

CHAPTER 9

THE HOLY APOSTLES AND PROPHETS

....“So then you are no longer strangers and aliens, but you are fellow citizens with the saints, and are of God’s household, having been built on the foundation of the apostles and prophets, Christ Jesus Himself being the corner stone”....

Ephesians 2: 19-20

....“For this reason I, Paul, the prisoner of Christ Jesus for the sake of you Gentiles if indeed you have heard of the stewardship of God’s grace which was given to me for you; that by revelation there was made known to me the mystery, as I wrote before in brief. By referring to this, when you read you can understand my insight into the mystery of Christ, which in other generations was not made known to the sons of men, as it has now been revealed to His holy apostles and prophets in the Spirit;”....

Ephesians 3: 1-5

THE MINISTRY OF THE APOSTLE

The ministry of the apostle in this hour is about to come forth with great power and, because of this, vast multitudes of those who are called to "lead" God's people home, shall be raised up throughout the Body of Christ - in every nation. When I was young I was always very impressed - still am - with those artists who could paint a portrait of an individual and not only do justice to what they looked like, but could also capture that special essence (life) which characterized that person perfectly. If I could have had a choice in an artistic skill it most certainly would have been to paint in this way. My "artistic skill" concerning painting begins and ends with "stick men" and "stick animals" - enough said! But as I was growing in the Lord and coming into a continually deeper revelation of my calling I began to see a distinct comparison between the aforementioned artist and the ministry of the apostle. In the time after the Lord had me leave my last secular job in August 1983 my first and foremost task was to eat, sleep, drink and breathe the Word of God, and to intercede for the birthing of godly leadership in the Church. It has been in these past 18 years that this "birthing process" has been set in motion throughout the Body of Christ in every nation, and it is now time for the

Glorious Church - and those who shall lead (serve) Her - to come forth. How can words begin to describe what is about to happen! We are going to have to simply live in the intensity of each moment in close fellowship with the Father just to truly "begin" to appreciate what is going on. Getting back to the ministry of the apostle: one of the chief characteristics of the anointing upon the apostle is the ability (anointing) to create (form) within those they minister to (through prayer and the ministry of the Word) the perfect picture (image) of Christ within that one and thus cause them to come into the "fulness" of their inheritance in Christ - which, as I have mentioned before is the prerequisite to one entering into (truly beginning) the fulness of the ministry and/or office they have been called to. So, in essence, this is like painting a picture (clear image) of Truth upon the hearts of all those that will "receive" - those ones who truly desire to fulfil ALL that they were created for.

WALKING "TIME-BOMBS"

VISION:

I saw many "bombs explode" and create great devastation in the midst of Satan's schemes formed against God's people.

The Father then spoke saying:

...."My holy apostles and prophets are viewed by the Evil One as walking "time bombs". He knows they are about to go off but he does not know when or where and he is "paralyzed with fear and terror" in this hour!"....

As the Father "begins" to release the "first wave" of the final overall wave of His holy apostles and prophets throughout the entire earth these "time bombs" shall go off in "selected" spots and confronting any and every "religious stronghold" in the midst of all those who truly love God - those who desire to fulfil all that He created them for in Christ. And, as the days march on, these "walking-talking time-bombs" that the Father continues to raise up shall be released in an ever expanding manner until the entire earth has been affected by this outpouring of God's glory. The only thing that remains is for each bondservant and handmaiden to continue abiding in the secret place of His most glorious presence and await orders on where the "next strike" will take place.

THE TERROR IN THE DEEPEST RECESSES OF SATAN'S BEING IS INCREASING WITH EACH PASSING DAY

The terror in the deepest recesses of Satan's being is increasing with each passing day and this is both confirmed and made evident by the "confusion and weakness" which are the chief characteristic of his futile attempts to stop this release of the apostles and prophets - a release which shall surely culminate in the perfect manifestation of the "five-fold ministry" and the glorious perfecting of all those whose hearts are wholly given to God and His awesome purposes in this last of the last hour. This is not to say that we can let our guard down for a second. We must always "maintain" a holy vigilance over our hearts while that "spiritual cur" is still on the loose to "any" degree, but it is certain that as the Body of Christ continues to grow daily into a continually deeper revelation of the "fulness" of her authority in Christ - the Anointed One and His Anointing - she shall begin to wreak havoc in the midst of every Satanic stronghold and literally drive both he and his "religious spirits" out of the midst of "all" those whose hearts are even "towards" God in this hour.

EVER INCREASING STRENGTH

The ever increasing strength of the faith found abiding in the hearts of all those who are wholly given shall "cast out" any remaining ground of fear within and that most holy faith shall be continually released wherever necessary to set the captives free - regardless of any "seeming degree of difficulty". Quite simply, "all" those who truly desire to be free shall be set free! It will seem quite "sudden" - this explosion of God's power and the miraculous results thereof, but, in reality, it has been the product of the longsuffering intercessors, who, in "laying down their lives" consistently over a period of many years, have brought the Church to the threshold of Eternity and the outpouring of the superabundant Glory that is hers in Christ through their loving prayers.

DEFINITION OF A PROPHET

Here is a simple yet concise definition of a prophet I was given by the Father some time ago:

The work of a prophet is to act as God's messenger and make known the will of God to His people. They are called to teach men and women of God's character,

showing a fuller revelation of God's dealings in the past through the Scriptures, as well as to deliver the present-day message from the Throne of God to His people. It is also the call of the prophet to denounce sin and foretell its punishment under the divine unction of the Holy Spirit. They are to be above all, a vessel of righteousness. When the children of God fall away from the true faith to which they are called, the prophet is brought on the scene to restore that faith by pointing the people of God back to His holy Word and, by that Word, to remove the false views about God's character and the true nature of the "Divine Requirement" (to love the Lord your God with "all" your heart) for His children; false views that are caused by carnal, fleshly ascent to His Word.

THERE IS A GREAT DEGREE OF DARKNESS IN THE CHURCH IN THE AREA OF THE OFFICES OF THE MINISTRY

There is a great degree of darkness in the church in the area of the offices of the ministry. Many "denominations" refuse to acknowledge the fact that the office of the prophet is still in existence and that is necessary for the Church today. Then there are those who accept the prophets of God to the degree that their words are able to be received "comfortably" by them, but when the message of judgement and repentance comes they will forsake the prophet of God and reject what they say. These categories are not new to the people of God, for throughout history we are able to see the mistreatment of the "messengers of God". In the Body of Christ today these things ought not be! For we have the Holy Spirit dwelling within us to teach us and guide us into all truth. As the children of God "draw near" to Him in this last hour it will be revealed to their hearts the urgency in the heart of God for the true and proper establishment of the offices of the five-fold ministry within the Body of Christ. We are entering into the greatest age of the Church this earth has ever seen and there will be many raised up in this last hour as apostles and prophets for the edification of the Body of Christ. Let us receive them for what they are: "gifts" sent from God, and receive the revelations that God has given them and act upon them. The hour is late and there is a great deal of work to be done before our Lord returns. But by His Strength and Might we will accomplish the task and Satan and all his forces shall indeed be ashes under the soles of our feet. With all these things which have just been written in mind here are seven definite characteristics of the true prophet of God. As the children of God study and meditate on these points, and as they open their hearts to the Word of God by giving Him His rightful place on the throne of their heart, they will not be deceived by Satan in any way concerning the ministry of the "true" bondservants

and handmaidens in this last hour. They will be able to distinguish between those who do and those who do not serve God, between the righteous and the wicked, and between the prophets of God and the false prophets of Satan.

