves to "flesh and blood" (and their ways) and therefore it is ALWAYS necessary - at some point - if we are truly serious of fulfilling all that we were created for in Christ - to separate ourselves unto the Father and His Word. Whatever is not evident to us on this side of Heaven will surely become evident; BUT this one thing is certain - regardless of our circumstances or situation: what one has given up (sacrificed) for the sake of the Kingdom they shall experience "one hundred fold" (many, many times over) both IN THIS AGE and in the age to come. I have "begun" to experience this "return" in the last few months and it is this very blessing that has left me awe-struck by the tender and loving actions of the Heavenly Father towards me. At this time I do not have the words to express just how much that scripture is ringing true in my life and ministry and my exhortation to all of you is to simply carry on in perfect obedience KNOWING that whatever you must lay down now in order to prepare for what is about to happen shall be given back to you (this side of Heaven and on into eternity) in ways that will both bless and astound your heart.

### **AN EXHORTATION FOR ALL THOSE WHO HAVE BEEN "IN THE CAVE"**

I would strongly exhort all those of you who have been "in the cave" and "seemingly" estranged from the "fellowship" with other "kindred" spirits that you know "are on the way" to hold fast to the vision (dream) God has given you. It will not be long before the Father brings forth those particular and special ones to meet your needs in that area. But you MUST continue to fellowship first and foremost

with the Father KNOWING that He is faithful to bring forth the necessary provision in His perfect timing. It will be well worth the wait - believe me! The Father gave me a particular word many years ago stating that He would surround me with some of the finest people in the earth and I have most certainly not been disappointed in these days as He has moved - and continues to move - very powerfully in that regard. The Father has instructed me in the past to write much concerning the establishment of "glorious connections" in this final hour and He has truly confirmed the words He gave me in my own life in a way that is very much in the realm of "exceeding abundantly beyond the exceeding abundantly"! I know that He will do the very same thing - in His perfect timing - for all those who are wholly given to His most holy purpose and plan for their lives and ministries. So do not doubt - even for a moment - His faithfulness towards you concerning these things. He will in no way let you down. The most important thing for every believer is for them to come into close relationship with the Father - from that place of fellowship He can do ANYTHING He desires to do. In this time it is my fervent and earnest prayer that each and every member of the Body of Christ begin to see themselves ONLY through the Father's eyes. The anointing and calling upon your life is a very remarkable thing and this will most certainly be borne out in our remaining time in this dispensation!

**Let us hear the words of the Father:**

**"HAVE NO FEAR"**

...."I am about to manifest Myself in your circumstances in a very big way, to bring about the changes which are necessary for you and those around you to fulfil their ministries. These changes will affect "living arrangements", for I shall move in a way which will allow those who are called to be with you and who are "on the way", to fit in perfectly. I shall provide an abundance of funds to accomplish all of My will concerning these things. Have no fear! Only continue waiting upon Me and I shall surely reveal to you your part - and the part of those with you - in both "setting up" and running the ministry to which I have called you; and I shall move those whose hearts are wholly given to Me, to come to you with the "revelation" I have placed in their hearts "burning brightly", that you might blend together as one in Christ, in order that you might be in one accord - and in that one accord, go forth to destroy the works of the Devil and be a great sign and wonder to all those who shall cross your path"....

To be able to express true (divine) love towards the children of God is the greatest blessing and privilege we have and it is my earnest prayer that the Father powerfully meet the deepest desires of your heart with an overflowing superabundance in every area of your lives and ministries!

