

CHAPTER 7

SPIRITUAL ENVIRONMENTS

....“In Your lovingkindness You have led the people whom You have redeemed; In Your strength You have guided them to Your holy habitation”....

Exodus 15:13

PERFECT ENVIRONMENT AND EMPOWERMENT

The Father has shown me that every last bit of "resistance" to the flow of the Holy Spirit in the midst of the congregations of the righteous (those ones whose hearts are wholly given to the will of God) shall be completely purged and because of this there are many, many enjoyable times ahead for all those who truly love God. It will be from "enjoyment to enjoyment" and revelation to revelation and glory to glory in the presence of our loving Father. It is written, "in the presence of the Lord is the fulness of joy" and we are about to enter into this in a very special and all-consuming way. It shall be from this abiding place of perfect "environment" and empowerment that the true (Glorious) Church shall be established throughout the earth and the love of the Father shall flow forth in ever greater torrents to set free and deliver gloriously EVERY LAST ONE who shall call upon the name of Jesus.

THE IMPORTANCE OF THE PROPER "SPIRITUAL ENVIRONMENTS"

Up until this time there have been many "seemingly" strange and diverse ways that the Father has "positioned" His children (those whose hearts are wholly given) in order to prepare them for entrance into the fulness of the ministry that they are being prepared for. Each and every experience and testing is but a "glimpse" into the fulness of the Father's plan for our lives. Each and every trial and tribulation is but perfect preparation to enable us to abide in the place of true authority and power in Christ. In this time Satan is doing everything that he IS ABLE TO (allowed to) in order to confuse - and thus hinder - the Father's plan to bring all those that He has called together ("glorious connections") into the perfect "spiritual environments" that He has ordained from before the foundations of the earth. There are many who have a certain vision/dream that they have held fast to

for many years. The Father has dealt with them through many “cave-like” experiences, and through much persecution, trial and testing. He has brought them to the place wherein they have come to know Him intimately - a place wherein they have "begun" to understand His ways. I say "begun" because it is certain that we shall spend all of Eternity glorying in the very presence of His most awesome wisdom and the tender and affectionate love that He has for each one of us.

SELF-MOTIVATED INDIVIDUALISM

In this hour it is the will of the Father for His people to begin to function as a true body. It is His earnest desire that we depart from the place of "self-motivated individualism" and enter FULLY into the flow of the Holy Spirit. It is only from this place of abiding love that we, as the Body of Christ, shall enter into the one accord and the true unity of the faith - WITHOUT EXCEPTION. The aforementioned "individualism" does not only apply to just an individual person, but also "entire ministries" and congregations. With these things in view it is most important that EVERY child of God - who truly desires to fulfil all that which they were created for - set themselves apart unto the Father and His Word in a spirit of perfect consecration. As they do THEN whatever "final instructions" they need to receive to get them to the proper physical positioning and with the proper delegated authorities (and any other "members" of the Body) they are specifically called to be with. One of the key elements of our calling and ministry is to establish other ministries - spiritually as well as financially. These places of refuge or "spiritual environments" throughout the Body of Christ will be necessary for all of us to fulfil the mandate we have been given in this last hour: first to lead the children of God into the fulness of their inheritance in Christ and secondly, gather the full harvest before we leave here.

THESE PAST FEW MONTHS HAVE BEEN BUT AN EXTENDED PERIOD OF GREAT GRACE AND MERCY

These past few months have been very interesting. It seems the Devil is still intent on "somehow" hindering any of those who are called to this "last wave" entering into not only their proper "physical positioning" but also their proper spiritual positioning - in Christ. I have watched Satan and his forces over a period of many years attempt to snuff out or at the very least "side-track" the lives and ministries that the Father is seeking to establish for "such a time as this". He has

left no stone unturned in his terror and fear and confusion to stop this steady and methodical onslaught against the "spirit of death" that has been ordained from the Throne Room from before even the foundations of the earth. The end result of this "onslaught" will be the "driving out" with a holy violence of every last ground and trace of the "religious spirits" - particularly controlling spirits and the self-exaltive spirits that fuel them - found in the midst of the congregations of the righteous (those who truly love and desire the fulness of the Father's will). These past few months have been but an extended period of great grace and mercy towards all those who have even a "seed" of a desire for repentance and the holy desire to take their "proper position" - in Christ. Now, in these days, the heaviness of the Glory is beginning to descend (be poured forth) upon the church and this will immediately cause much, much turmoil and upheaval on one hand, but on the other hand it shall cause ALL of God's faithful ones to enter into the fulness of their authority and position and prosperity in the midst of His people. This escalation in the outpouring of the Glory of God shall produce an abiding holiness and love that shall not only truly cause one to begin to overcome in ALL things but also cleanse the Church (remnant) of ALL defilement of flesh and spirit - in a BIG way!

TRUE "SPIRITUAL ENVIRONMENTS"

It will be very interesting to see what Father has in store in these days for His faithful and obedient children as far as the establishing of true "spiritual environments" goes. These "environments" shall include - and affect - families, ministries, the matter of what God-ordained delegated authorities to be positioned with and in what city or physical location they are to make their abode in. It is of the utmost importance for every child of God to continually put themselves in the place (spiritually) wherein they are able to hear and discern (detect) even the slightest "whisperings" of the still, small voice of the Holy Spirit. In this hour it is certain that EVERY "preconceived notion and mental ascension" to the will of God for their lives and ministries shall SURELY put them on a path "fraught" with danger and darkness. The hour is very late and so the call is going forth to every last child of God to enter into the place (environment) of a close and intimate fellowship with the Father and His Word. It is only in this place of abiding fellowship (the "inner chamber") that we shall be perfectly prepared to overcome ALL that lays before us in each of our individual paths from now until the time we leave here. Again, it is a matter of great importance that ALL those who are truly

serious about fulfilling the fulness of the Father's will for them in Christ - place themselves in the proper position (both spiritually and physically) and be with those delegated authorities that God has ordained. There is NOTHING to fear for those whose hearts are wholly given to God.

CITIES OF REFUGE

There shall be clearly seen "cities of refuge" (glorious cities) for all those who are truly serious about fulfilling their destiny in Christ. They shall be places of "insulation" against the deep darkness in the "world" (Remember Goshen) and they shall be "shining beacons" and the Holy Spirit shall literally flow through their streets. Glory to God!

THE ESTABLISHMENT OF THE "NECESSARY "GOSHENS"

Every heart that truly loves God longs for the fulness of the Father's will to be manifested in the lives of all those with whom they have to do and they must continually be found ready at all cost to themselves for many will soon be found in positions where they will be in need of great deliverance - whether it be spirit, soul, body or financially. Because of these things I perceive to a greater degree with each passing day the importance of the establishment of the necessary "Goshens". The Father is about to move in an unprecedented way concerning the release of the necessary finances (to His faithful and obedient ones) to fulfil perfectly His glorious plan throughout the earth for the establishment of the "safe havens" or "spiritual environments". These will be necessary as the "conflict of the ages" escalates to an intensity that will ultimately result in a worldwide harvest of unimaginable proportions and a devastation of Satan and his forces that will crush even many of His greatest strongholds. Let us be found guarding our hearts with all diligence that we might be found abiding in a perfect co-operation with the Holy Spirit - thus fulfilling our perfect part in the overall plan of the Father.

THE "CITIES OF REFUGE" MUST SOON BE ESTABLISHED

The "acceleration" and the "escalation" that is taking place in these days continually assures each and every one of us here that we are on the "fast track" to the FULNESS of the Father's plan concerning our part in the establishing of the "cities of refuge". These "cities of refuge" MUST soon be established in order for

the "full impartation" of the "Throne Room" revelation - which the Father desires to impart to the "entire" Body of Christ in this most critical and glorious hour - to be fully and perfectly imparted. The "environment" that the Father is seeking to establish is an environment that truly promotes the greatest spiritual growth in each willing individual - day in and day out. This "spiritual environment" - and the anointing being continually imparted therein - leads the willing one into the place of abiding in "revelation" in the inner man (the "rooting and grounding in love" without which one can not enter into the "Kingdom-rest" that the Father so desires for each and every one of His precious children to live and abide in). In this place of "divine light" NOTHING "good" [the exceeding abundantly beyond" blessings of the Father] or bad [every last attempt by Satan to remove the child of God from the "love-walk")] can "overwhelm" one - and if one cannot be overwhelmed by the "outward circumstances" THEN they can in no way be "overcome" by Satan and his forces - and all of those people and "things" they choose to use to carry out their evil and destructive purposes towards the children of God. The anointing that shall be imparted from the various "cities of refuge" will continually be imparted to the Body of Christ throughout the earth - and it shall continually "elevate" all those who desire the "fulness" of the Father's plan for their life and ministry.

THE GLORIOUS CHURCH IS ABOUT TO ENTER ONTO THE SCENE AND THE CONFLICT OF THE KINGDOMS AND OF THE AGES SHALL IMMEDIATELY COME INTO FULL-SCALE CONFRONTATION!

As mentioned earlier, the Father is moving very powerfully and quickly concerning His plan for the establishment of the "cities of refuge". Everything that those who have been "abiding" in the place of holy intercession have ever prayed for throughout the years concerning the establishment of the Glorious Church - and for the raising up of godly leadership in it - is coming to pass not only in Kremmling, but also in "certain other locations" scattered throughout the earth. We are now entering into the "fulness of time" concerning the Father's plan for His Glorious Church - so fasten your spiritual seat-belt, the "launch" is about to take place - and when God "launches" something - IT IS NO SMALL THING! Anybody who is close to the Father and in that place of abiding KNOWS beyond a shadow of a doubt that the "real deal" is on! and that very shortly - even now it is beginning - the Glorious - and I do mean Glorious - Church is about to enter onto the scene and the conflict of the Kingdoms and of the ages shall immediately come into full-scale confrontation - with no stone

unturned!

THE PERFECT UNFOLDING OF THE FATHER'S ORDER ON ALL FRONTS

We must continually seek to keep ourselves in a position of calm and quiet (free of distraction) in order to hear clearly whatever the Father would say in this time. There are so many things happening - and about to happen - including the "release" of the apostles into the fulness of that office. I am intent on the perfect unfolding of the Father's order on all fronts. There are so many things potentially coming together at this time that it would be very difficult for me - if not impossible - to even attempt to say what specifically will happen next. I do know this: we, in the Body of Christ, have been believing for many, many things over the years and the answers to all the prayers seem to be "funneled" into this short period of time we have remaining (compared to the amount of years we have been serving the Lord). This means - at the very least - that the coming days and weeks shall be a time of great, great intensity with the Church and the ministries therein) going non-stop "supernaturally" until we are caught up out of here. Because of the establishment of "true spiritual environments" there is a constant and eager anticipation in the hearts that are wholly given that further "revelation" concerning any given part of the Father's plan could come at any moment - these revelations having the potential to turn around even the most seemingly impossible "looking" circumstances and situations. This is truly the time of the miraculous!