SEVEN DEFINITE CHARACTERISTICS OF THE "TRUE" PROPHET OF GOD

1. They reverence God in all that they do.
2. They proclaim the Truth in all that they do, exalting the Name of Jesus.
3. They keep themselves separated from all sin and all manner of iniquity.
4. They walk with God and in His counsel at all times.
5. They teach and expound on the Word of God, speaking the Truth in love at all times.
6. They turn many away from iniquity and lead the children of God into all the fulness of the inheritance they have in Jesus Christ.
7. They are the messenger of the Lord at all times and are a sign to the people of God; a good sign to those who love the Lord their God and a constant thorn to those who forsake their God to follow after the desires of their own flesh.

Let us hear the words of the Father:

"INTIMATE FELLOWSHIP" WITH THE FATHER AND HIS WORD - A DIVINE REQUIREMENT FOR THE MANIFESTATION AND OUTWORKING OF THE GLORIOUS CHURCH

...."It has been written and it has been said that in this last hour every office of the five-fold ministry: apostle, prophet, evangelist, pastor and teacher - shall be manifested in their "fulness"! Why is it then that many of My people - even in leadership - are so surprised at this? Truly I say to you, it is because they have forsaken "intimate fellowship" with Me and thus they have absolutely no way of knowing what the "fulness" of My Plan for My Church is in this last hour and they "hold" to their "plateaus" thus hindering the flow (outpouring) of My Spirit"....

THE HOLY APOSTLES AND PROPHETS - "REVELATORS" OF THE DEEPEST THOUGHTS AND INTENTIONS OF THE FATHER'S HEART

...."I have both called and prepared My holy apostles and prophets to be "revelators" of My perfect will - in any given situation that I so choose - and I have also called and prepared My holy apostles and prophets to reveal the deepest thoughts and intentions of My heart (absolute Truth) to all those who have ears to "hear"! Every word they speak to My people is "calculated" by Me to accomplish this one thing: that My people might come into the fulness of their inheritance in Christ in order that they might "fulfil" gloriously the "ministry" that I "created" them for!"....

...."I have given My holy apostles and prophets eyes to see; to see those things which many others do not see; and because of this they are responsible for a great many things which others do not even know about at this time. Therefore, My beloved bondservants and handmaidens, be diligent in your dealings with My children and with Me, for you must suffer many things for righteousness' sake in order that My people might be led into the fulness of their inheritance, which I have provided for them in Christ. Rejoice greatly! For My Spirit shall rest upon you and a superabundance of My glory shall flow forth unhindered from you and the captives shall be set free; and every stronghold shall crumble and fall and "terror" shall reign supreme in the heart of Satan in this last hour"....

TAKE HEED THAT THE LIGHT THAT IS IN YOU BE NOT DARKNESS!

On the one hand the apostles and prophets are about to step out into the fulness of ministry to prepare the leaders in this end-time plan of God with a view to the perfect establishment (foundation) of the True Local Churches, but on the other hand it is their solemn duty to warn God's people not to "linger" where the "world" is concerned. Soon, it will be too late for warnings. If one "lingers" they shall surely be caught in this coming "riptide of darkness". Let us set ourselves in perfect agreement that all those with whom we have to do will set their heart towards God in order that their feet might be firmly set upon the rock of revelation knowledge in this last of the last hour. In Luke 11:35 Jesus said, "Take heed that the light that is in you be not darkness". To the undiscerning eye the "antiChrist system" will quickly become a "good idea" in the minds of many because it will "seem" to resolve - at least temporarily - many of the "problems" of those whose chief interest is bound up with the things of the world. This is a most deceptive

spirit and if Christians have not "built their house" on the rock of revealed knowledge they will be quickly overcome by those spirits of darkness working against them - their sole task being to keep these ones out of, and away from, the true light.

A GREAT ANOINTING IS ABOUT TO BE "RELEASED" THROUGH THE HOLY APOSTLES AND PROPHETS - DO NOT SET YOUR HEART UPON THE "INCREASE"!

Even though many seem "unfit" or unwilling to enter into the "fulness" of God's plan for this hour it is certain that there is a great anointing about to be released in its fulness through the holy apostles and prophets which will "awaken" those who will be awakened, expose all that needs to be exposed, consume all that needs to be consumed and enlighten all that seeks to be enlightened. Without a shadow of a doubt it is certain that we shall once again be able to distinguish between all those who "truly" love God and those who don't - between all those who truly desire to serve God and those who don't. Even in the midst of the great blessings that have been - and will be - bestowed upon us in this most excellent and glorious hour we must not set our hearts upon the "increase" and forget about those who are much less fortunate than ourselves - at least up until this time. Love is the key to all things - and always will be - and it will be the constant and continual exercising of this precious and divine love through His holy vessels that will literally "draw all men who will be drawn" unto Himself. It will be the pure, "unadulterated" love of God that shall accomplish ALL in the Church from here on in. The hand of the "flesh" will not be found tainting the Glorious Church and she shall surely be found to be "spotless and unblemished" as she begins the final ascent which shall end in her departure from this earth.

THE PROPHETS AND THE "CRUCIBLE OF REFINING"

UP UNTIL THIS TIME many of those who have been called to the office of the prophet have had to deal with a rigid religious structure (denominationalism) that has been in place for many, many years. In most cases the prophets have had to forge their way in the crucible of refining and from "time to time" the Father would send them on "assignments". For the most part they (their words) were not "received" by those already walking in a position of "delegated authority" in the church. But by the very nature of the job that they have been given their "rejection" - again, up until this time - was almost a "foregone conclusion" (see

Ezekiel 2 & 3). In the crucible of refining much rejection must be suffered in order to bring those called to this office into a perfect (abiding) fellowship with and dependence and trust in the Father and His Word. Any "fear of man" remaining in the heart of the prophet will cause the word delivered (presumptuously, I might add) to be inaccurate or incomplete and thus the will of the Father can in no way be accomplished through that "impure vessel".

MANY "PROPHETS" NEED HEALING IN ORDER TO "MOVE ON"

For the prophets who have already "tasted action" - so to speak - to move into greater realms of authority and accuracy and join ranks with the aforementioned "new wave", they must "receive" from the Father any "healing" that is needed from their past bad experiences. They should not have taken offense at anything done to them or any "rejection" they may have suffered - for the true prophet is so linked with the Father and His Word that they have a "clear understanding" that it is not themselves being rejected, but rather the One Who sent them. But because many called as prophets either "presumptuously" moved out before God's perfect timing due to a ground of "self-desire" (vain-gloriousness) still undealt with in them or whether they simply still had "ground" in them that feared what man thought and said above what God was desiring to say through them - the "vessel" was blocked to some degree and this produced - on the one hand - an "offense taken" by those prophets caught in attempting to "maintain" any form of self-serving purpose (usually the acceptance and approval and favour of "flesh and blood") against all those who did not "immediately" conform to the prophecy or word that they delivered. Let me say here that it is in no way the will of the Father for the prophet to "enforce"; it is strictly their task to deliver the anointed message from the Throne Room. For a "prophet" to take offense and/or defend (justify) themselves surely betrays a motivation deep within them that is not of God. Unless these "prophets" repent in this hour they shall surely perish in their rebelliousness.