## **THE GREAT NEED FOR SEPARATION UNTO THE FATHER AND HIS WORD IN THE "INNER CHAMBER"**

For what seems like a very long time my heart has been somewhat saddened by the refusal of many to enter into the place of perfect separation unto the Father and His Word. For many years the prophets - and now also the apostles - have preached the need for this separation unto God in the "inner chamber". Many have looked upon this aspect of the Divine Requirement with a subtle disdain - thus they have NEVER come to the realization that this aspect of the Divine Requirement (Luke 10:27) is not for some "special task force" in the church but rather is - and always shall be - the first and foremost prerequisite to overcoming in all things, for all who would call themselves "Christian". Every last member of the Body of Christ who truly desires to forsake EVERY element of the self-desire and rebellion that - up until now - has kept vast multitudes in varying degrees of darkness shall now FINALLY enter into the holy place. With great sadness on my heart I proclaim to you that many will not enter into the glorious calling that the Father has bestowed. While it is certain that their eternal salvation is secured, many will now become victims of a specific and deadly and final assault against those who have stepped outside the Covenants of promise - thus departing from the exercising of a true faith - in order to maintain and sustain their own agendas [both personally and as far as their ministry goes]. The end of the age is truly upon us and we are about to enter into the final phase - a phase which shall have us working non-stop supernaturally until the "catching away" of the Church. It is my earnest and fervent prayer that many in the Body who are truly seeking the will of God (but who have not yet entered into the proper "spiritual environment") might be led to any writings that might serve as a signpost - or even a "beacon" of sorts to them. There is an ever increasing darkness consuming the world - and ALL those in "heart-fellowship" with it in these days - and it is truly a most dangerous time to be found walking anywhere or doing anything apart from the revealed knowledge of God's Word and the unction of the Holy Spirit.

## **THE CALL OF THE CHURCH: STEP BY STEP - REVELATION TO REVELATION**

In this most excellent hour the Father is moving powerfully by His Spirit to bring each one of His precious handmaidens and bondservants into the place of an abiding fellowship with Him. It is from this place of an abiding fellowship with our Father and His Word that we begin to experience - to a continually greater degree - the "timelessness" of the Kingdom (eternity) as well as the complete "breakdown" of every "mind-set" (reasoning procedures - logic - presumption) which were the product of years of being "held captive" to a certain degree by a "spirit of mental ascension". This "evil spirit" is a direct counterfeit to the Spirit of wisdom and revelation and so, from this, one can see clearly that if they are not motivated and guided by the Spirit of wisdom and revelation then they shall "surely" be motivated and guided (through a ground of fear and self-desire) by a spirit of mental ascension. This "spirit" always attempts to put its "own spin" on the Word of God and the true revelation thereof. It is a chief weapon used by the hierarchy of "religious spirits" in the kingdom of darkness whose main task is to "warp" the true meaning of God's Word (Will), and thus divert (distract) the children of God to a place wherein "they believe" they have the will of God but, in reality, they are becoming more and more deceived with each passing day. The more they are deceived the more they justify and attempt to vindicate their every word and action - even to the point of blaspheming the "anointing" (the true work of the Holy Spirit).

### **THE MOST COMMON STATE OF HEARING**

The most common state of hearing from the Father and His Word is simply a "knowing" deep within. Not every instruction is a "lightning bolt" from the Throne room (although there will be some of that happening) - hence the instruction to guard our hearts with ALL diligence. As mentioned before this is a time of great transition and repositioning and we do not want to miss the mark in any way. This is truly a time for each and every last child of God to clearly decide (make a "quality decision") what is really their greatest desire and "carry out" - by the unction of the Holy Spirit - the perfect corresponding actions to the faith (love) that abides within them. In practicing these things continually it is certain that Father will show Himself strong on their behalf and the "unfolding" of His most holy purposes will take place in such a way as to allow them to fulfil their destiny

in Christ.