THE TIME HAS COME FOR THE "FIRE" OF GOD TO BE Poured FORTH

Simply stated:

It is the time wherein the Church shall no longer be a vessel which "worships" God from afar, but rather a pure and glorious vessel that has Him abiding in their midst! O, how we must be ready in all areas - refusing to limit the Father and His Word in our thinking. The time has come for the "fire" of God to be poured forth through His holy vessels and this event itself shall have a cataclysmic effect upon not only the children of God - but also upon all flesh!

DEFINING "ENVIRONMENTS"

The Father is impressing on my heart in these days that the time is very soon for many things to come forth (much sooner than one "might" expect), so I am simply concentrating on believing for His miraculous power to intervene where needed - in His perfect order. It is very difficult for me to see anything apart from the "environments" that the Father desires to establish in all aspects of both personal and "church life". Wherever even two are gathered together constitutes an "environment" and it is the Father's will - in this most critical and glorious hour - to bring each and every one of His children into that environment - "ordained" (ordered) by Him - that will promote a continuous and perfect spiritual growth. In this last hour there shall be seen to be only two types of "environments" - one which promotes true and absolute spiritual growth and one which detracts from it. The Father is about to remove all "stumbling blocks" and hindrances from the lives of all those whose hearts are wholly given to His highest purpose and plan. In many cases the time of intercession is over and the judgements of God are about to come forth in an "all-consuming" way. The "spiritual climate" is once again about to change and "final positioning" for many key things are in the last stages of completion. This is truly the time of the "final call" for all those who would take their "true place" in the Church and in the Kingdom.

THE DEGREE OF RELEASE OF "REVELATION" IS ALWAYS DEPENDENT UPON THE STATE OF HEART OF GOD'S PEOPLE

There is much revelation "stored up" in the hearts of the true apostles, but the degree of release will ALWAYS be dependent upon the state of heart in the people of God - in any given moment. The Father is going to create certain "spiritual environments" in the Body of Christ throughout the earth in which much "kingdom revelation" will be released and this will literally begin to "catapult" (elevate suddenly) those who are faithful to the "fulness" of His plan into a place of power, authority and anointing which will literally begin to turn both the church and the world "upside down". In the past year He has been teaching me much concerning "environmental dynamics" - spiritually speaking. I have come to a deep realization the importance of "allowing" the Holy Spirit to create the perfect "spiritual environment" at ALL times. This simply allows God to "be" God in our midst - and when that happens everything that the Father desires to accomplish - in and through His people - gets accomplished on EVERY front.

SPIRITUAL ENVIRONMENTS - GLORIOUS CONNECTIONS - "TRUE" ACCOUNTABILITY

As I was out walking and praying a while back the Holy Spirit dropped in my spirit an outline of what the Father desires to speak to His handmaidens and bondservants about. Basically it concerns the connection between "spiritual environments", "glorious connections", "true" accountability, and it also involves the truth and spiritual principles found in the story of Korah's rebellion (Numbers 16-20). The importance of this last area is that as the revelation of the Father's will for His people begins to come forth from the Throne Room through the true apostles and prophets "many" IN THE CHURCH (those who still hold to any form of self-agenda) will suddenly become greatly offended at the precious and necessary wisdom of God being released. This will cause "certain" children of God (there will be some shocking surprises in this area) to begin to slander and accuse those sent by God - but this will not last long because the judgement of the Father will be absolute on those rebellious and self-exaltive ones and they shall become a "sign and wonder" from God Himself not to interfere with His holy plan! The overall impression that I received from the Holy Spirit was that there must be a strong warning and exhortation delivered to every handmaiden and bondservant to beware the potential attacks that they face as they step out in obedience in the coming days to minister the revelation that they have received in the "inner chamber". One would think at this late date that "most" would be seeking the revealed Word of God with ALL of their heart, but such is not the case!

THIS "TIME FRAME" WE HAVE ENTERED INTO "IS" THE "FULNESS OF TIME" AND IT "IS" THE BEGINNING OF THE "THIRD DAY"

As I have mentioned frequently before, I am no longer able to think of "anything" or "anyone" apart from "spiritual environments" - and the perfect establishing of them in the lives of all those with whom I have to do. One thing has become abundantly clear to my heart: This "time frame" we have entered into IS the "fulness of time" concerning the Father's plan for the establishment of the "Glorious Church" - and it IS the beginning of the Third Day - and ALL that that includes. Of course, this previous statement means more to those in the Church who are in tune with the Holy Spirit, but it will not be long before (it is already happening in some places) the Glorious Church begins to "wake up" those in the

"sleeping church" and also begins to impact both Israel - and the rest of the nations to a very great degree. From a personal standpoint: I know that if I had not been going through the process of continual adjustment and "acclimatization" that I have been going through - particularly these past few years - I would now be "completely" overwhelmed by the events that are taking place in the "environment" that the Father has so "gloriously" placed me in - in these days.

A WORD TO ALL THOSE WHO ARE "DISCOURAGED" BY THEIR "PRESENT POSITIONING"

Do not think that you are EVER "locked" into anything ("work" or what you may deem an "improper" environment) when it is the Father who has the key to the perfect fulfillment of your life and ministry (destiny in Christ). This is most certainly a time when the Father is establishing His faithful and obedient children in the perfect spiritual environments and as long as one's heart remains "wholly given" to His highest purpose THEN He cannot fail to bring them into the very place - and with the very people - they need to be with - in "His" perfect timing. It is very, very important for every last child of God to be found acknowledging Him in "every last detail" of their lives - regardless of where they are - "positionally speaking" - at the present time. It is also important for one to understand that the "tough" or "seemingly" wrong "environment" that they find themselves in is just simply "perfect preparation" for the glorious tasks that the Father has prepared for them - between now and the end of the Church age - and so, in reality, it IS the "perfect spiritual environment" for this time.

PERFECT TRUST

When one is truly "abiding" in that place of perfect trust THEN - regardless of how horrendous one's circumstances might be or "seem" - the peace that passes ALL understanding becomes the "overriding" factor in that one "overcoming". It is this "peace that (sur)passes ALL understanding (especially our "own"!)" that is the perfect catalyst to keep us in that place of the true and full acknowledgement of the Father and His Word. As these ones are found faithful they shall soon be released into the fulness of the Kingdom-work to which they are called - having been "fully trained" in the "hard and dry places". One might "think" that IF they were in what "they" considered the "perfect" spiritual environment that they would THEN surely acknowledge God in ALL of their ways - BUT SUCH IS NOT THE

CASE! If one "refuses" (declines) to acknowledge the Father in ALL of their ways in the "hard place" THEN they shall surely refuse to acknowledge Him anywhere else - and, in fact - because of that one's steadfast adherence to "hold part back" from God through a subtle - but dangerous - root of pride (rebellion) - they will not even be able to discern what the "fulness" of the Father's will is concerning their "true positioning" in the Church and the Kingdom. Rejoice in the fact that you are being perfectly prepared for ALL that which is now beginning to overtake His faithful and obedient ones - for the things which are now, shall soon be no more! Simply be obedient in the circumstances you are now in - regardless of what they are - and "suddenly" the Father will establish you in the perfect place He has for you to fulfil all that He has called you to - and again, in "His" perfect timing.

ENTERING INTO THE PROPER "SPIRITUAL ENVIRONMENT"

First of all it is very, very important for every child of God to do what it takes - even in a small way - to get yourself to a place of a more constant "quiet" in these days. It may mean turning off the television for awhile. It may mean going out for short walks - believe me walking was what really helped me "survive" Satan's constant attacks in the time I truly made the decision to serve God. Being a little more active "physically" (as well as spiritually) helps a great deal in this matter of bringing our thought-life under control (bringing EVERY thought captive to the revelation that the Holy Spirit has revealed to our heart)! We can literally be what one could term a "sitting duck" for the Evil One's attacks when we "allow" ourselves to be enshrouded by a cloud of depression - a cloud of depression and lethargy that will surely come if we do not continually seek the proper "spiritual environment" that the Father has for us each day (whatever that might mean to each individual child of God). What is very important for EVERY child of God, in this most critical hour, is to gain a deep and abiding revelation of just how much the Father loves you and, secondly, that He has a MOST GLORIOUS plan for your life in our remaining time in this dispensation. I would like to be able to put into words just how glorious the coming days shall be for all those whose hearts are "wholly given" to the Father and His Word. Just the fact that the Devil is going to such great lengths to confuse many of you and keep you under a form of condemnation proves that God SURELY has some very special things planned for you.

POSITIONING IN THE PROPER SPIRITUAL ENVIRONMENT

In these days I see "positioning in the proper spiritual environment" to be the first and foremost thing on the Father's heart concerning His faithful and obedient ones. For many this will mean great upheaval (both emotionally and locationally), for others it will be a simple and smooth transition because of the faith and patience (constant love and righteousness) they have shown in seeking first the Kingdom at all cost to themselves - through many years and many trials (Isaiah 26:7a). As these "true" spiritual environments grow in "numbers" (both individual locations and the number of people within and the "fusing" together by the Holy Spirit of "certain" glorious fellowships and "cities of refuge" throughout the earth) the "one accord" (true unity in Christ) in their midst shall cause the "unadulterated" (unhindered and untainted) power (life, light, love, truth, knowledge and wisdom) of God to "multiply" to such a degree that it will literally "explode" (begin to be poured forth in "torrents") out into the earth (Isaiah 11:9)! It is precisely for this reason that we must steadfastly set ourselves to be a people who "abide" in the Spirit of wisdom and revelation - for it is only in this way that we shall be able to even begin to comprehend both the magnificence and magnitude of the Father's plan for both the establishment and "outworking" of the Glorious Church - and our part in it.

THESE "ENVIRONMENTS" OR "SPIRITUAL ATMOSPHERES".... SHALL BE FOUND TO BE "NECESSARY"

In the ultimate environment that He has for each one of His faithful children there will be no "busy-ness" - only rest; no stress - only peace; and no "contention" - only love". These "environments" or "spiritual atmospheres" that the Father shall create as His children continually "acknowledge" Him in ALL of their ways shall be found to be necessary in order for them to fulfil every last bit of His wondrous plan for their lives and ministries.

NO MORE SEPARATION!