THE "FEAR OF MAN" SHALL BRING A "SNARE" AND CERTAIN DEFEAT

On the other hand there are those prophets who have maintained a greater respect (unconsciously) for "flesh and blood" than for God. These ones have failed to spend the proper time in the "inner chamber" with the Father and His Word, and thus they are prone to speaking words which have a tendency to "appease" those

who hear them - even in the face of an obvious (to those who have spiritual discernment) need for a deep and thorough repentance on the part of those they have been sent to. These are the two areas - up until this time - that have hindered the flow of the prophet's anointing and have kept that office - for the most part - from entering into the "fulness" that God has planned. The very good news is that the Father has been raising up a multitude of prophets (and apostles) in virtual "obscurity" over the past 20 - 30 years and now they shall be sent forth from the Throne Room - first, to all those "pastors" (shepherds) whose heart is truly towards leading the sheep into the "fulness" of their inheritance in Christ with a view to establishing the True Local (Glorious) Church. Almost simultaneously, many of these prophets will be released to speak the Word from the Throne Room to those "rebellious" leaders who have manipulated the Father's precious children for their own self-serving purposes and self-glory. These are those shepherds spoken of in Jeremiah 23.

A "NEW WAVE" OF PROPHETS IS ABOUT TO BE RELEASED

It has been what "seems" like a very slow process as far as the establishment of a "true working" five-fold ministry within the "local Church", but a "spotless and unblemished" Church is the will of the Father and it shall come to pass. There is a "new wave" of prophets about to be released from the Throne Room. They have been "held back" by the Father until this time as He has perfectly prepared them in the "secret place of His presence" that they might go forth in great power and anointing to both confront and counterattack the "religious spirits" that - up until this time - have held many children of God captive. They shall also prepare the way perfectly for the advent of the apostles - according to the highest purpose and plan of the Father. These "prophets" shall be looked upon as "lunatics" by many and they shall be seen by those not in intimate fellowship with the Father and His Word as arrogant, unloving, "misfits" that could not possibly have been sent by God and they shall meet with great resistance "initially"; but soon - and by His great and awesome power - the Father shall surely make foolish the "wisdom" of all those still holding to their religious security and false peace.

THE FATHER IS BRINGING THE APOSTLES AND PROPHETS TOGETHER

Another aspect of the plan of God in this hour is to bring the apostles (also to be released from virtual obscurity) and the prophets together. This "fusion" - in

and by the Holy Spirit - shall bring both these offices into their "fulness" in our remaining time in this dispensation and this will be a (the) catalyst for the manifestation of an absolute authority in - and by - the Church and a "perfect accuracy" in the handling of God's Word, beginning with the five-fold ministry (working in perfect unity and harmony) and filtering out to the rest of the Body of Christ; and then shall the gospel of the "KINGDOM" (the absolute authority of our Father and His Word) be preached to even the far ends of the earth!

THE "SHEPHERDS" MUST BE READY TO RECEIVE THE APOSTLES AND PROPHETS

One of the greatest hindrances to the growth of the Church has been that there are still many who do not believe the office of the prophet and the apostle are for us today. If this "belief" is held to by those already in authority then they will oppose every gift and blessing and provision for their spiritual well-being that the Father desires to bestow upon them. Even many who have a revelation of this fact have "allowed" themselves to be held captive by a "spirit of mental ascension" and thus they have formed their own "preconceived notions" concerning what an apostle or prophet should be and how they should relate to them personally and congregationally speaking. This is a serious mistake because it will only be through "revelation" from the Throne Room that the pastors will be able to gain the "necessary" understanding and wisdom to "receive" those that the Father sends to them for their edification and blessing. The pastors must come to the "full realization" that the apostles and prophets are, in reality, their "best friend" - if they truly have a heart for the "fulness" of God's will and blessing for His sheep.

Let us hear the words of the Father:

THE WILL OF THE FATHER - APOSTLES, PROPHETS, PASTORS: PARTNERS IN COVENANT

...."Quite frankly, if I sent My holy apostles and prophets to "certain" pastors they would only be moved to "argue" with them concerning the absolute truth that they put forth or, at the very least, they would "attempt" to "drag them down" to their level in order that they might find "common" ground. But truly I say to you, I will not have that! And I shall only lead those pastors to them who have "cried out" to Me from a heart wholly given to receive the "fulness" of their inheritance in Christ. And in that time they shall become immersed in the light of My absolute

Truth and they shall immediately begin to "see" all that is necessary for them to walk in the "fulness" of the ministry I have called them to. And they shall become "partners in covenant" with My holy apostles and prophets and thus shall the "local Church" be established according to My will and great power shall go forth to set the captives free and the flames of holiness and perfect love shall "draw" the "lost" and truly I say to you, they shall be "found" to be walking immediately in all that I have for them day to day and their light shall increase rapidly from day to day and thus, the "flow" of the anointing abiding within them shall increase continually!"....

THE GRAVE DANGER OF "SELF-SATISFACTION" IN LEADERSHIP

...."There are many in positions of "leadership" in My church who have "allowed" themselves to become "self-satisfied" and thus they are deceived by a "contentment" that is not of Me! And thus, they have need of My light - a light which shall shine only through the "anointing" resting upon and abiding within My holy apostles and prophets! If one allows themselves to be continually held captive by a spirit of self-satisfaction then it is certain that they will "tolerate", to a degree, the "curse" in their midst and through the power of that darkness and the hardness of their own heart many in their "flock" shall continually suffer the "tragic" consequences of their pride and unbelief! Truly I say to you, I shall remove My "hand" from them for a time in order that they might come to the place wherein their eyes are opened wide to see the folly of their ways! Truly I say to you, "any" manifestation of Satanic activity of "any" kind should be recognized as a clear and distinct sign that there is something "seriously wrong" in the midst of their congregation and that they must "immediately" set themselves to attack - with a holy violence - the very root of Satan's scheme! It is because of the aforementioned "self-satisfaction" - a perverse and temporary "satisfaction" that is fueled by the lie that they have been deceived into believing - that they themselves are both responsible for, and able to, meet the needs of My people. It is certain that unless a deep and thorough repentance is forthcoming by these "rebellious ones" I shall expose every last bit of their "unrighteous works" and I shall immediately consume them with "holy fire"! And I shall make them a "sign and wonder" for the admonishment of My people in order that all those with whom they have to do come to a clear understanding of the folly of "self-assuredness"!....

THE APOSTLES AND TRUE "APOSTOLIC MINISTRY"

The anointing that the Father has placed upon the apostles is to "elevate" those who are truly seeking the fulness of His will into the "fulness" of their rightful inheritance in Christ in order that they might fulfil ALL that they were created for from before the foundations of the earth. This will be the one inherent characteristic of every "apostolic" ministry to the Church in this last hour - "Christ (the Anointed One and His Anointing), ALL in ALL!

A "PARADIGM SHIFT" CONCERNING THE HOLY APOSTLES AND PROPHETS

The Father has shown me that in the days ahead there shall be a "paradigm shift" take place of extreme proportions as the revelation of the fulness of the office of the apostle is revealed to a depth and proportion heretofore not seen or experienced. Their "advent" into the midst of all those who truly are seeking the fulness of the Father's purpose shall signify the beginning of the very end of Satan's "rule" in the midst of the "congregations of the righteous". With a view to all these things the Father has shown me that the holy apostles (and prophets) raised up for "such a time as this" shall now be "released" from their previous "intercessory responsibilities" (mostly praying and "birthing" into existence in this realm the "foundations" of the True Church and ALL that is included in them - godly leaders [servants] who will be faithful and obedient to handle properly - and in a manner pleasing to the Father - His precious children, and the financial resources: the end-time wealth transfer that is now upon us) and that from here to the "finish line" these holy handmaidens and bondservants of the Lord shall be a "physical intercession" in the midst of God's people. The very anointing within them shall be an "intercession" of the very presence of the Father in the midst of His children and because of this there shall be a great and divine "elevation" spiritually and physically speaking (healing) in the midst of ALL those who truly love Him and who truly seek to "fellowship" with Him.