## **A GREAT BUILDING UP**

In my time with the Father I am always seeking to know more of - or at least gain more confirmation of - His highest will and purpose. This is not done out of fear or unbelief, but rather it is the product of the years in which He has continually renewed my mind and expanded my heart to always search out His "best". I have learned that it is only from abiding in this position and "mind-set" of taking no "preconceived notions" that "maximum results" can "eventually" be born for the Church and the Kingdom. In these days I have been gaining a strong realization that this "waiting period" we have been in has been an important time of "a great building up" of the "inner strength" necessary to accomplish ALL that is just out ahead of us. At times I have almost felt "impatient" concerning the seeming slowness of certain things to manifest, but as I began to write I clearly realized the importance of these past months in gaining this necessary inner strength to both handle perfectly and at the same be prepared perfectly to not only carry out, but also "enjoy", all that the Father has for us in the coming days - as the Glorious Church begins to "take legs". Everything that we have been faithfully believing the Father for - according to His most holy purpose - will happen soon enough! The simple fact is we must be found faithful in this matter of always seeking - and holding fast to - the Father's highest will and purpose for our lives and ministries - on EVERY front. It will surely be worth every step taken in faith and obedience - regardless of how the "flesh" feels about it.

## **EVERY HANDMAIDEN AND BONDSERVANT HAS TWO CLEAR "FOCUSES" TO PURSUE**

In these days we are beginning to get a clear glimpse into the Father's heart towards His children and it is certain that His Person is about to be revealed - to a degree never before seen or experienced - in the midst of all those who truly love Him. These things will soon become very evident to every faithful and trusting heart. In these days EVERY handmaiden and bondservant has two clear "focuses" to pursue. First, they need to begin seeking the Father for a deeper revelation of their own personal calling and the office or ministry they are called to walk in. Secondly, they must set themselves in His presence (in the "inner chamber") in order to prepare for all those things which are about to overtake them (Kingdom

blessings - financial and otherwise) and also receive the instructions that will bring them into the perfect "spiritual environment" that will be necessary for them to enter into the fulness of ministry.

### **A CALL TO TRUE REPENTANCE**

It is time for every child of God to make any necessary adjustment - in and by the Holy Spirit - and "repent" of anything that would only serve to keep them apart from (and out of) the perfect will of the Father for their life and ministry. The word "penthouse" (which literally means "highest place" - like in an apartment building) comes from the same root. So instead of "repent" meaning "you had better change OR ELSE!" - it simply means do those things which are necessary for you to get back to that "high(est) place in fellowship with the Father - the place that is "above" all of the darkness and confusion of this present "world system" and the forces of evil that "rule" in that darkened and perverse place. It is in this place of the "inner chamber" that He shall be enabled to supernaturally reunite you with His heart and also "restore" all of the years that Satan has stolen from you concerning what you would consider true service to Him.

### **ABIDING IN THE PLACE OF RIGHTEOUSNESS**

It is important for every last child of God to both know and realize FULLY that the Father has a perfect "timetable" already set in place and that each of us must be continually seeking to be found in the right place at the right time - doing the right(eous) things in and by the Holy Spirit. As one abides in this place of love and righteousness they will most certainly avoid any "unnecessary" hindrances to the fulness of the Father's will manifesting in their life and ministry. Abiding in this place of intimate fellowship with the Father and His Word will surely produce a new found "passion" and "intensity" - a passion and intensity that still needs to continually be translated into the perfect corresponding words and actions in one's "day to day routine" concerning the fulness of vision that the Father has for them.

### **"UNRELIABLE STREAM?"**

"Why is my pain perpetual and my wound incurable, which refuses to be healed? Will You surely be to me like an unreliable stream, as water that fail?"

And the next verse:

"If you return, then I will bring you back, you shall stand before me, if you take out the precious from the vile, you shall be as my mouth".

Jeremiah 15:18-19

Again the key here is the thought that the Father has been an "unreliable stream". The second key is "If you return". This "If you return" speaks of a "full" return in one's heart and in their thinking to their Heavenly Father and getting the eyes of their heart off of any past "relationship" with "flesh and blood".

The Father gave me a vision and in it I saw a large fountain. At the very top there was a "never-ending" flow of water gushing out and as it flowed forth unhindered it filled the first layer of the fountain (this represents those closest to us) and that layer then overflowed as the water cascaded over every remaining layer. The "remaining layers" represent all those who have and who will cross our path. The whole key to this vision is that as we maintain a close and intimate fellowship with the Father in the "inner chamber" then - and only then - will our priorities be straight and then - and only then will we truly love God, truly love our spouse and children and truly fulfil the command to "love one another" - regardless of where we are called to walk in our remaining time in this dispensation.