There is coming a time - even now - when the faithful and obedient children of God will not have to "look back" on the past times of separation (for there is NO "separation" in the Kingdom of God) that many of them experienced as they were being perfectly prepared by the Father for the "glorious position" that He has

given to them concerning His Kingdom-work. In the "fulness of time" - as the Glorious Church truly begins to "take legs" - all of these things will become "crystal clear" to every heart that is "wholly given" to the highest purposes of the Father. The one great positive aspect of the "physical separation" that has sometimes been the case in the lives of the handmaidens and bondservants (in some cases many years) is that it has taken some consistent faith on their part to hold fast the vision (revelation) with a view to its perfect fulfillment - and that of course is in no way a bad thing!

THE IMPORTANCE OF GAINING A REVELATION OF THE "CITIES OF REFUGE

Many in the Body of Christ are "beginning" to come into an understanding of the importance of gaining a revelation of the "cities of refuge" which is now being released from the Throne Room to a greater degree with each passing day. This message is reaching - in and by the guidance of the Holy Spirit - vast multitudes of people who have - UP UNTIL NOW - been blinded to the "spiritual realities" that are even now beginning to overtake those whose hearts are wholly given to the Father and His Word. Time is closing in fast on the "ignorant" - and all those who are "uninitiated" through a sustained rebellion - and it is very important that each and every believer take those "final steps" (make any "minor adjustments" that are necessary) towards an absolute consecration - for soon the "window of opportunity" shall close and even though these ones shall not lose their eternal salvation they shall most certainly forfeit the glorious "Kingdom" position and work that the Father has planned for them from before the foundations of the earth!

Let us hear the words of the Father:

GOD IS RAISING UP SPECIFIC "CITIES" (AREAS)

...."I shall raise up many great "cities" to lead the way in this last hour and some of these cities shall not be those cities which one might "think"; for My selections are not based on quantity, but rather the quality of heart; and because of My holy apostles entire cities shall fall under the power of My Spirit. Never before have signs and wonders such as the signs and wonders which shall follow this last wave of the five-fold ministry, been seen in the earth. Many of My children, even

at this late hour, refuse to recognize that My hand is upon My holy apostles and prophets; but truly I say to you, the time has come, and now is, wherein they shall no longer be able in any way to reject My ministry. For indeed all those who truly know Me refuse to take offense and refuse to walk outside of love, and in this I am well-pleased! And because they take no offense at anything which Satan attempts to throw their way, My love is able to flow forth from them unhindered to bless My people and to represent me in the way which I desire to be represented; and those whose hearts have been abused and broken shall surely be restored unto Me"....

"PROPER POSITIONING" - A PREREQUISITE TO TRUE UNITY IN THE CHURCH

...."It is now the time of moving all My bondservants and handmaidens into that place where I desire them to be and I shall bring together the prophets and the apostles and I shall establish them in the cities from which they shall operate. All My children must seek Me diligently in prayer in order that they might know the place which I have called them, and that they might know those whom they are to be "associated" with; for this is a matter of great importance and Satan is attempting to lead many away from the place where I desire them to be, for it is certain that I do not have "two" places for My children to be and truly I say to you the time is short! Therefore, let all those who would serve Me, harken to the voice of My Spirit for when all have entered their "proper place", they shall see My Glory descend upon them and they shall go forth and do mighty deeds in My name! This is a time wherein I desire My children to proceed forth in every move and action they take, with great caution; refusing to move in any way big or small, until they have received the revealed knowledge of My will in their heart. In this way they shall "safeguard" against all the deceptions of the Evil One; for truly I say to you, there is not one who, in knowing those wondrous things which shall come to pass in My glorious Church, would desire to be in the "wrong place". For I shall open up the heavens and pour forth blessings which shall thrill the hearts of My beloved ones!"....

WHAT IS ABOUT TO HAPPEN IN THE MIDST OF ALL THOSE WHO TRULY LOVE HIM IS ALMOST INCOMPREHENSIBLE!

No man or devil or the "wisdom" they propagate shall stand in the face of

the anointing that abides within the heart that is wholly given to the purposes of God in this last hour. They will either have to receive and repent or "run away" but this one thing is certain: their situation - in any given case - shall not remain the "same"!

THE WORK THAT THE LORD IS DOING IS GAINING MORE MOMENTUM WITH EACH PASSING DAY. WE ALL MUST STAY READY, FOR WHAT IS ABOUT TO HAPPEN IN THE MIDST OF ALL THOSE WHO TRULY LOVE HIM IS ALMOST INCOMPREHENSIBLE. I KNOW THIS - IT IS "INCOMPREHENSIBLE" TO ANY PREVIOUS "MIND-SETS" HELD TO IN THE CHURCH - SO WE MUST PUT OURSELVES IN THE "PERFECT POSITION" TO RECEIVE FULLY "THE MIND OF CHRIST" IN ORDER THAT WE MIGHT ALLOW THE HOLY SPIRIT TO CONTINUALLY "ELEVATE" US AND CONFORM US TO THE FATHER'S HIGHEST PURPOSE - BOTH FOR OURSELVES AND FOR ALL THOSE HE SETS IN OUR PATH.

"GLORIOUS SCHOOLS" (ENVIRONMENTS)

Thus saith the Lord:

...."When all those who are called to this last wave of My five-fold ministry experience the New Birth and are filled with the Holy Spirit they will surely need "schools" provided for them wherein they shall be "immersed" in My anointed Word"....

It has long been a burden on my heart to see the "fulness" of the Father's will come into "physical" manifestation concerning this vision for end time "glorious schools" (environments of the Holy Spirit) that He gave us over fourteen years ago - schools empowered and controlled "entirely" by the Holy Spirit (the Anointing), for the raising up of true delegated authorities (five-fold ministry) that will lead great multitudes of God's children into the "fulness" of their inheritance in Christ. This will be a "catalyst" for the establishment of the True (Glorious) Local Church. There are many throughout the earth who have been given a similar "vision" by the Lord and we are about to see these "schools" (environments) for the establishment of true ministers begin to spring forth in every nation.

AN EXHORTATION TO "HOLD FAST THE VISION"

The Father desires to exhort and encourage many who have been holding on to this vision for "glorious schools" (environments). Up until this time it has looked "impossible", but let me tell you this:

In this hour whatever has looked "impossible" - up to this time - shall "suddenly" manifest in the lives and ministries of "all" those who have "held fast" to the "revelation" (vision) God has given them. For the Father has declared that it is "full speed ahead" for the establishment of His "spotless and unblemished" Church throughout the earth and these "glorious schools" that He has ordained shall play a key role! The essence of what the five-fold ministry is called to is to lead (through serving) His people into the "fulness" of their inheritance in Christ. As the "schools" are set up its prime objective will be to "lead those who are sent BY THE HOLY SPIRIT: into the fulness of their inheritance in Christ so that they might go forth and lead all those who cross their path into the fulness of their inheritance in Christ". The Father, in His perfect timing, will provide the needed land and buildings and people who will bring this work to completion.

VISION FOR THE "SCHOOLS" (ENVIRONMENTS) OF THE HOLY SPIRIT

In the vision the Father gave me for these "schools" (environments) I saw a beautiful "country setting" with buildings capable of accommodating both small and large numbers of saints. Although I have much more detail on the Lord's plan I will share with you His basic purpose for the "schools". They shall be places where "certain" members of the Body of Christ (those called by God to the "final wave" of the five-fold ministry) are led to come and partake of the Word of God being ministered by anointed handmaidens and bondservants of the Lord - for the most part apostles and prophets. The fellowship in the corporate anointing and the anointed ministry of God's Word will go forth almost twenty four hours a day in some cases - whatever it takes to prepare these precious saints to enter into the "perfect offensive" against Satan and his forces that the Father has planned with a particular view to his devastation in this last of the last hour. Some will come and stay for very brief periods of time particularly certain pastors already out in ministry who must return to their flock and some will stay for much longer periods of time in order to be perfectly prepared for their entrance into the "fulness" of

what God has called them to (apostles, prophets, evangelists, teachers, pastors) - ALL of these things being ordered perfectly by the Holy Spirit.

GOD IS RAISING UP A PEOPLE WHOSE DEEPEST HEART DESIRE IS TO "HUNGER AND THIRST AFTER RIGHTEOUSNESS"

I believe that the "coming forth" of the people who are called to be with all those who are called to be forerunners in the establishment of these true "spiritual environments" is now taking place and they are coming forth with a "revelation" from God "burning brightly" in their hearts. The various lands, and any necessary finances to establish these precious ministries who are being gathered by the Holy Spirit - is "imminent" (on all fronts) and it is something that I eagerly anticipate seeing to its perfect fulfilment in the coming days. For quite some time it looked like there wasn't much need for any type of "school" as it "seemed" that almost everyone was "tied into" the denominational structure one way or another. But now I "know" it is time for the "glorious schools" the Father seeks to establish throughout the earth (for both the final preparation for one's entrance into the fulness of ministry and any continuing preparation that is necessary for them to finish the task) to be set up in His perfect order and positioning.

"EVERYTHING" WILL BE BOTH ORDERED AND CONTROLLED BY THE HOLY SPIRIT"

They will be "schools" (spiritual oases) that will powerfully meet the needs of those called to the five-fold ministry - especially, in the very beginning, the apostles and prophets (and those pastors and teachers and evangelists who already have a burning revelation of God's Plan for the establishment of the True (Glorious) Local Church). The ministries running these "schools" will both receive resources (there will be no tuition fee but "everything" will be both ordered and controlled by the Holy Spirit from top to bottom - beginning to end - including enrolment and length of stay) but in most cases they (the ministries running the "schools") will finance (establish) the very people (ministries) that have come to partake in the anointing God has given them - after having prepared them perfectly to enter out into the "fulness" of God's plan for them.

A "SPIRITUAL OASIS" FOR THE BATTLE-WEARY

These "glorious schools" that the Father is raising up in this hour will not be some type of "resort" - although it will be a "spiritual oasis" for the battle weary. They will be run in strict accordance with the deepest desires of the Father's heart and the Spirit of holiness shall literally consume all that even leans towards departing from the "absoluteness" of His plan for the Glorious Church in this last hour. I have seen much more in my spirit but it is safe to say that these "schools" the Lord is raising up in "key locations" throughout the earth will be "spiritual fortresses" - places where the "world" and Satan will not enter in!

EACH "SCHOOL" (ENVIRONMENT) SHALL HAVE A "SPECIFIC" PURPOSE

The Lord is raising up these "glorious schools" throughout the earth in this hour and there will be many "different groupings" of saints. Each "school" (environment) shall have a "specific" purpose in preparing God's bondservants and handmaidens in exactly the way they need to be prepared and anointed according to the "perfect ordering" of the Holy Spirit. I just heard of a "school" for those involved in "prophetic praise and intercession". Whatever the case may be the end goal is the same: these "prepared ones" shall go to the exact place the Holy Spirit leads them and edify the specific grouping of saints that need to hear what God has given them to minister.