A GREAT AND "IMMEDIATE" SEPARATION

Because of these things there shall be a great and immediate "separation" between that which is righteous and that which is unrighteous. It shall be an "absolute judgement" by an absolute God! This is in no way a "structured" or "organized" procedure ordered by "man" - something we have seen much of up

until this time - this is the Father "finally" having His deepest heart desire met in the Church, and His glorious wisdom shall be so radically imparted to those who desire to be partakers of it that the "world" and its wisdom shall surely be shown to be "folly" (utter foolishness) wherever the Glorious Church sets foot! I have stated this before and I will now state it again:

THERE IS ABSOLUTELY NO WAY THAT WE CAN COMPREHEND THE MAGNITUDE AND MAGNIFICENCE OF WHAT THE FATHER HAS PLANNED FOR THE GLORIOUS CHURCH!

He began to show me some things many years ago concerning this very hour we have NOW entered into and I still do not have "words" to write or speak that would even come close to what is still "ruminating" in my spirit. It is our task to hold fast to a steadfast and absolute faith "working" through a perfect love abiding in our heart for it will be as each individual member walks step by step, revelation by revelation, on the Highway of Holiness (the path of perfect obedience) that we shall "corporately" become ALL that we were created to be in Christ. Many have "attempted" to establish a true "corporate" body but are falling "far short" of the Father's intended desire and purpose - although they do not YET "seem" to be conscious of that fact!

THE "WEALTH TRANSFER"

It is for this reason that - UP UNTIL "THIS" TIME -a very, very high percentage of the "wealth-transfer" has been withheld until a "wholly given", faithful and obedient people were raised up ("birthed) to properly handle these tremendous and vast sums of finances and resources which will be placed with "pin-point" accuracy exactly where they will continually glorify the Father to the greatest degree; continually exalt the Name and the Blood of Jesus to the greatest degree and continually hurt Satan and his forces (schemes) to the greatest degree. You can see clearly from these things that there is no room AT ALL for ANY ground of "self-desire" to remain in those who will be entrusted with such a precious task in this time, for if ANY ground of fear - and the "self-seeking" and "self-desire" that that unholy "ground" perpetuates - is "allowed" to remain then it is certain that these "stewards" would fall prey to the lust of the flesh - the desire for "other things" apart from the will of the Father - and they would SURELY use those resources to continue to build and sustain a "dead work".

ONE OF THE TASKS OF THE APOSTLES...IS TO CONTINUALLY “ELEVATE”

One of the tasks of the apostles - through the anointing abiding within them - is to continually elevate those who "will" receive the simple, yet ABSOLUTE truth spoken through them, into that holy place wherein they will in no way limit the Father in this last hour - for the magnitude and magnificence of His plan for the Church is indescribable. As I mentioned before I am able to see certain things concerning this, in my spirit, but I do not yet have the words. I know the Father will release what He has blessed me with concerning these things, in His perfect timing. He has always been faithful throughout the years in doing so. Our sole desire in this most critical and glorious hour should be to bear "maximum" fruit for the Church and the Kingdom - as it should be for every child of God - and to accomplish this goal we must be on one hand completely empty of any ground of "self-desire"; and on the other hand, "allow" ourselves to be continually filled to overflowing with the presence of the Holy Spirit through fixing our full attention on the Father and His Word - in the "inner chamber".

CONCERNING THE SOON ADVENT OF THE HOLY APOSTLES AND PROPHETS AND THE "INITIAL" EFFECTS OF THE APOSTOLIC ANOINTING ABOUT TO BE "POURED FORTH" IN THE MIDST OF GOD'S PEOPLE

This is so imminent that I have set myself to an even more intense preparation in order to get the admonition out to those who are still adhering to their "five physical senses" and soulish nature: WALK BY FAITH AND NOT BY SIGHT! for the very position - spiritually speaking - from which one exercises an absolute faith working through an abiding love is the very same position from which one will be able (empowered) to discern the fulness of their part in the Father's plan for the Church in this last of the last hour. It is only from this position of the ascension life and resurrection life that one will NOT be deceived and thus any who refuse to adhere fully to the Divine Requirement - to love the Lord their God with ALL of their heart - shall "surely" be used by Satan to try and hinder the aforementioned "next phase" of the outpouring of God's Spirit. But this time there is a very significant difference in what will happen. Previously, every move of God was "squashed" (side-tracked) and ended up in a position far below the fulness of the Father's will (usually in the form of another "fellowship" or "denomination") save for any "revelation" that came through, but this time it will

be different.

APOSTOLIC ANOINTING

The anointing on the "writings" and the words spoken by the holy apostles and prophets shall cause one with an "open heart" - one willing to do ALL the will of the Father - to assimilate the revelation contained within, very quickly. As the end of the age is already upon us the power of God is about to be released in greater measure than EVER BEFORE and the apostolic anointing shall cause the Word of God to enter in and produce the necessary light for the one being taught to mightily fulfil all of the Father's will for their life and ministry. In this present hour the Word of God shall literally be emblazoned on the heart of those who are seeking Him diligently and they shall immediately turn - in obedience to the Holy Spirit - and minister what they have been blessed with to all who cross their path. It is a new day and it will not take long for the so-called "toddlers" to surpass many who have been in the "religious church" for years.

TO THE DEGREE THAT ONE SEEKS FIRST THE KINGDOM AND THE FATHER'S RIGHTEOUS WAY OF DOING THINGS - TO THAT DEGREE THEIR SPIRITUAL GROWTH SHALL BE SUPERNATURALLY ACCELERATED

The key to the perfect "absorption" (assimilation) of this light-producing seed" into one's inner man is "perfect" separation from the "world" - and the distractions therein - unto the Father and His Word, in the "inner chamber" (the secret place of His presence). To the degree that one seeks first the Kingdom - and the Father's "righteous way of doing things" - to that degree their spiritual growth shall be supernaturally accelerated - in and by the Holy Spirit. Those "sowing" to the Holy Spirit shall reap an immediate and superabundant harvest of life and light and love while those who continue to sow to the "flesh" shall not only remain in darkness but they shall also find themselves as "opportune" vessels of those "religious spirits" who are holding out to the last against the establishment of the True (Local) Glorious Church. This is indeed a dangerous time and the call to consecration, self-denial and holiness must be shouted from the "rooftops" for the time is short! The Father is about to move powerfully to devastate the strongholds of "religion" in the midst of His children - therefore let us choose - and proclaim - our allegiance from a heart "wholly given" to the highest and most holy purposes of the Kingdom.

THE PROPHETS AND THE APOSTLES

The prophets have brought forth - and shall continue to bring forth - the judgements upon "unholy" behaviour in the midst of His people, but the apostles shall bring forth the deepest thoughts and intentions of the Father's heart concerning the close and intimate fellowship He desires. In birthing the image and spiritual reality of "Christ, all in all" in the depths of their being, vast multitudes shall finally "enter in" to the one thing upon which ALL other things are predicated as far as the establishment of the True Church and the Kingdom are concerned: PERFECT AND ABIDING FELLOWSHIP WITH THE FATHER AND HIS WORD!

