

## **MEDITATIONS ON THE TRUE CHRISTIAN LIFE**

*...."This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... Joshua 1:8 NASB*

\* Endurance is native to those who love, for to truly love is to continue to love under ALL circumstances. Man's natural love is often an exchange, a mutual giving and receiving; but God's true holy Love will give when there is no exchange, because it does not require reward and is not motivated by gifts. Love gives because it is its nature to give and so it is not a respecter of persons nor conditions. "A friend loveth at all times" and because they do, they endure. They endure hardship, pain, privation, poverty, weariness, misunderstanding, and sacrifice of personal wishes and needs. They endure. They continue to give and continue to love giving, and in so doing they are preserved in the day of adversity.

*...."O LORD, by Your favor You have made my mountain to stand strong [endure]".... Psalm 30:7 NASB*