THE "CORPORATE ANOINTING"

From these things alone one can begin to understand that the "corporate anointing" flowing in these schools shall continually "elevate" God's servants to degrees of the fulness of our stature in Christ that have not heretofore been seen. It is from this most esteemed and glorious position that these mighty men and women shall be sent forth in great power and light to obliterate any and every stronghold in their path. The force of righteousness and love abiding within them shall not only put any evil forces in their path to flight, the anointing shall then flow out upon the captives that had just been released by (ripped away from) the Evil One and his forces - who by this time are fleeing in stark terror - and administer the necessary healing and enlightenment in order for them to immediately turn and enter into the pursuit. These "delivered ones" shall spend the

rest of their days "learning on the run" and their spiritual growth shall be so fast that it will be a "continual" sign and wonder in the midst of all God's children. It truly is a wonderful and glorious thing that the Father has planned for all those who truly love Him - those who continue to seek Him with all of their heart at "all" cost to themselves. These "faithful ones" are about to receive great reward and empowerment and they shall surely finish the race under an "open Heaven"! What a glorious day we live in! We must be found ready at all cost to ourselves!

PERFECT POSITIONING

The Father truly has "everything" under control and now it just falls to each and every one of us to seek Him for the necessary revelation concerning our perfect positioning in the Body in this hour. He told me at the first of the year that He would bring all those who truly love Him - and who desire nothing more or nothing less than to fulfil His will for their lives and ministries - into perfect position in the days ahead. Since that time I have begun to see a mighty move in the midst of God's people - even between those living in different nations at this time. He truly is bringing us together perfectly and we must all come to the realization that it is only from this "perfect position" that we can accomplish the most holy task(s) we have been given.

THE KEY TO THIS "PERFECT POSITION" IS "REVELATION KNOWLEDGE"

The key to this "perfect position" is "revelation knowledge" and the Father has told me that as one truly seeks Him He will not only reveal His perfect will to them He will also "brand" (emblazon) it upon their hearts in such a way that from that moment forth their entire lives will be consumed and motivated by this revelation from the Throne Room. It is never a matter of us "recruiting" labourers! It is a matter of a faithful seeking of the Lord for His most holy will in this time and then we shall "all" move forth from faith to faith and glory to glory with a "revelation" of God's will for our lives and ministries "burning brightly" in our hearts and, in our continued obedience we shall surely see the establishment of the True (Glorious) Local Church throughout the entire earth.

"SPECIFIC WORKS" IN "SPECIFIC LOCALITIES" - FUNNELS OF GOD'S POWER AND BLESSING TO THE BODY OF CHRIST

I truly believe - based upon the ever stronger impressions that the Father is placing on my heart in this hour - that it is His will to use "specific" localities as both a beginning and a "springboard" to a series of "specific works" - not yet "fully" defined - that will reach out and bless (empower) the Body of Christ throughout the entire earth. Where that takes us in these coming days only God knows. We, as His bondservants and handmaidens, must continue to seek Him diligently - moment to moment - "knowing" that He will direct our paths perfectly and make the necessary "glorious connections". One thing is certain and that is that whatever the Father seeks to accomplish through us is very, very important to Him and to His plan to establish the True Local Church throughout the nations. Therefore, let us set ourselves in agreement for the perfect fulfilment - even to the most seemingly minor detail - of His highest purpose for each and every one of us - both individually and corporately.

THERE IS ABOUT TO BE AN EXPLOSION OF REVELATION KNOWLEDGE!

It is very difficult to properly describe the way that I "feel" in my inner man at this moment but I can say this:

There is about to be an explosion of revelation knowledge in power and light that will literally shake the entire earth (including the church). Let us each and every one of us allow the Lord to elevate our thinking in this time that He might empower us to "comprehend the incomprehensible"!

SPECIFIC MOVES OF GOD

The specific "moves of God" that are already under way (as well as "certain" others which are about to be established throughout the earth) are being geared by Him to "revive" and enlighten the hearts of all those in "leadership" (delegated authorities) and set them in His "perfect" course. As they "allow" themselves to be set in their "proper position" before God - in obedience - there shall "then" be a great "release" of wisdom, light and power through these precious bondservants and handmaidens as they go forth to those the Father has given them; and they

shall take what they have "assimilated" from the "holy" apostles and prophets and continually "elevate" all those who cross their path both towards and into the "fulness" of their inheritance in Christ. This will in turn set these "multitudes" in the perfect position and empowerment to enter into the fulness of the ministry and/or office they are called to.

WITH A "BAD FOUNDATION" EVERYTHING THAT FOLLOWS SERVES ONLY TO BRING THAT WORK ONE STEP CLOSER TO "DEMOLITION"

These works ("moves") that are beginning in these "key spots" that the Father will use in this hour - "must" be walked through from "revelation to revelation". This has "always" been the Divine Requirement, but because of past failures to lay it "all" down on the part of many in "delegated authority", Satan was "allowed" to enter into the midst of the congregations and disrupt and hinder and even stop the fulness of God's plan - all because the work had a "bad foundation". With a "bad foundation" everything that follows (every word and action) serves only to bring that work one step closer to "demolition" as the seeds sown to the "flesh" finally reap the corruption and death that is their "fruit". Please pray - and alert all those who are faithful to pray -for these precious works that the Father has ordered in His wisdom. They shall be a "catalyst" to the "next phase" of the outpouring of the Holy Spirit and they shall also be used greatly to bring all those called to the last wave of the five-fold ministry into the "fulness" of the office they are called to. The "first fruits" of this "revival" in the hearts of the "leaders" (servants) shall find its "outworking" in the "sheep" being led into the "fulness" of their precious inheritance in Christ. These various "moves" are imminent. The Father is perfectly lining up all things by His Spirit. It is literally "moment to moment". The "groundwork" is already being laid and the "glorious connections" already being made.

"PROPER POSITION" - THE KEY TO TRUE REVIVAL AND THE CATALYST TO THE NEXT PHASE OF THE OUTPOURING OF THE HOLY SPIRIT

Again, the Father is moving powerfully in this hour to gather His handmaidens and bondservants into their "proper position" - first before Him in perfect fellowship - and then He desires to "establish" them in His chosen

"locality" with His chosen authorities. In January of this year the Father spoke clearly to me that in the first six months He would gather all those whose hearts are wholly given to His highest will and purpose into their proper position. He told me that some of His children would drag their feet to a degree due to a holding on to the "things below" but that they would soon come in a short time later. Those who are in the "perfect position" at the end of this six month period shall "lead" (serve) the next phase of the outpouring of the Holy Spirit. I have touched on some of the characteristics of this most glorious outpouring and I shall continue to expand on the Father's perfect plan as He gives me unction in the coming weeks.

MANY CHILDREN OF GOD ARE NOW BEGINNING TO WAKE UP

As the intercession of the intercessors intensifies and as any "improper positioning" is beginning to manifest in a deep heart-restlessness and bad circumstances (circumstances ordered by "distracting spirits" working off of the ground of "self-desire") many children of God are now beginning to "wake up" and they are now diligently seeking and, in many cases, even "crying out" (not such a bad place to be at all!) to the Throne for the Father to reveal His highest purpose to their heart. As these ones cry out in this manner - willing to do "anything" the Father tells them to do they will find that in most cases it is a simple instruction - perhaps one that had previously been ignored due to a "mental ascension" or preconceived notion to God's plan for their life and ministry. In this spirit of true repentance they shall receive both the necessary empowerment and the necessary "resources" and they shall IMMEDIATELY be established in the "true work" that the Father has already prepared for them.

PROTO-TYPES - FORERUNNERS

In the days ahead the "congregations of the righteous" shall expand very rapidly as the Father first brings together those called to establish the "true working" of the five-fold ministry in "specific" localities throughout the earth. These "prototypes" (forerunners) and the revelation and work that is established in them - day to day - will then, like a laser beam, reach every other locality - each work feeding off the other. The Father has shown me that as the True Revival breaks out in these "localities" each and every one of these glorious works shall have a distinct characteristic - a distinct portion of the divine will and plan for the establishment of the True (Glorious) Local Church and that by the Holy Spirit

there would be a "divinely ordered networking" between those called to leadership. He also showed me that He will begin to physically send "certain" leaders in these various localities - as the True Local Church experiences rapid growth - back and forth throughout the earth as needed in order to impart the necessary revelation. As this process continues on one can clearly see that the entire Body of Christ throughout the earth shall begin to be fed these absolute truths and the end result will be that we shall all attain to the fulness of our inheritance in Christ and then of course the corporate Body (the True Church) will continue to expand daily until such a time as the Glory of the Lord "covers" (blankets) the earth and our task is finished! This is a "fast track" or "bare-bones" description of what the Father has already shown me in my spirit. I do not ("yet") have words to explain the awesomeness and majesty and sheer unadulterated power that shall come forth in our remaining time in the earth.

WE MUST ALL DO WHATEVER IS NECESSARY TO GET READY FOR THIS SOON COMING EXPLOSION OF GOD'S PRESENCE IN OUR MIDST

This one thing is certain concerning all these things: THE "EXPLOSION" IS COMING - READY OR NOT! Let all of God's children come to that special place at the foot of the Throne and begin to abide in the Spirit of wisdom and revelation for it is only from this holy place that "any" true work of God can and will be established.

VISION:

The Father opened my eyes to see a very large "construction sight". On this construction sight I saw many men, women and young people with hard hats on. I could perceive very clearly that these "foremen" overseeing this large project were all ready to go. It was clear that all the workers and heavy machinery would soon arrive and that an "explosion" of activity would immediately take place. What I saw next was an awesome sight. I noticed that the "blueprints" for the project were right inside the hearts of all these leaders instead of in their "hands".

The Father spoke to me and said:

...."The large construction sight is the work that I have scheduled in the "specific" localities which shall reach out to bless the entire Body of Christ in the coming weeks. The "foremen" are all those whose hearts are wholly given to Me and who have placed themselves continually before Me in a deep spirit of humility. In these things I am well-pleased! The "workers" are those that I shall begin to add daily to My beloved handmaidens and bondservants and they shall enter into the "fulness" of the apostolic anointing that I am about to pour out in their midst and thus they shall be perfectly empowered for every good and perfect work which I have prepared for them. The "explosion" of activity will be the result of My perfect release of a "superabundance" of finances and resources ("heavy machinery) and this will initiate a "flurry of giving" in the midst of My people to meet every need and establish each and every one of My faithful ones in the fulness of the ministry (local church) I have called them to. The significance of the "blueprints" found in the heart (spirit) of the individuals as opposed to the "hand" (the "flesh") is that in this final stretch to the "catching away" of My precious Remnant EVERY LAST DETAIL in the building of the True (Glorious) Church shall be the spontaneous by-product of My beloved and obedient ones walking moment by moment (abiding) in "revealed" knowledge. As each individual member of the Body of Christ walks from "revelation" to "revelation" the "corporate structure" shall then come into reality in the earth - EVERY LAST DETAIL built solely on My perfect love and the great and awesome power and light which shall continually flow forth from it"....