"CONFERENCES" OF THE APOSTLES AND PROPHETS

In the days ahead "certain" meetings and conferences that are completely "organized" by the Holy Spirit shall be used by the Father to lay the groundwork of "true government" (divine order) in the Church and there shall be much revelation released from the Throne Room concerning these things and other things pertaining to godliness and the Kingdom. It is my earnest prayer that all those precious saints involved in the establishing of these "conferences" are IN NO WAY caught up in any "fleshly activity". While it is most certain that these "conferences" are a revelation from the Father - there still remains a need to walk the entire thing through: revelation to revelation, obedience by obedience. I perceive in my heart that now is the time of the advent of the apostles, BUT their advent is predicated on the heart attitude and obedience of all those involved. The Father has developed deep within me a very strong "holy caution" concerning His most holy purposes and we must surely become a people who refuse to settle for less than His "best" in this hour if we are to both experience and bear "maximum fruit" in the Church and the Kingdom. Let us set ourselves in agreement for the fulness of the Father's will to be done concerning these conferences and for that matter - ALL THINGS in the establishing of the True (Glorious) Church!

THE HOLY APOSTLES AND PROPHETS HAVE ONE MOTIVATION - AND ONE MOTIVATION ALONE

"Certain" children of God have experienced past hurts in the "prophetic movement" - particularly in the financial realm - and until they have been totally healed and restored and renewed in their "thinking" towards "certain" things - one

can count on the fact that Satan will use any ground of fear and unforgiveness "remaining" to attempt to hinder the Father's plans for the beginning of the establishment of the True (Glorious - Local) Church in these coming weeks and months. They MUST come to understand (gain a revelation) that those that the Father is sending (the holy apostles and prophets) have one motivation - and one motivation alone - and that is to see EVERY one involved come into the FULNESS of their inheritance in Christ - which, again, is the STARTING POINT from which the fulness of ministry is entered into.

CASUAL "RELIGIOUS ACTIVITY" - "EMOTIONAL DEPENDENCES"

I would urge you to take heed of the kingdom principles being spoken and written forth through the holy apostles and prophets in this hour - for the failure to do so shall SURELY result in one being caught in the Devil's snare (his assignment of death and destruction) that is being set up for every "child of God" in this most critical time. Those who hold to ANY of the casual "religious activity" that has so plagued even the most so-called "spiritual circles" in the midst of God's people shall surely leave themselves "wide open" to his vile attack. It will take revelation knowledge - and a multitude of it - for one to "overcome" in this final hour. It is time for each and every child of God to - once and for all - put their relationship with the Father and His Word first and foremost and flee (cast aside) the "emotional dependences" (mostly people and food) that have kept them in a vulnerable position to the schemes of the Evil One and out of that special place of abiding in the love of God that the Father desires each and every last one of His children to come to - and remain in. The "final warnings" have gone forth and now comes the judgement (Word of God) in His fulness (1 Peter 4:1) in order that the "spotless and unblemished" Bride might become a reality - in the "physical realm".

THE DAYS OF "ORGANIZED RELIGIOUS PRACTICES" AND PEOPLE FOLLOWING AFTER "FLESH AND BLOOD" IN A "SPIRIT OF IDOLATRY" ARE NOW OVER!

Everything must be done by faith and obedience to the voice of the Holy Spirit in this last hour. It should always have been this way but - for the most part - many in leadership in the church settled into an area of "comfortability" and "touring the circuit" - which has become a stench in the nostrils of the Father. Because of these things Satan has been enabled to hinder the "power supply" to the "captives" - a power which shall be much needed in these days - but which

shall NOT be found in the midst of those who have put their own "interests" ahead of the interests of the Father's heart. The days of "organized religious practices" and people following after "flesh and blood" in a "spirit of idolatry" are now over! Through the holy apostles and prophets the Holy Spirit shall move forth to expose and consume every element of the self-interest and idolatry that has been "allowed" to subtly creep into many things that - UP UNTIL NOW - have passed for the "cutting edge" of spirituality in the church. No stone shall remain unturned and there will be no more of the self-justifying excuses for the pitiful lack of true consecration that has plagued the church again - UP UNTIL NOW!

FLEE FROM ALL UNRIGHTEOUS MOTIVATION AND ACTIVITY!

As mentioned before, it is a most dangerous hour - with many in the church just casually walking around "outside" of their covenant with God - totally ignorant of the "assignment of death" about to escalate against them by Satan and his forces. There is a flood of "vile" demonic spirits about to be sent forth that not too many know anything about. It is of the utmost importance for every child of God to begin to meditate in His Word - day and night - and flee from all elements of their previous "unrighteous motivation" and activity. We really do not have that much time left in this dispensation and now is the "last call" for those who are truly desirous of fulfilling all that they have been called to in the establishment of the True Church. Every last believer should have their life arranged in such a way (by the Holy Spirit) that would find them both speaking and listening more to the Father and the Son than "flesh and blood". Every question of the heart must FIRST be posed to the Father, Who leads us into ALL truth and teaches us ALL things - in and by His Spirit It is ONLY THEN that the Father will use His apostles and prophets - and any other "minister" for that matter - to minister to that one's heart. And thus, is "revelation" born and confirmed in that one's heart - a revelation not based on what so and so said but what the Father has said! Without sufficient revelation in this hour the people of God shall begin to perish "tragically" at the hands of the Evil One - can one still tell me that this is not a most serious business!

SEEK A REVELATION

It is time for every child of God to stop being "moved" by what they "sense" or feel and earnestly seek a "revelation" from the Father concerning the ministry of the holy apostles and prophets - and every other delegated authority for that

matter. If one is not willing to take the time to find out the truth in these matters then they - by their own choice - will make any ministry the Father has ordained through the true "delegated authorities in their remaining time in this dispensation of no effect in their own lives and ministries. These are the spiritual facts and as in every other case involving ministry in the Church - all things **MUST** be ordained and ordered by the Holy Spirit - even to the most seemingly insignificant details.

THE RELEASING OF THE APOSTLES INTO THE FULNESS OF MINISTRY

In this time as the apostles are released into the fulness of ministry (a release that will not only properly establish that particular office in the midst of the "congregations of the righteous", but will also begin an immediate elevation of the other five-fold ministry gifts into the fulness of the Father's intention for them) the Father shall begin to express the deepest thoughts and intentions of His heart towards His precious children in ways that He has never been able to because of a general refusal on the part of vast multitudes to cease from their own striving - in order to take that position in the secret place of His presence that would surely set them on the true and proper course for their lives and ministries.

THE FATHER SHALL NOW BEGIN TO "UNFOLD" THINGS

The Father is moving things EVERYWHERE into their final position so that He can perfectly and fully release this "last wave" of apostles (and prophets) into the midst of those who are truly serious about serving Him and fulfilling their destiny in Christ. The Father must now begin to "unfold" things by His power and grace - it is truly out of our hands and that is not such a bad position to be in considering the fact that we are all called (as Christians) to exercise an absolute faith working through an abiding love. Our task is simply to "hear" the still, small voice of the Holy Spirit - and obey. This is no time for any of us to all of a sudden begin to exercise "impatience". It is a time of just simply resting in the secret place of His presence KNOWING that what He has begun in us He shall SURELY finish. We must refuse to be anywhere but in the center of the Father's will. He already knows the end result of every stand we take in faith. He NEVER worries so neither should we!