### **IT IS ONLY FROM THE PLACE OF ABIDING IN THE FATHER'S PRESENCE THAT WE ARE ABLE TO HEAR - AND KEEP ON HEARING**

It is becoming increasingly clear throughout the Body of Christ that the call for each and every one of God's children is to "truly" draw near to the Father and His Word, for it is only from this place of abiding in His presence that we are able to hear - and keep on hearing - the still, small voice of the Holy Spirit. Our "ability" to do this will become increasingly more important in the days just ahead. Now is the time for perfect preparation - WHATEVER that may mean to each believer. The time that we are about to enter into is unprecedented in the history of both mankind and the church. We have seen the types and shadows of certain things, but now we shall see the greatest outpouring of the Father's love and power that this earth has ever seen. I would exhort EVERY child of God to lay down

EVERY "preconceived notion" that they may have concerning their past and their future and allow the Father to reveal to your heart the glorious calling He has placed upon your life. You will not be disappointed in any way! None of us can even begin to properly comprehend what the fulness of the Father's will is for our lives, but things will become evident quickly as His Glory increases rapidly in the days to come. Now is the time to GET READY and STAY READY! and then just simply watch - and allow - the Holy Spirit to unfold the Father's perfect path before you, as you continually acknowledge Him in ALL of your ways. What is about to take place, as the true kingdom principles of ministry are revealed, far transcends all of the previous "movements" and the "activities" therein. The place that the Father is bringing His faithful and obedient ones to is the place of an absolute faith working through a perfect (absolute) love. Anything less than this will in NO WAY bear fruit for the Kingdom. It is time for every one of us to "grow up" and receive the "fulness" of our inheritance in Christ. This is the very beginning point of ALL "true" ministry!

**THERE IS A NECESSARY "ACCLIMATIZATION" THAT MUST TAKE PLACE IN THE LIVES OF ALL THOSE WHO TRULY DESIRE TO FULFIL THEIR DESTINY IN CHRIST**

It must be clearly understood by every child of God desiring to fulfil their destiny in Christ that in these days there is a necessary "acclimatization" in the "inner chamber" (and in the true "corporate" environments) that must take place for one to be perfectly enabled and empowered to receive, dwell in, and handle accurately, those glorious things which are about to "overtake" the true servants of God. Failure to obey the desires of the Father's heart concerning fellowship with Him on an individual level will preclude that "negligent" one from partaking of their Kingdom position - and thus they will fall far short of the Glory that is about to be released in the midst of all those who are truly seeking first the Kingdom of God - and His righteousness.

**A SERIES OF SUPERNATURAL "CHAIN REACTIONS" SHALL BEGIN TO TAKE PLACE**

In this last hour - as the children of God enter into close and intimate fellowship with the Father and His Word in the "inner chamber" - a series of supernatural "chain reactions" shall begin to take place throughout the Body of

Christ, due to their continued acknowledgement of God in ALL of their ways.

### **1. TRUE SPIRITUAL ENVIRONMENTS WILL BE ESTABLISHED - BOTH INDIVIDUALLY AND CORPORATELY:**

- These "true" spiritual environments will be places wherein one is found "far above" both the wiles and the destructive attacks of the Evil One. The establishment of EVERY true spiritual environment - both individually and corporately - begins with obedience in one's individual walk. This allows the Father to establish His perfect positioning for that obedient one - day in and day out (again, both individually and corporately).
- These "true" spiritual environments will be places both ordered and sustained by "revelation knowledge" - without exception.
- These "true" spiritual environments (from the cities of refuge to the glorious marriages and families that will be established to the schools of the Holy Spirit) will be places that shall be found to be "impenetrable" in any way in the days ahead, by any "force" which has its origin apart from God's Word and the Holy Spirit - both individually and corporately!