"UNBELIEF" AND "CONTROL"

For one to be "separated" from the "midst" of those who are bound by a "spirit of unbelief" and a "controlling spirit" - in the fulness of time and according to the highest purpose of the Father - is most certainly not a wrong request! Unbelief and being under the direct influence of a "controlling spirit" are very "unpleasant" experiences at any time, but it is also important for us to rejoice in our "tribulations" (in other words continue to love at all cost to ourselves regardless of whether that love is returned or not) for it is as we continue to abide in love that not only do we grow into the "fulness" of our stature in Christ, it also puts us into a continually better position to be a vessel of deliverance to all those who cross our path - those in bondage to a "spirit of unbelief" and "control" included.

"IN ALL YOUR GETTING - GET UNDERSTANDING"

Much of our work as "faithful" and obedient Christians in this most critical and glorious hour is to guard our "own" hearts with all diligence "knowing" that every last ounce of faith and love we exercise towards all those with whom we have to do will bear "maximum fruit" both in this age and the age to come. We must keep our eyes "fixed" on Jesus (the Word of God) for this not only serves to empower us perfectly regardless of what we may face, it also gives us an "eternal perspective" of God's highest purpose and this makes the "self-denial" we are called to a joyous and glorious blessing - because of the "understanding" which has been given to us in our close and intimate fellowship with the Father and His Word. It is written, In all your getting, get understanding". It is this "divine understanding" that is to be the foundation for all of our words and activities - as the Church - and as we are faithful to bring every thought captive to the revelation of the Word of God abiding within us we shall surely experience the fulness of the Father's blessing in our lives and ministries. Hold fast concerning every situation you are standing in faith for. The time of the manifestation of the Glorious Church - and the Glorious Marriages and Glorious Families which are so close to the Father's heart - is, even now, upon us. Continue to believe for God's "best" and He shall surely bring all things to pass in His perfect timing.

ONLY AN "ABIDING" FAITHFULNESS AND OBEDIENCE TO THE HEAVENLY VISION WILL SUFFICE IN THIS FINAL HOUR

There is not one word that the Lord has spoken over these specific moves in specific localities that will not come to pass before the end of this dispensation. Everything is "right on schedule". But let it be clearly understood that only an abiding faithfulness and obedience to the vision (revelation) of the Father will suffice. One thing about the Father: He always waits until the "harvest" is fully ready, as it is His will that not one soul should perish. Sometimes this doesn't line up with "our" view (in the natural) but in the end "maximum fruit" in the establishing of the Church and the Kingdom (and all those involved experiencing His greatest eternal benefit) are always the perfect result of our faith and patience and trust in the Father and His Word. For any of us to accomplish the fulness of God's will in this hour it will take a heart "wholly given". To play with "fear" and maintain any of the "false security" that it produces will cause the child of God to be excluded from the glorious work that is even now beginning to escalate

throughout the Body of Christ.

"SELF-RIGHTEOUSNESS" AND "SPIRITUAL PRIDE"

It seems that North America has become the "last bastion" of certain "religious spirits" - and now the Father has decreed that their presence must be removed ("annihilated") from the midst of the congregations of the righteous. These "spirits" are so subtle that those who have "allowed" themselves to be held captive by them are not "conscious" (aware) of the fact that the work they are carrying out "in the name of the Lord" is actually rooted and grounded in "self-righteousness" and spiritual pride. To these ones anything done in perfect accordance with the Father's will "looks" to them like the very same thing that has actually held them captive and thus they are quick to "condemn" and "accuse" - a sure sign that one is walking apart from the love of God (Romans 2:1). It is my earnest prayer that many of those who are in this position shall now repent and come into that place of an abiding fellowship with the Father and His Word as it is only in this place that one is able to hear that "still small voice" of the Holy Spirit "above" the ever increasing "din" of a perverse and wicked generation.

THERE IS ONLY ONE "PROPER POSITION" - SPIRITUALLY AND PHYSICALLY - FOR EACH AND EVERY CHILD OF GOD, AND "NOW" IS THE TIME TO DILIGENTLY PURSUE THE WILL OF THE FATHER AT ALL COST TO ONESELF!

All those who are "truly" seeking the Father's will for their life and ministry shall be led by the Holy Spirit to those true delegated authorities that He has raised up for their edification and blessing - and this, of course, includes which "pastor" or which "fellowship" in whatever "locality" according to the highest and most holy purpose of the Father. To some this may mean "uprooting" (spiritually or perhaps even "physically") to a degree - depending upon how much they have "allowed" themselves to be held captive to the "fear of man" up to this point, but if they will diligently apply themselves to seeking first the Kingdom and the true establishing of the Church then the Father's perfect provision will be both forthcoming and evident and they will "know" exactly what to do concerning their own life and ministry. This could mean a "physical" uprooting depending on the specific will of God in each individual case or situation, but for the most part it is an "emotional uprooting" through the renewing of one's mind that Paul wrote

about in Romans 12:1-2. Any "relationship" that one has "sunk roots" into that is not of God - whether with people or things - must be uprooted and that "fallow ground" entirely ploughed under and a new crop sown to.

WE MUST PLACE NOTHING (PEOPLE OR THINGS) BEFORE THE FATHER AND HIS WORD - IF WE ARE TRULY GOING TO SERVE HIM

Quite simply, we must place nothing (people or things) BEFORE the Father and His Word if we are going to truly serve Him in EVERY aspect of life and ministry in the remainder of our time here. It is only as we constantly "allow" the Holy Spirit to "shed abroad" the love of God in our heart that we can continually "rise above" the pull of the "emotional attachments" and the self-seeking control (manipulation) that is released through all those whose heart is not "wholly given" to God; and this is most certainly one of the main reasons we are called to "come out and be separate" from that which is unclean. If we are going to be vessels of the "elevating" love of the Father then we must allow the Holy Spirit to continually do the deepest work of the Cross in us for it is only in this way that we can cause all those who cross our path to experience God's greatest eternal benefit in that time - regardless of where they may be spiritually. And it is also only in this way that we can continually prevent a "spirit of idolatry" from gaining some sort of foothold in our heart. To summarize: If one continually abides in perfect obedience before God and man ("flesh and blood") then it is ALWAYS for their greatest eternal benefit - whether they realize that fact at the time or not. It is wonderful to have a deep assurance in one's heart that they have done their "best" for a fellow human being. It is not always what the one being ministered to wants or desires but it is ALWAYS what they truly need. If we are truly to obey the command to "love one another" then we must NEVER put another before the Father and His Word because it is only as we love God with ALL of our heart and strength that we can even begin to love one another! Enough said.

"SCHOOLING" AND THE "INNER CHAMBER"

The most important thing that any Christian can do in this time concerning their "schooling" is to go before the Father and seek His specific will. At this particular time in Church history He is "beginning" to establish certain "schools" (environments) of the Holy Spirit throughout the earth. I believe that - particularly in the next six months - you will begin to both see and hear about these "schools".

At this present time my first piece of advice is for EVERY child of God to draw very near the Father and His Word to be taught of Him by His Spirit in the "inner chamber" (the secret place of His presence). It is in this place that "revelation" knowledge is born and established in one's daily walk. It is also in this place that the Father is enabled to begin to reveal to us the fulness of our inheritance and calling in Christ. This is a very, very critical area in this time - for the entrance into the "fulness" of one's calling is predicated upon gaining and walking in the fulness of one's precious inheritance in Christ. The Father has established many fine ministries on the InterNet and as the children of God prayerfully approach this situation seeking the Father's best as far as their "schooling" goes, He shall surely lead them to whatever "ministries" are necessary in order that they might be "fed with the food that is needful" for them to accomplish all that they were created for from before the foundations of the earth.

PROPER POSITION - PERFECT PREPARATION

Again, it is very important in this time for EVERY child of God to wait on - and minister to - the Father, and thus gain any necessary revelation concerning their "proper position" (where their own lives and ministries are concerned) directly from the Throne Room. This is one area that I know will become clear during the "transition" period - a period which could be best described as a perfect preparation for all of us to "begin" to enter into the fulness of all that the Father created us for from before the foundations of the earth. This period of transition we are even now entering into is extremely important for the bringing forth of certain things into "physical manifestation". These things coming forth shall cause many other things to fall in place (a "domino effect"). In essence our task is simply to get ready and stay ready! The Father has been, is - and shall continue to be - in complete control of all these things we are about to enter into. I will explain more on this in the coming days, but: in the place of abiding in perfect obedience the Evil One will not be able to "touch us" with his schemes, and we shall have an open path (highway) to devastate him (the "religious spirits") at EVERY turn.

THE FIRST AND FOREMOST AIM OF THE "SPIRITS OF DECEPTION" ARE TO KEEP THE CHILD OF GOD OUT OF THE PLACE OF INTIMATE FELLOWSHIP WITH THE FATHER AND HIS WORD

In this last hour it is extremely important for every child of God to be in

their "proper positioning" - this, of course, being entirely established by the Holy Spirit. There are many "deceptive spirits" continuing to mislead the people of God - and their first and foremost aim is to keep them out of the place of intimate fellowship with the Father and His Word. If one does not diligently seek to enter into the "inner chamber" THEN it is certain that they will have no way of knowing where - and with whom - they are supposed to be. And thus, they are easily swayed and manipulated by the demonic forces which were sent to keep them out of their "proper position" in light of the Father's plan for their lives and ministries.

"SELF-EXALTIVE" MINISTRY

There are still many "ministers" in the church who have not completely laid down their lives for Christ, and thus they have not entered into the true Kingdom service to which they are called. Because they have held to, or maintained, an element of self-desire (self-agenda) they have "unknowingly" (ALTHOUGH THEY SHOULD KNOW!) allowed themselves to be held captive by the Evil One to accomplish his purposes in the midst of God's people (2 Timothy 2:26). The essence of this statement is simply that anything done apart from the Holy Spirit by the one held captive is designed by the Evil One and his forces to move the children of God away from the intimate fellowship the Father so desires with each one of His own. If one holds to ANY form of self-desire (the root motivation of which is ALWAYS "self-glory") they shall continue to "sow to the flesh", while believing - in their state of darkness - that they are ministering the Word of God on His behalf. As the scriptures state: sowing to the flesh can ONLY reap death, darkness and corruption in the life of the "hearer" - not to mention a perpetually deeper spinning off into darkness by the vessel who allowed themselves to be held captive!