Let us hear the words of the Father:

"THIS IS A MOST SERIOUS TIME"

...."Heed closely the words of My holy apostles and prophets in this hour, My beloved children, for the failure to do so shall leave you "wide open" to the vile attacks of the Evil One and his forces. Because these holy handmaidens and bondservants have sought nothing but to establish the "fulness" of My Covenant - a Covenant bought with the precious Blood of My Dear Son - in the hearts of My people, I am well-pleased! It is time for all who truly desire to fulfil their destiny in Christ to lay down every last ground of self-desire and the self-serving "agendas" that seek the glory that belongs only to Me! This is a most serious time - a time in which shortly there will be no "looking back", but rather a non-stop supernatural adventure leading directly to the "catching away" of My "spotless and unblemished" Church!"....

"SUDDENLIES"

The time and season that we are about to enter into will be a time when many "suddenlies" (just like a flash of lightning - thunderbolt) will come forth from the spiritual realm into the natural. The "thunder" aspect of the "thunderbolt" is the full release of apostolic power and authority (the ascension life) that is about to come forth in the Church through the release of the "last wave" of holy apostles and prophets. Back in 1985 the Father blessed me with a vision concerning Canada (this could also very well be for many spots across the globe):

I saw many "small fires" (like dots on a map) in specific places throughout the country. These fires were increasing but they were separated from each other. Suddenly, in a flash of blinding light, these "fires" were fused together into a great fiery inferno and the Glory of God was poured forth upon the entire nation - from sea to sea - instantaneously.

I firmly believe that we are entering into a very unique window of time - not only in the history of the nations but also the history of the Church. We are about to see many "impossible dreams and visions" enter into the physical realm and even the most difficult obstacles (strongholds) shall now be smashed beyond recognition as the Glorious Church begins to take legs. I find, in these days, that it is simply a matter of getting ready and staying ready to not only be in the proper

position but also to receive the fulness of the Father's superabundant provision and use it well. One thing for certain there are some glorious times ahead for those who have been faithful and obedient to the will of the Father!

BOTH THE CHURCH AND THE "WORLD" SHALL SEE THAT JESUS TRULY IS LORD!

The Father has decreed that the apostles shall NOW be released in the fulness of the authority that is theirs in Christ and now both the church and the "world" shall see that Jesus truly is Lord! As the glory of God is poured forth upon ALL "flesh" then ALL shall be brought to the point of decision - whatever that may mean - and the Father - as His judgement moves forth as shafts of light and fire - shall truly and surely exalt ALL those of His children who have humbled themselves and He shall truly and surely humble ALL those of His children who have not!

Let us hear the words of the Father:

"AS THIS APOSTOLIC ANOINTING IS RELEASED THERE SHALL BE CERTAIN EMPOWERMENT"

...."As My holy apostles are sent forth - by Me - into the midst of the congregations of the righteous, revelation knowledge shall "explode" in the hearts of all those who are wholly given to Me. This shall be a supernatural sign and wonder in the midst of My people and they shall quickly be elevated and transformed in their thinking - not only towards Me but also concerning My plans and My purposes for the establishing of the true local Church. And truly I say to you, as this apostolic anointing is released there shall be "certain empowerment" - in and by My Spirit - for all those who have made the decision to live the life of the Cross and from this position of "death" shall come forth a great release of resurrection power and the ascension life that is its spontaneous by-product. And so shall My faithful and obedient ones surely begin to walk in the fulness of the authority that is theirs in Christ and so shall the world be shaken and the "mind-sets" of men be overturned wherever they walk. For truly I say to you, I am taking My Love to the highways and by-ways and the hidden places of fear - even unto the deepest strongholds of darkness. And truly I say to you, eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which I have prepared for those that truly love Me. And I shall raise up in this hour all those

who have humbled themselves before Me and in the same way shall I humble thoroughly all those who have exalted themselves - through their words and actions - above My Word"....

Amen

IT IS TIME FOR THE FULL RELEASE OF THE APOSTLES

It is time for the full release of the apostles and it will be a very exciting time for all those whose hearts are wholly given. This "release" will NOT happen in any of the ways that "traditional" thinking has "forged" in the past! Whatever is established in this area shall be by revelation and obedience alone and because of this every true work shall be formed from a pure and proper "foundation". It has been my experience that as the "gifts" (BOTH THE FIVE-FOLD MINISTRY AND THE 9 GIFTS) of the Holy Spirit operate in the midst of all those who are truly seeking God there is a certain and perfect flow of His presence and power and truth which always is released in a manner which is geared to meeting the deepest heart needs of His people. This will ALWAYS lead the child of God into a deeper and more intimate relationship with the Father and His Word. We shall surely know the true from the false in EVERY way by the evidence of this fruit. Satan will most certainly "attempt" to counterfeit the love of God, but that "counterfeit" will ALWAYS be known for what it is by the "pure in heart". Purity in heart is ALWAYS the product of a continuing (constant) proper relationship and "fellowship" with the Father and His Word.

To summarize:

The one who is ABIDING in right relationship with God shall NEVER be deceived by the "counterfeits" of the Evil One. Blessed are the pure in heart for THEY shall see..... AND ONLY THEY SHALL SEE AND WALK IN THE "KINGDOM OF HEAVEN" IN THIS FINAL HOUR!

The whole vision that the Father has given is expanding so rapidly in my heart and thinking that I am simply left continually humbling myself before Him in the total realization that we - in ourselves - are totally incapable of handling even the smallest facet of His will.

THE FULL RELEASE OF THE APOSTLES WILL AFFECT EVERY ASPECT OF CHURCH LIFE - REAL OR OTHERWISE"

It is an interesting time to say the least - with much happening "behind the scenes" in the spiritual realm. All of this activity will soon manifest in the physical realm and all those who have held to a steadfast faith and obedience shall be in "perfect position" to carry out the "fulness" of the Father's will. What is about to happen with the full release of the apostles will affect every aspect of "church life" - real or otherwise - and so I find myself with a multitude of thoughts and reflections on all that the Father has been preparing us for all of these years. At first I thought it was my imagination, but now I know that many, many things are about to take place "simultaneously". Because of this everyone who is truly intent on serving God MUST make sure they are in the place of fellowship with the Father and His Word that "He" has called them to. This varies with each individual, but it is of the utmost importance for each believer to obey the "distinct" leading of the Holy Spirit for them!

THERE IS A "FLURRY" OF ACTIVITY ABOUT TO BEGIN

There is a "flurry" of activity about to begin and the only way that we will be able to remain in a position of "accuracy" (and believe me, accuracy will be the sure difference between victory and defeat) continually will be to spend quality time in the "inner chamber" each day. Suddenly - and perhaps much sooner than one might imagine - the things that have "seemed" virtually impossible - or at the very least "improbable" - shall begin to "spring forth" in what could be termed "mature growth" (already grown). So it is very important for all those who truly love God be ready to receive from the Father the things that are "necessary" - and blessings (empowerments) so glorious that they boggle not only the mind (thinking process), but also the imagination.