One of the firstfruits of one's obedience in entering into the "inner chamber" will be:

### **2. THE FATHER IS GOING TO REVEAL THE DEPTHS OF HIS CHARACTER AND FATHERHOOD TO A CONTINUALLY GREATER DEGREE**

and this will produce:

### **3. THE REMOVAL OF THE "INFERIORITY COMPLEX" AND "SIN-CONSCIOUSNESS" THAT MANY OF GOD'S CHILDREN HAVE CONTINUED TO HOLD TO - UP UNTIL THIS TIME**

"Sin-consciousness" - a greater consciousness or awareness through fear of what one has been redeemed from, rather than what they have been redeemed into (Christ - the Anointed One and His Anointing) through an "abiding" faith.

and this will produce:

**4. A PERFECT TRUST IN THE FATHER AND HIS WORD - RELEASING A POWERFUL AND HEAVY ANOINTING OF TOTAL AND ABSOLUTE "CONSECRATION IN ONE'S LIFE"**

and this will produce:

**5. A SUPERABUNDANT RELEASE OF THE SPIRIT OF WISDOM AND REVELATION IN THE INNER MAN**

and this will produce

**6. GLORIOUS (DIVINE) CONNECTIONS**

and this will produce

**7. THE CORPORATE MANIFESTATION OF THE GLORIOUS CHURCH THROUGHOUT THE EARTH - A CHURCH WITHOUT SPOT OR WRINKLE**

and this will produce

**8. THE FULFILLMENT OF THE FATHER'S PLAN FOR THE CHURCH IN THIS AGE AND THE REAPING OF THE FINAL HARVEST (WHEREIN VAST MULTITUDES COME INTO TRUE RELATIONSHIP WITH THE LIVING CHRIST AND SATAN AND HIS FORCES ARE DEVASTATED TO AN UNPRECEDENTED DEGREE SINCE CALVARY!)**

**Note:** There are of course many other "chain reactions" that will take place within this framework and they shall be dealt with in more depth in the glorious days ahead.

\*\*\*\*\*

## **Study Outline:**

### **INTIMACY: THE KEY TO THE FULNESS OF TRANSITION**

**intimacy:** characterized by pronounced closeness of friendship or association; deeply personal;

**fulness:** the state or quality of being full;

**transition:** the act or state of passing from one place, condition or action, to another; the time, period or place of such passage;

**Luke 10: 25-28:** The Divine Requirement;

- A heart "wholly given" to God is the key to understanding ALL things.
- Now is the time wherein the Father is revealing the Truth in "His" absoluteness.
- The principles of the Kingdom are very simple, but the understanding of them is predicated upon one having a continually deeper revelation of the absoluteness of God. There is no "partiality in God.
- The Father has been dealing with us in our lives: first of all in our relationship with Him, so that we can be "pure" vessels of His love - first of all to each other and then, as a corporate Body in one accord (true unity) to impact the entire earth.
- We are an "army" that shall march and tread upon all the works of the Enemy!

**1 Thessalonians 5: 1-24:** "pray without ceasing"

- We are going to be a people who walk by "revelation" - without exception!
- "Communicate with God: without ceasing" - what Paul is speaking about here is simply the life of abiding in Christ.

- In the place of "abiding" we shall see things that are "incomprehensible".
- Prayer is simply communication with the Father and His Word: on "His" terms.
- Our lives are to be "totally" ordered by the Holy Spirit: and that is a good thing!
- The key to one "guarding" their heart with "all" diligence (and abiding in the place of walking by "revelation") is the "inner chamber".

### **The Father on the "inner chamber" :**

...."The "inner chamber" is that place wherein one communes with Me in secret and it means shutting out the world and shutting in themselves unto Me! The "inner chamber" is not first and foremost a "time-frame". It is first and foremost a proper "heart-position" before Me as each new day begins. As one "abides" in the proper heart-position then they shall surely be doing perfectly all that I require of them concerning the "inner chamber". Therefore, let each one of My children walk in the manner in which "I" have assigned them concerning the "inner chamber"!....