"IT IS ONLY IN THE "INNER CHAMBER" THAT OUR HEARTS ARE KEPT CONTINUALLY IN THAT PLACE OF BEING WILLING TO DO ALL OF THE FATHER'S WILL, ALL OF THE TIME"

In defining what constitutes a "self-exaltive" ministry it must be made clear that this does not necessarily mean that the self-exaltive spirit behind their words and actions is obvious. This is why it is so EXTREMELY important for every last child of God to enter daily into that place of perfect and intimate fellowship with the Father and His Word. It is only in the "inner chamber" that our hearts are kept

continually in that place of being willing to do all of the Father's will, all of the time - and it is ONLY from this position (seated with Christ at the right hand of the Father) that one will "know" (recognize) and discern that which is truly of the Holy Spirit, and that which is not (John 7:17). Of course when we are given discernment by the Holy Spirit on any activities which are apart from Christ, it is first and foremost for the purpose of praying for our brothers and sisters who - through some form of self-desire and self-agenda - have allowed themselves to be caught in a deception.

"IT IS CERTAIN THAT THE HOLY SPIRIT WILL CREATE THE PERFECT SPIRITUAL ENVIRONMENT FOR ALL THOSE WHO ARE TRULY SEEKING FIRST THE KINGDOM"

The task of the five-fold ministry is to lead those who are truly seeking the fulness of the Father's will and plan for their lives and ministries, into the fulness of their precious inheritance in Christ. I really have not had in the past - nor do I desire in the future - "fellowship" with ministries that could be defined as "self-exaltive". Once again it is so extremely important for every child of God to be established in their proper position by the Holy Spirit. It is certain that He will create the perfect "spiritual environment" for all those who are truly seeking first the Kingdom and the establishment of the True (Glorious) Church - and this environment will SURELY include the delegated authorities who will minister the absolute truths of God's Word to them.

"OUR TASK AS KINGDOM-SEEKERS IS TO - IN A SPIRIT OF DEEP HUMILITY - ALLOW THE HOLY SPIRIT TO BRING US INTO A TOTAL TRUST AND DEPENDENCE UPON THE FATHER AND HIS WORD"

The Father is doing a wonderful thing in our midst in these days, and He is coming to judge all rebellion and self-exaltive practices in the midst of His people. Therefore, it simply remains for all those who truly love God to just continually seek first the Kingdom - day in and day out - KNOWING that He will establish each one of His faithful and obedient ones in the perfect place, in His perfect timing. To summarize: our task, as "Kingdom-seekers", is to - in a spirit of deep humility - "allow" the Holy Spirit to bring us into a total trust and dependence upon the Father and His Word. From this holy position (or position of holiness) it is certain that the "spirit of strong deception" - which is now running rampant in

the midst of those children of God whose hearts are still in "fellowship" with the world - shall not in any way captivate or bind those whose hearts trust fully in God.

THE "INNER CHAMBER": IT IS THE PLACE OF "PERFECT EMPOWERMENT"!

This truth concerning the "inner chamber" and intimacy with the Father and His Word is the deepest and most important Kingdom truth. It is the very principle (motivation) by which man was created in the beginning. The Father also is the same yesterday, today and forever, and thus it is extremely important for every child of God to take that necessary step of faith - AND IT IS A STEP OF FAITH - into the His loving arms. He is perfect - without exception! There is nothing whatsoever to fear from Him - or in Him! I once had the same problems with intimacy that vast untold thousands in the church have and I can tell you that there is a great and total deliverance available found simply in the presence of the Father and His Word. It is THE place of "perfect empowerment" - whatever that may mean specifically to each individual Christian - and it is THE place wherein ALL the chains of the past are dissolved by His perfect love towards us - as we are faithful to enter into fellowship with Him day by day.

BEWARE THE "SPIRIT OF DENOMINATIONALISM"

In these days it is extremely important for each and every believer to do exactly what the Holy Spirit is speaking to their heart concerning "positioning". There are many reasons for this being so important, but I believe that by far the most important one is because: if believers are in "fellowship" with any type of setting or group that is in some way operating under a "spirit of denominationalism" (and have thus "plateau-ed" at some point far below the fulness of the Father's will) then that one who is truly seeking first the Kingdom will IN SOME WAY become "indoctrinated" in their thinking - and thus, they too will fall short of the Father's Glorious plan for their life.

KEEP YOUR EYES "FIXED" ON JESUS

One thing that is very important to remember as one continues to seek the fulness of the Father's plan and that is they must just simply continue to keep your eyes "fixed" on Jesus (the Word of God) - for it is only in the "maintaining" of this heart-attitude that one can continually rise above the deep darkness that is even now beginning to consume all those whose hearts are not wholly given to God. One must never fear those whose first and foremost desire is to hold to the "outward" formalities of "denominationalism", but rather, in love and faith and obedience continue to intercede for all those they know are caught in ANY form of religious bondage - while at the same time maintaining (guarding) their own heart with ALL diligence so that they might continually be found to be a glorious light to all those who cross their path.

THE MAGNETIC PULL OF THE FATHER'S LOVE

It is the Father's plan to raise up a Glorious Church which will literally draw - by His great and awesome love (much like a magnet) - all those who truly desire to fulfil the fulness of their destiny in Christ right out of the midst of those who proclaim their faithfulness to God, but refuse to lay down their self-desires and the self-agendas which are their spontaneous by-product. It is a very dangerous thing in these days to be in "heart-fellowship" with anyone who is not truly seeking first the Kingdom of God - and the release of His "righteousness" in all that they say and do!

THE "RELIGIOUS" ESTABLISHMENT ALWAYS SEEKS TO "FORCE" ANYTHING OR ANYONE WHO DOES NOT AGREE WITH IT TO CONFORM TO ITS WAY OF THINKING

There are many precious saints throughout the Body of Christ in these days who, in their obedience to the Holy Spirit, have found themselves persecuted by the "religious establishment". They are being compelled to forsake the path the Father has clearly directed them onto and are being asked to "come under" the "covering" that their local denomination offers. Let it once again be clearly stated that the Father is about to move forth in great power to remove ALL "stumbling blocks" from the path of all those whose hearts are seeking the fulness of His glorious plan for their life and ministry. He will deal very harshly with those who

continue to hold fast to their own agendas and yet proclaim their words and actions to be of God! The only "covering" that the true believer needs they already have in the form of the precious Blood of Jesus and the Holy Spirit. As those who are seeking the fulness of the Father's will concerning their fellowship - regardless of how big or small it is - continue on in obedience to the leading and guiding of the Holy Spirit THEN He will establish the proper delegated authorities in His perfect timing (if they are not already in place). The Father is doing a glorious work in our midst and it is extremely important to ALWAYS remember that His ultimate aim is to establish a Church that does nothing apart from Christ (the Anointed One and His Anointing) in order that Jesus might once again have pre-eminence in our midst at all times. This is how the harvest will be gathered: all that is said and done by the Glorious Church will be by the unadulterated power of the Holy Spirit - and His power alone. A very high target indeed, but we have a mighty God!

A WORD TO ALL THOSE WHO ARE TRULY SEEKING FIRST THE KINGDOM:

As far as seeking what your next move is: Do not step out presumptuously - whatever the cost. Seek the Father for the necessary revelation and do not allow yourself to be moved by "anything" other than the pure revelation from the Throne Room - which will surely be forthcoming as you continue to minister to Him in the "inner chamber".

THE GREAT DANGER OF "FELLOWSHIPING" WITH THOSE WHO ARE OPERATING "IN THE FLESH"

Again, it is extremely important to "fellowship" ONLY where the Holy Spirit leads one. If one is in a situation where somebody who is "in the flesh" is offering to pray or lay hands on them then they must refuse. If the person who offered the prayer is truly walking and operating in love then they will just move on. If they are "in the flesh" they will become offended because their deepest intent and motivation all along was to be "seen" and "heard". It, of course, can be downright dangerous - spiritually speaking - in fellowships who are not walking in the Glory of God, as Satan is continually attempting to infiltrate gatherings and release his darkness and death - both from the pulpit and in the midst of the congregation. This is precisely why the Father is establishing many "glorious

connections" in these days and moving many "sheep" to their proper pasture - one without "wolves" and "serpents" and "scorpions"!

THE NEED FOR PERFECT CONFRONTATION AND THE DANGER OF SELF-RIGHTEOUSNESS

I am in absolute agreement with the need to "confront" anything, and everything, - that stands in the path of the Father's plan in this last hour concerning the establishment of true "spiritual environments" - for we must NEVER allow Satan and his forces to take up residence in our midst. But it must be understood that to spot a "problem", and then "immediately" do whatever one deems necessary (in fear) constitutes an act of "self-righteousness" - thus making that one more guilty than the one causing the problem. I have spoken and written this many times in the past: Perfect love (obedience) in our ministry towards others ALWAYS involves both obtaining a revelation of the Father's will, and THEN allowing Him to reveal His perfect timing through the moving of His Spirit (the Holy Spirit) in our inner man. The Father may move immediately or it may require great patience on our behalf, but His ultimate is ALWAYS to "lay the axe to the root" in order for the captive to be totally - and eternally - set free. For anything less than this standard would result in them being found unfit for service in the Kingdom. This is precisely why a "yielding" and "sensitive" (reverent) heart towards the Father (and His Will) is the prerequisite to ALL "true" ministry.

IN THESE DAYS THERE ARE MANY TRUE SPIRITUAL ENVIRONMENTS BEING ESTABLISHED THROUGHOUT THE BODY OF CHRIST IN EVERY NATION

In these days there are many true spiritual environments being established throughout the Body of Christ in every nation - each one being unique - according to the highest purpose of the Father. The underlying principle is the same in each one of these environments that the Holy Spirit has established in that they are inhabited by a people who are truly seeking first the Kingdom - a people who love God with ALL of their heart. They are those who faithfully obey Him - holding fast to the vision (revelation) that He has given them - at all cost to themselves. In the days ahead - through the perfect ordering and empowerment of the Holy Spirit - these various "environments" will most certainly be linked "spiritually" (in the Spirit), but in many cases they will also be linked physically through the ordered

movement of certain individuals - again, according to the Father's perfect purpose for the entire Church. While it is certain that much time has passed in many of these locations (in some cases many years in the process of perfect preparation for the task ahead) it is clear that the Father's aim has always been the bearing of "maximum fruit" for these environments - and for the church at large in the days ahead. And so, in the "fulness of time" He will surely move powerfully through these various environments to first impact the church and then to impact the nations (including Israel and the fulness of her destiny).