EVERY LAST MEMBER OF THE BODY OF CHRIST HAS A "MINISTRY"

In reality every last member of the Body of Christ has a "ministry" so there will be many diverse operations in this last hour through all those called to the "office of giving" as the Father moves powerfully - and I mean powerfully! - to establish all that needs to be established as the Glorious Church begins to become a reality in the earth. It truly will be very interesting to see what lies just ahead. I

know one thing for sure: the intense training that the Father has brought His faithful and obedient ones through concerning taking "no preconceived notions" will pay off big time! There is absolutely no way - and I mean NO WAY - that one can comprehend - in their own understanding - the fulness of what is about to happen in the Church (and in the earth) and if one is found taking a "preconceived notion" then they will SURELY be found limiting the Holy Spirit regardless of how good their "intentions" might have been. Because one is not able to get a "complete hold" on all that the Father is doing - and is about to do - it actually takes faith - day in and day out - (an abiding faith working through an abiding love) just to be able to "function" properly and maintain a position of "clarity". I can tell you this: every child of God who does not "take the time" to "acclimatize" themselves to the presence of the Holy Spirit and the Word of God will IN NO WAY be able to discern properly what is going on around them in this last hour. We must all do whatever it takes to get ready - in perfect obedience to the Holy Spirit - in order to "ride the crest" of the wave of God's Glory that is about to enter the picture.

FAITH IN THE "ALL-SUFFICIENCY" OF OUR LOVING FATHER - SPIRIT, SOUL, BODY AND FINANCIALLY

One of the chief tasks of the apostles is to impart a revelation of the absolute faith working through an absolute (perfect) love necessary for every Christian to be found walking in - in this last hour. The only thing that one can truly impart is that which they themselves have been tested in. It is the only way! - it is the way of the Cross, but oh what power and light and strength are about to be released from the Throne Room into the hearts and lives of His faithful and obedient ones. The instructions the Father gave me personally are quite easily explainable: "freely you have received - freely give". It is the way of the Kingdom! Although it was difficult in the learning stages of this revelation, I would not have it any other way now. By being totally dependent upon the Father and His Word it keeps me above the "attachments" with flesh and blood and the "world" that would be "unprofitable" in God's service. As far as other ministries go I cannot speak for them. Every last Christian and every last ministry MUST seek a revelation of what they are called to do concerning the reception and the giving of both resource materials and finances. All things will either be done through the revelation that comes from intimate fellowship with the Father or they will miss the mark and their words and actions will surely be found "apart from Christ". We are entering into a time of "absolute judgement" and each man's work shall become evident

very quickly. We must get ready and stay ready!

THE ABSOLUTE AND UNHINDERED FLOW OF THE FATHER'S LOVE

The first and foremost aspect of the ministry that the Father has called His holy apostles to is to lead His precious children into the "fulness" of their inheritance in Christ. Our precious inheritance touches (covers) "all" areas of our life and the "relationships" that have been established in it. If one is going to "abide" in an absolute love (FIRST towards the Father and His Word) - then it is imperative that every last element of self-will and "self-seeking" - which is the spontaneous by-product of the soulish nature (the "flesh") - MUST be laid down! It is the Father's will for every last one of His children to "abide" in that place wherein they continually live to speak those words and carry out those actions - all in perfect obedience to Him - that will impart His tender love and affection to ALL they are in relationship with - thus elevating that one spiritually (and every other way for that matter) to a continually greater degree with each passing day. All of these things are for the express purpose of promoting the greatest spiritual growth in the hearts and lives of all those with whom we have to do in any given moment - our children, husband, wife, friends - even the sales clerk in our favourite store as we are out shopping. The reality of these things is about to overtake us, as the Glorious Church begins to "take legs" - and the "unadulterated" (unhindered) presence of the Father is literally poured forth through His pure and holy vessels upon all those who cross their path.

VISION: "TWO ARMIES"

I saw a large "battlefield" and on it were two "opposing" forces. On the one side were the demonic spirits sent to hinder and stop those called to lead (serve) God's people in this last hour. These "evil spirits" were extremely ferocious and vile. On the other end of the "battlefield" there were a number (not all) of those called to a position of "leadership" in the Church in this last hour.

Next the Holy Spirit opened my eyes to see a third group standing right in the middle of these two "armies".

The Father spoke to me and said:

"THIS 'CAPTIVITY' HAS CAUSED THEM TO BE BLINDED"

...."Contained in this group are My holy apostles and prophets. They have remained in the place of "perfect intercession" (love-obedience) as vessels of "elevation" for those I have called to various offices of the five-fold ministry and who are now standing on one end of the "battlefield". Many in this group have "refused" to lay their lives completely down for their brethren and thus they have been "held captive" unknowingly - although they should have known - by the opposing forces on the other end of the battlefield. This "captivity" has caused them to be "blinded" - to a degree - by the deceiving tactics of the enemy forces and this has led to much misunderstanding towards - and even attack against - the very ones I have situated between them and the powers of darkness for both their protection and edification in this hour. The aim of Satan was to first cause "division" (strife) and then move in to destroy vast numbers of those called to minister in this last of the last hour. But My holy apostles and prophets have refused - at all cost to themselves - to depart from the secret place of My presence and thus they have withstood every attempt of the Evil One to "de-elevate" them from that holy place of abiding in My love. Because of this many of those who have held to their stubbornness and rebelliousness shall be saved (delivered) for I shall lead them into a deep and thorough repentance by My great and awesome power and thus they shall no longer "attack" those of My precious handmaidens and bondservants that I had sent to them for their protection and preparation to enter into the "fulness" of their calling.

"I AM NOW GOING TO ESTABLISH MY HOLY APOSTLES AND PROPHETS 'TOGETHER' IN THE FULNESS OF THEIR OFFICES"

Now I shall remove this "hedge of protection" from the position it has been - up until now - and this will have one of two "immediate" effects on those in the battlefield. All those who are "truly" desirous of walking in the "fulness" of My call upon their lives must repent and leave behind "every" element of fear and the "self-desire" that has "allowed" the Evil One to blind their eyes concerning My holy apostles and prophets - and the glorious plan I have in place to use them to "elevate" My Church into her "proper position" of authority and manifested Glory in the earth. As these ones repent I shall surely lead them to where they need to be and to those they are to be with and in their obedience they shall take their "proper position" in the midst of the congregations of the righteous. Those on the battlefield who refuse to repent and who - in their arrogance and pride - have been

deceived into believing that they are already in the center of My will for their life and ministry shall begin to "perish" (these ones and all those "around" them) at the hands of the "forces" which are situated at the other end of the battlefield. For I am now going to establish My holy apostles and prophets "together" in the fulness of their offices, in the midst of the congregations of the righteous - My obedient ones - and they shall draw (elevate) all those who truly love Me high up above the "battlefield" and thus shall the True Local (Glorious) Church begin to be established throughout the earth.

"THEY WILL NOT BE ABLE TO WITHSTAND THE ATTACK"

In the removal of the third group (My holy apostles and prophets) from "between" the other two groups, the demonic forces shall swiftly move forth to "overcome" those who had previously "aligned" themselves with them - in their rebelliousness - and they will not be able to withstand the attack simply because "they allowed" their weapons to "deteriorate" and their "faith" to become a product of their own "mental ascensions" rather than the "revealed" knowledge of My Word. And in their "perishing" they shall continue to hold steadfast to their "belief" that they are suffering for righteousness' sake when, in reality, they are not!