- Our God is a God of "order" and when one begins to affix themselves to His ordering - alone - they shall begin to see amazing results in their life and ministry.
- The "inner chamber" is the place of empowerment and it is the key to the "fulness" of transition into "Kingdom-living".
- The onus is upon the children of God to seek the Father in order to find out what "He" would have them do concerning the "inner chamber".
- If we have proper fellowship with the Father and His Word, THEN the rest of our "relationships" shall be ruled by the love of God - even if there is persecution from those close to us.
- The power of God is the love of God, and the love of God is the power of God.
- You will never know where God is taking you unless you have your eyes

"fixed" on Him. Those who do not fellowship with the Father and His Word in the "inner chamber", and thus continually keep their eyes on Jesus in this last hour will be swayed and moved off of the course of the Father's will and plan for the Church (and their perfect part in it) - without exception!

**Matthew 7: 13-29:** the narrow way;

- The Scriptures are now beginning to "explode" off of the page for all those who truly love God, and entering into the depths of their being: empowering them to walk on the "narrow" path of perfect obedience.
- The Father is calling His children out of the "world" and into the secret place of His presence. It is only from this position that one shall overcome in all things in this last of the last hour.
- God is "simplifying" things for us. Our job is to be ready and to enter into the place of rest (Isaiah 58) - "knowing" that He is faithful.
- The Father's deepest heart-desire is for you to come to the place wherein you "trust" Him wholly. The Devil's scheme from the time of one's birth is to cause them to come into a "mistrust" of God - thus keeping them from entering into the place of intimate fellowship in the "inner chamber".

**Matthew 5:8:** "Blessed are the pure in heart for they shall see God"

- One MUST be rooted and grounded in love (Ephesians 3: 14-19) in order that they might be enabled to comprehend the fulness of the Father's plan for the Church - and His Kingdom.
- It is only the "pure in heart" that will enter into the "inner chamber".
- The Father has a "fool proof" plan for the Glorious Church. If one does not love God with their whole heart then they are going to "miss it".
- Our God is a God of perfect purpose!

**Luke 16: 10:** "He who is faithful in a very little thing"

- The "true riches" are the "revelations" that we have of our God.

### **1 Corinthians 3: 1-20: "each man's work will become evident"**

- We are all equal in the sight of the Father! When one spends the proper time in the "inner chamber" they will come to see themselves through "His" eyes and they will be set free from the fear of what others think and seeking after the approval (praises) of men. Thus, they will be able to focus very clearly on God's calling on their life.
- We are an "army" about to move with precision and it is an excellent thing to behold!
- ALL true ministry begins from the place of "knowing" the Father and His Word.
- In this time of the final conflict between the "kingdoms" we need to be sensitive in our hearts in order that we might both see and hear the deepest thoughts and intentions of the Father's heart.
- If one has (maintains) a fear of what others think then it shall influence (taint) the words that they speak and the actions they carry out.
- Many religious strongholds shall now be torn down simply because believers are beginning to walk in love - at ALL cost to themselves.
- In this hour, self-justification shall be one of the great "revealers" of the true state of one's heart. Beware those who attempt to justify their words and actions in a spirit of self-justification!
- There is an anointing that pours forth when one makes the quality decision to walk in love - at all cost to themselves.
- A self-exaltive spirit or critical spirit - IN ANY FORM - is a most dangerous thing!

- "Stumbling blocks" are those who set their hearts on the interests of men, rather than the interests of God.

**Isaiah 23: 17-18:** "for those who dwell in the presence of the Lord"

- Dwelling and abiding in the presence of the Lord begins and ends in the "inner chamber".

- Dwelling (abiding) in the presence of the Lord is the key to receiving the fulness of all that the Father has for us in Christ. It is the key to absolute empowerment in ALL things!

- Never put yourself in a position wherein you are partaking of things (the world, books and ministry that operate under a self-exaltive spirit etc;) that will cause your heart to become hardened - and thus insensitive to the voice of the Holy Spirit.

- If you are faithful in this last hour to receive what God is imparting to you, He will "explode" a deep revelation of that very thing in your heart.