IT IS EXTREMELY IMPORTANT IN THESE DAYS FOR EVERY CHRISTIAN TO COME TO A TRUE AND DEEP KNOWLEDGE OF THE POWER OF LOVE

As the true Remnant (those "dwelling" in a true spiritual environment - regardless of what form (pattern) that may take) goes forth the love abiding within them - both individually and corporately - shall begin to "attract" (like a powerful magnet) those in the world whose heart is "towards" God. This tremendous outpouring of the Father's love shall also have a great effect upon all those who - although they have remained in some way under the bondage of the denominational structure - have a heart that is still toward God, and thus they have a "knowing" deep within that there is a much higher calling and spiritual positioning for them to be established in. This great love shall also cause any who "wilfully maintain" a position of rebellion - under the direct influence of the spirit of rebellion and the spirit of anti-christ to be radically repelled by the great force released through the outpouring of this divine love. It is extremely important in these days for EVERY Christian to come to a true and deep knowledge of the power of love. It is the greatest force in this universe. It is God, Himself, in all of His Glory - for He is love!

THE MANIFESTATION OF TRUE, CORPORATE ANOINTING

One of the great keys in this final hour will be the manifestation of true, corporate anointing in the Body of Christ. The many years of training that those whose hearts are wholly given to God have gone through was a preparation to learn how to put the Father and His Word first in one's life. It was a divine process of learning to believe and trust in Him - a learning to unite one's faith with His Word. In the times of the wilderness experience the Father was drawing His

children unto Himself for this very purpose. In many cases this led to a "cave-like" experience where one was separated - for the most part - from any great degree of fellowship with others in the Body of Christ. It has been the failure of many individuals in the church to enter into that place of intimate fellowship with the Father and His Word daily that has precluded a pure flow of God's power (love) through a true, corporate anointing in days past.

THE TWO KEY ELEMENTS OF TRUE, CORPORATE ANOINTING

The two key elements of true, corporate anointing - whether we are talking about two people or more - is that first each individual heart must be wholly given to God and secondly, through a perfect obedience and a continual seeking first of the Kingdom they must have maintained a pure heart before God and man. It is only through these two elements that one can even begin to enter into that place of true spiritual fellowship - a place wherein they have heard the voice of the Holy Spirit and allowed Him to establish the aforementioned glorious connections with others in the Body. Any relationship in the Body of Christ apart from these two key components is doomed to failure - and can in no way be used by the Father for true Kingdom-service in the midst of His people.

FAITHFULNESS IN THE DILIGENT PURSUIT OF HOLINESS IS EXACTLY WHAT IT TAKES - WITHOUT EXCEPTION - FOR ONE IN AN ENVIRONMENT OF FEAR AND CONTROL TO REMAIN ON THE NARROW PATH"

For one to fulfil the ministry that they have been called to in Christ - ultimately - they are going to have to come into the true spiritual environment (both individually and corporately) that the Father has ordained for them. If one has not yet entered into the "ultimate" spiritual environment (corporately) that the Father has ordained for them - due to the fact that they still remain in a position wherein there are "outside forces" continually attempting to control them (through fear and intimidation) - the onus is still on that individual believer to enter daily into fellowship with the Father and His Word in the midst of that "outward" environment - standing in faith, seeking to walk in love at ALL times and continually doing whatever is necessary to remain strong spiritually. Faithfulness in the diligent pursuit of holiness is exactly what it takes - WITHOUT EXCEPTION - for one in an environment of fear and control to remain on the

"narrow path" (and thus hold fast the vision that they have received from the Father in their times of fellowship with Him) in spite of continual demonic resistance and assault - a resistance and assault aimed at keeping that one from entering into the fulness of their calling and authority in Christ.

WE ARE GOING TO SEE A FLURRY OF ACTIVITY (MOVEMENT) IN THE MIDST OF GOD'S PEOPLE IN THIS HOUR

As that one who is wholly given to the purposes of God "maintains" the love walk then ultimately (should the party - or parties if it is a corporate setting - not repent) in the fulness of time they shall be removed "supernaturally" by the Holy Spirit and placed in the proper spiritual positioning necessary for them to enter into the fulness of their Kingdom-position. There is absolutely no doubt that we are going to see a flurry of activity (movement) in the midst of God's people in this hour - as all those whose heart is wholly given to God experience whatever changes in their environment are necessary for them to enter into the fulness of Kingdom-living - and thus the true service and ministry that they are called to in Christ. Many others shall radically depart from the will of God - their love for Him and for His people having grown cold!

IN THESE ENVIRONMENTS TRUE DOCTRINE SHALL BE FOUND AND EVERY WORD AND ACTION SHALL BE EMPOWERED BY THE HOLY SPIRIT!

Over the past number of years the Father has raised up many true spiritual environments in the Body of Christ - throughout the nations. These "environments" shall now be exalted to a position wherein they shall have the perfect platform to release ALL that the Father has wrought in them through many years of training in the school of the Holy Spirit. Because each true, spiritual environment is uniquely different - according to the most holy purpose of the Father - there shall be many different manifestations, but one thing is certain: in these environments true doctrine shall be found and EVERY word and action shall be empowered by the Holy Spirit! This fact alone shall cause many people's hearts to be truly established in the Word of God and, thus, they shall begin an accelerated and rapid advancement into the fulness of all that God created them for. All these things which I speak of are predicated on one's heart being wholly given to the will of the Father for their life and ministry. Without this proper

spiritual positioning of the heart one shall not in any way be found "fit" (ready) to walk where God would have them walk. As the Kingdom begins to rise up in the hearts of many in this most critical hour there shall be an ever-widening gap and an ever-deepening contrast between the true light of God's love and the deep darkness that is even now consuming all those whose eyes are on the "ends" (agendas) of the earth.

THE PATH IS INDEED NARROW - BUT ON IT ARE FOUND BOTH THE FATHER AND JESUS

In these days, it is only individual obedience on the behalf of the believer that will cause them to enter into their proper spiritual positioning. Throughout the Body of Christ there have been many people who have been in the "cave" for many years. They have been faithful to fellowship with the Father and His Word in the "inner chamber", and thus they have a deep and abiding revelation of His heart concerning the Glorious Church. These are a people who have learned to acknowledge God in ALL of their ways. It is written, that if one acknowledges God in all of their ways THEN He shall surely direct their paths - and indeed that which the Father directs, He empowers - in order that one might fulfil all that they were created for in Christ. The path is indeed narrow, but on it are found both the Father and Jesus. Again, only those who are seeking whole-heartedly to enter into the place of abiding in Christ shall be found in their proper "spiritual positioning" - bearing fruit for the Kingdom and the establishment of the Glorious Church in this most critical hour!

MANY TRUE SPIRITUAL ENVIRONMENTS SHALL BEGIN TO RISE UP

Now, according to the Father's purpose, many true spiritual environments shall begin to rise up - and this is a very important and integral thing to the establishment of the True Church. The Father is going to begin to "supernaturally" connect His faithful servants throughout the Body of Christ to a greater degree - and through this increase in "glorious connections" we are going to see an accelerated increase in the establishment of the True Church - in every nation throughout the earth. This supernatural connecting will first happen in the spirit - having been rooted and established in and through prayer - and then will manifest "physically" (locationally) in strategic positions throughout the earth. These things will effect great movement in the midst of God's people (those who truly love

Him), and shall bring forth a tremendous release of His great and awesome power in their midst.

ENVIRONMENTS OF PERFECT PREPARATION

The true, spiritual environments that are raised up in this hour - whatever shape or form they may take - will be a "refuge" to those who are truly seeking God. These true spiritual environments shall not only be a refuge to those who truly love God, but they will also be found to be an environment of perfect preparation for one to enter into the fulness of their inheritance in Christ. In these environments there shall be a supernatural increase in revelation knowledge and this will cause an "advanced preparation" - one that is not gradual, but one that is accelerated far beyond the normal scheme of things. It will be a "Kingdom-increase" - a supernatural multiplication through the empowerment of the Holy Spirit, working freely in those whose hearts are pure.

THE CALL TO SEPARATION FROM "WRONG" ENVIRONMENT

If one is going to live the true Christian life then there must come a point - or there will come a point - wherein the Father is going to ask them to separate themselves from the environment(s) that they have been in - environments that through the years have established certain mind-sets of unbelief, doubt and darkness. Because of the impure spiritual environment that they have been in, they have never been able to completely "rise above" bondage to fear in some form - and thus they have remained in a place far below the "fulness" of their Kingdom-position. Whenever the child of God is called to be separated from something or someone it is ALWAYS "unto" something else - that something (or somewhere) else being established by the Holy Spirit.

ULTIMATELY, ONE WHO IS TRULY SEEKING FIRST THE KINGDOM MUST ENTER INTO A PERFECT REST (AN ABSOLUTE CESSATION FROM LIVING AND STRIVING IN THEIR OWN EFFORT)

As I have written many times before there is a true spiritual environment to be sought after and to be gained in any given moment or time frame for those who are truly seeking their "Kingdom-position". At times the "environment" that one is in will provide the ground of testing and refining. This of course is much needed

in every one of our lives, but ultimately one who is truly seeking first the Kingdom must enter into a perfect rest (an absolute cessation from living and striving in their own effort - free from fear), and to accomplish this they will need to enter into the true spiritual environment - both individually (the "inner chamber") and corporately (their true spiritual positioning in the Body) that the Father has planned for them. This is in order for them to be "established" in righteousness and have their mind perfectly renewed to such a degree that it is the mind of Christ which moves them in ALL that they say and do.

Study Outline:

"ENVIRONMENTS OF FIRE"

Luke 10:27:"You shall love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbour as yourself"....

- Our God is an absolute God. This scripture "defines" the Divine Requirement - and it is absolute! Everything that is written in the Word of God - everything that God has spoken, and will speak - is based on one's adherence to this principle.

Matthew 5:8 "Blessed are the pure in heart for they shall SEE God"....

- In this last of the last hour, only those whose heart is pure before the Father will be able to see and understand His true and absolute Kingdom purposes - WITHOUT EXCEPTION!

GLORIOUS CONNECTIONS:

- A "glorious connection" can simply be defined as a relationship in the Body of Christ that has been "connected" or joined by the Holy Spirit alone.

SPIRITUAL ENVIRONMENTS:

A "true" spiritual environment is defined simply as a place where the Father

and His Word can be ALL that they desire to be in ANY given moment.

THE INNER CHAMBER:

- Intimacy: the key to the fulness of transition into the place of abiding in true "Kingdom-living".