"THE THIRD EFFECT OF THE REMOVAL OF THE "PROTECTIVE HEDGE" SHALL BE THIS":

When this "new wave" (upper echelon) of evil spirits move forth against those still on the battlefield I shall - after a short time - "counterattack" these vile spirits with a view to their total exposure, devastation and destruction through My holy apostles and prophets and all those "with them" (the Glorious Church). They will "know" and come against "every" scheme of the Evil One and this will include the exposure of the "religious spirits" that - up until this time - have had their own way to a "certain degree" in the midst of My people. And because of this many captives to the "structure of religion" (form of godliness) shall be gloriously set free and join forces with those already walking as My "sons and daughters in the earth"....

"A POWERFUL AND HEAVY ANOINTING OF TOTAL AND ABSOLUTE "CONSECRATION"

...."Through the anointing abiding within My holy apostles and prophets I shall begin to "elevate" all those of My people who truly love Me to heights heretofore "unseen" by them and they shall begin to operate for the first time in the "fulness" of the authority that is theirs in Christ - the Anointed One and His Anointing. And they shall go forth in such power and glory that all those who cross their path shall be astounded. Those whose hearts are toward Me to "any" degree shall immediately come under a powerful and heavy anointing of total and absolute "consecration" and from this place they shall go forth - even as babes in Christ - to devastate every "stronghold" and "scheme" of Satan in their path and I shall literally multiply (expand) My Church at a rate that is, in this time, "incomprehensible" to even the most sanctified of My children!

"ANY WHO HAVE EVEN THE SMALLEST SEED OF THE DESIRE TO LOVE ME SHALL GAIN THE "NECESSARY ENLIGHTENMENT"

Those who strive to "maintain" any degree of "religious" activity shall be forced to "flee" from the anointing of Truth and Righteousness upon My holy vessels but they shall know deep within themselves that something is very wrong. At first they will be deceived by the Evil One into thinking that it is what they have witnessed in those I have placed in their path that is wrong, but any who have even the smallest seed of the desire to love Me shall gain the necessary enlightenment and I shall lead them into their "proper" position within the local Church. And for the first time in their entire lives and ministries they shall be found to be serving Me in perfect righteousness, for they shall be freed of all bondage to the "religious spirits" who - up until the freed one's time of a deep and thorough repentance - had both controlled them and used them to persecute (hinder) My sent ones"....

THE DANGER OF TRADITIONS AND UNGODLY DOCTRINES

Much has happened in these past seventeen years, not the least of which, are the continual dealings that the Holy Spirit has brought us through. His ultimate aim is to prepare each one of us perfectly to walk in the fullness of the "office" or position that we have been called to. While these "dealings" at times seem to be never-ending we must come to realize, to a continually greater degree, the

importance of them. As the years have passed I have come to realize that if we are truly going to become the "spotless and unblemished Bride of Christ" then we must come to that place of abiding in perfect obedience. We must forsake at all cost to ourselves the traditions and ungodly doctrines that have infiltrated the midst of many congregations of God's people throughout the earth. To this end God is raising up a multitude of prophets as well as end-time apostles to bring His people into the "fullness" of their inheritance in Christ.

SCHOOLS (ENVIRONMENTS) OF THE HOLY APOSTLES AND PROPHETS

Many apostles and prophets have been called to begin "schools" (create environments) for the purpose of raising up (birthing) many great prophetic and apostolic ministers. The prime aim of these schools is to lead those who are called to the five-fold ministry into the "fullness" of their inheritance in Christ that they may, in turn, lead all those that God has called them to minister to, into the fullness of their inheritance in Christ - thus producing a mighty people who are walking continually in the fullness of the authority that is ours in Christ! It has been over fifteen years since the Lord placed such a burden on our hearts. When we first began to receive revelation concerning the Body of Christ and God's will for the manifestation of the five-fold ministry it seemed like an impossible dream due to the "denominational structure" which we were faced with, not only here in North America, but also throughout the entire earth. But while there most certainly still are major "strongholds" to be brought down, one can now begin to glimpse the "beginnings" of the true (Local) Church - beginnings which are the direct product of the intercessory prayer that has gone forth throughout the church age.

“UNERRING ACCURACY”

The Father requires "unerring accuracy" in all that He calls His children to carry out and, therefore, we must proceed in every matter with a "holy caution" in fear and trembling before Him. We must never take any preconceived notions concerning that which the Father will do in this last hour. I believe that the "words" that God has given to us through his holy apostles and prophets are "treasure" to all those whose hearts are wholly given - and whose one burning desire is to accomplish the fullness of God's will for their lives. Therefore, let each and every one of us who are truly serious about doing our perfect part in the establishment of the Glorious Church give heed to those delegated authorities that

the Father has placed in our path of our perfect edification.

THROUGH THE YEARS THE FATHER HAS PREPARED THE APOSTLES AND PROPHETS

Up to this point in time the major thrust of the ministry of the apostles and prophets has been intercessory prayer - a standing in faith for a full manifestation of the Father's will concerning the Kingdom and the Church, as well as a standing in faith for those who are an integral part of God's end-time plan - a "birthing in the spirit" of godly leaders (servants) for the Glorious Church. Through the years the Father has prepared the apostles and prophets for - in their time of close fellowship with Him - the "perfect place" He has for them in His end-time thrust against the principalities and powers and while this is most certainly a continuing preparation the apostles and prophets are "now" on the threshold of stepping out into the "position" that God desires them to be in.

Let us hear the words of the Father:

"BEWARE OF THE "OLD" PROPHETS

...."There are many of My children who continually "glorify" Satan in their fear! Because they have not separated themselves unto Me, and because they have not made My Word the final authority in their lives, they remain in bondage, tools and pawns of the Evil One, workers of iniquity, rather than workers of righteousness. Truly I say to you, this corruption has spread even to the "so-called" hierarchy of My church. Indeed there are many "old" prophets in the midst of My church, those whose hearts have succumbed to the evil temptations of the "lower life" and because of this, they have forsaken "absolute obedience" in order to accommodate and gratify their own soulish desires; and yet to the many, those who themselves have become entangled and encumbered by the spirit of this world, they (the old prophets) still are looked up to and followed, and yet, in reality, they have become enemies of the Cross of Christ. It is for this reason that I must bring My true (holy) apostles and My true (holy) prophets into the midst of My people; so that their deepest heart desire might be obedience to My Word and that their greatest pleasure might be to please Me in all that they do. It is with a great heaviness on My heart that I report these things to you this day My son. For do I not love all My children with an absolute love? But, behold, the "fulness of time" is upon the earth (world) and all those who dwell in it and the "eternal"

words which I have spoken through the ages, concerning the judgement of all mankind, shall now be fulfilled. All those things which are about to happen shall be for the greatest eternal benefit of all those who are involved"....

"AS THE TRUE (GLORIOUS) CHURCH BEGINS TO MULTIPLY DAILY IT SHALL QUICKLY BECOME EVIDENT THAT THERE IS NO FORCE ON EARTH THAT CAN STAND IN HER PATH"

Up until this time the spirits of anti-Christ - and the various "religious spirits that sit under them - have been "allowed" to work in the "church". But now, the Father is sending forth this next wave of His holy apostles and prophets on a "search and destroy" mission with a view to driving these evil spirits out of the midst of all those who truly love Him - and thus a great "dividing" shall take place. This "dividing" will at first be looked upon as disunity and strife (civil war), but as the "smoke" clears it will become evident that all these events have been ordered perfectly by the hand of the Father, Himself, and as the True (Glorious) Church begins to "multiply" daily it shall quickly become evident that there is no "force" on earth that can stand in Her "path" (Proverbs 12:28).