The Father on the "inner chamber" :

...."The "inner chamber" is that place wherein one communes with Me in secret and it means shutting out the world and shutting in themselves unto Me! The "inner chamber" is not first and foremost a "time-frame". It is first and foremost a proper "heart-position" before Me as each new day begins. As one "abides" in the proper heart-position then they shall surely be doing perfectly all that I require of them concerning the "inner chamber". Therefore, let each one of My children walk in the manner in which "I" have assigned them concerning the "inner chamber"!....

- The "inner chamber" is the place of empowerment and it is the key to the "fulness" of transition into "Kingdom-living"

THIRD DAY ANOINTING:

- In a "true" spiritual environment - an environment where the Word of God is going forth exactly the way that the Father would have it go forth - the "incorruptible seed" of His Word will be planted in the hearts of the people. As they go forth - in obedience - to spend time with the Father in the "inner chamber" THEN He is able to enlighten them further on the "seeds" that have been imparted to their heart.

- Our God is a God of "perfect" purpose!

- When one is in the "inner chamber" daily they will have a revelation of the Father's purpose.

- The principle that will be the catalyst to the manifestation of the "spotless and unblemished" Church is "intimacy" with the Father and His Word.

- The "fulness of time" is defined as that moment the Father's "perfect purpose" enters into manifestation in the physical realm.

ENVIRONMENTS OF FIRE:

Deuteronomy 4: 20-31 - "our God is a consuming fire"

- An "idol" is ANYTHING or ANYONE that takes pre-eminence over the Father and His Word in our lives and ministries.

Hebrews 10:19-39 - "you have need of endurance"

- We need to keep our spirit man in dominance over our soul and body - and the way that we do that is in intimate fellowship with the Father and His Word.
- Only those who are truly rebellious in heart will run from the "fire" in this last hour.
- There are only two types of knowledge in this earth: revelation knowledge and sense knowledge
- God is calling the Church to be "filled" with a revelation of His purpose.
- In the "inner chamber" you will come to see yourself as the Father sees you - and, ultimately, you will come to the place wherein you will NEVER fear "man" again, as you maintain that proper relationship with God!
- "Maximum fruit" in their true service should be the first and foremost aim and motivation for every believer - as they go forth in obedience to the Father.
- In these days a lack of reverence for the Father and His Word is going to produce a CERTAIN and terrifying expectation of judgement in one's heart!
- "If we go on sinning willfully" refers to those who continually "choose" self-desire - and thus, an adherence to "sense-knowledge" (in their rebellion) - instead of a continual revelation of the Father's will and the desire to operate only in His holy purposes.

- In these days, every last person on the face of the earth is being brought to the point of decision - an absolute decision. Our God is an absolute God and the "decision He calls mankind to make is absolute!
- Rebellion will "blind" one to the point wherein they will actually believe they are in the center of the Father's will, while in reality they are far, far from it.
- The Father is perfect! The very essence of His being holds the answer to the deepest desire of any heart.
- In our own strength we "fall short" of the Glory, but in God's abiding presence there is a supernatural impartation that causes us to "abide" in the fulness of our precious inheritance in Christ.

Ephesians 1: 3-4...11 - "every spiritual blessing" ... "obtained an inheritance"

- The "inner chamber" is the key to abiding "in" Christ - the Anointed One and His Anointing (the Holy Spirit).

Ephesians 1: 17-23 - "far above all rule and authority"

- Sense knowledge (an adherence to the five physical senses as one's final authority) will ALWAYS take one off of the proper course of God's perfect purpose, and revelation knowledge (an adherence to the revealed Word of God through the continual acknowledgment of Him in all one's ways) will ALWAYS keep us on the "narrow path" of perfect obedience.
- We are coming to a time of absolute accountability BEFORE God!
- To truly "believe" - you need to SEE.
- The Father is issuing a "heart-call" to His people to come into His presence because, quite simply, He loves you!
- A simple definition of the true apostolic anointing and authority that are now being released in the Church - to a continually greater degree - is this: the impartation of Christ - ALL IN ALL! We are called to do NOTHING apart from

Christ.

Ephesians 2: 10 (12-13) - "which God prepared beforehand that we should walk in them"

- How are we going to walk in "works" that are "already" prepared if we do not "maintain" perfect position before the Father; and how do we maintain perfect position before Him day in and day out? - fellowshiping with Him, and with His Word, in the "inner chamber".
- Every time one enters into the "inner chamber" something happens - something "eternal" and glorious!
- Everything that is sown to the "flesh" is - in light of spiritual reality - an absolute denial of the precious Blood of Jesus and is an insult to the Spirit of grace! (Hebrews 10)
- We need to become vessels that continually impart the fire (light) of God in order that people might be awakened from their "deep" sleep - and delivered from the deep darkness that is, even now, beginning to encompass the world and all those in heart-fellowship with it - to a continually greater degree.

Ephesians 3: 14-21 - "strengthened with power through His Spirit in the inner man"

Let us hear the words of the Father:

...."As My children begin to assimilate My Word into their spirits, I shall be enabled to reveal to them the thoughts and intentions of My heart and I will satisfy their desires even in the scorched places and I will guide them continually. But many turn their gaze from Me and harden their hearts against Me, having been held captive by the Evil One to do his will and truly, truly I say to you, the consuming fire of My Spirit will cause My children to either run farther from Me or closer to Me. But whatever choice is made, truly, truly I say to you, it shall be their own; for I will not usurp the will of a man who has had My anointed Word put forth to him, for in having the truth revealed to his heart, His will must choose to believe what I will or surely he will lean on his own understanding and follow

his own selfish ambition. For truly I say to you, that if My children do not believe that what I will is best for them, surely they themselves will seek after their own understanding. Rejoice! For I have raised up many who will put forth My Will in power and My children will once again cry out Abba, Father, from their hearts. For I have been maligned falsely as one who does not meet the needs of His children; but truly I say to you, I shall bring "abundant prosperity" such as the world has never seen, upon those who abide in My Word. For in this last hour the truth shall set free all those who truly love Me, from the bondage which, up until this time, they have "allowed" themselves to be chained with"....

- The Holy Spirit - in these days - is "greatly" irritated and agitated (provoked to action) against anything or anyone that attempts to paint any kind of image that the Father is not "approachable"!

Ephesians 4:11-18 - "until we all attain to the unity of the faith"

Ephesians 5:1-6 - "no...idolater has an inheritance in the Kingdom"

Ephesians 5: 25-27 - "having no spot or wrinkle"

Ephesians 6: 10-13 - "having done everything, to stand firm"

JUDGEMENT:

- Meditate Isaiah chapters 1-6 and you will see a perfect explanation of the reason why God judges His people (and the nations) and you will come to see His ultimate aim in that in chapter 6: that the whole earth might be filled with His Glory.

Isaiah 1:2-9 - "Your cities are burned with fire"

Isaiah 1:18-28 - "If you consent and obey"

Isaiah 2: 2-3 - "Now it will come about in the last days"

Isaiah 2:12 - "the Lord of hosts will have a day of reckoning"

Isaiah 3:8-14 - "their actions are against the Lord to rebel against His glorious presence"

Isaiah 4:4-6 "the spirit of judgement and burning"

Isaiah 5:13-16 "the Lord of hosts will be exalted in judgement"

Isaiah 5:18-25 - "Woe to those who call evil good, and good evil"

Isaiah 6:3: "Holy, Holy, Holy, is the Lord of hosts. The whole earth is full of His Glory"

VISION:

I saw a "beautiful" church building. It appeared "outwardly" that it was a very prosperous church; but then I saw the "consuming fire" of the Holy Spirit as a whirlwind and it passed over and through this church and all that was left was charred and smoking rubble.

1 Corinthians 3: 10-20: "each man's work will become evident"

Let us hear the words of the Father:

...."The primary characteristic of your ministry - both personally and corporately - will be "fire". This fire will shed light where there is darkness, refine hearts wholly given, and consume "all" that is not of Me. It is a "Holy Fire" of purification that will reveal My presence and establish My true character in the hearts of all those who are truly seeking Me!"....

...."Those of My children who have given themselves wholly to Me, I shall make vessels of "fire". Fire that will both expose and consume all that is apart from Me and bless all that is "for" Me. Truly I say to you, as they speak My words in the power of the "resurrection" and the authority of the "ascension" then the hearts of the rebellious ones shall surely be "cut to the quick" and the fire on the words which they speak in My Name, shall both expose and "devastate" the deepest desires of their hardened hearts and darkened minds"....

...."The anointed Words of My true servants are as shafts of light and flames of fire! I have prepared them as vessels of fire, and the Spirit of Judgement and burning shall operate continually through them. They are holy vessels which shall purify and cleanse My Church through the power of their "spoken" words, and the Anointing that shall flow in "torrents" through them, upon all flesh"....

...."If I were to give you one word, My beloved ones, to define the chief characteristic of your ministry in your remaining time in the earth it would be "fire"!....

- In this last hour, not only will multitudes be led to a deep and thorough repentance (and born-again if they are not already), but they will be filled with the Spirit and "baptized" (immersed and consumed) in fire - which will set them in a place of hungering and thirsting after righteousness for the remainder of their time in the earth. This is the ultimate goal of all true Third Day evangelism.

VISION:

I saw many "small fires" begin to "pop up" throughout the nations and Satan was completely "defenseless" and unable to do anything to hinder or stop these "fires" from continually expanding.

SPIRITUAL TRANSACTION:

Revelation 3: 14 - 22 - "buy from Me gold refined by fire"

- Our time in the "inner chamber" is a "spiritual transaction". It is an "impartation" - a "fusion" of the Father's heart to our heart - which causes us to be continually empowered to do ALL things IN Christ.

...."As My children place themselves in a position wherein they expose themselves to the purifying fire of My Spirit, all that is not of Me shall be consumed and truly I say to you they shall come forth as gold, a fit vessel for My use"....

Let us hear the words of the Father:

.... "There are so many things I have on My heart and desire to share with My children. How blessed are those of My children whose hearts are open wide to Me. For I shall send forth My bondservants and handmaidens and I will bless them and thrill them with My presence (love). But again, let it be clearly understood that the same burning fire of My love shall consume "all" rebellion and sin in its path. Therefore, My beloved children, set your hearts and your minds on high. Bring every thought captive to a perfect obedience and you shall surely know the deepest thoughts and intentions of My heart to a greater degree with each passing day"....

...."Tell My children to place themselves in a position wherein they expose themselves to the purifying fire of My Spirit; for in doing so, "all" that is not of Me, within them, shall be consumed and truly I say to you, they shall come forth as gold, a fit vessel for My use"....

1 John 4:11-19 - "There is no fear in love"

1 John 5:14-15 - "this is the confidence which we have before Him"

ALWAYS REMEMBER:

Our God is a God of perfect purpose!
