

EXHORTATIONS FROM THE FATHER

["Reflections" Of The Father's Heart]

[January 15th]

* ALL "accusations" are false by their very nature. For the accusing of another is a "spirit" - one that seeks to exalt itself above the one that it is accusing. If one were truly seeking My best for those that they accuse then it is certain that they would never allow themselves to be used by that evil spirit but, rather, they would seek My Face for the necessary Grace and Wisdom to right the course and impart My greatest Eternal benefit for the one in question.

"accuse" - to find fault with;

Latin: "accusare" - to charge with a crime;

.... "Be honest in your judgment and do not decide at a glance [superficially and by appearances]; but judge fairly and righteously".... John 7:24 The Amplified Translation

.... "Therefore you have no excuse or defense or justification, O man, whoever you are who judges and condemns another. For in posing as judge and passing sentence on another, you condemn yourself, because you who judge [unrighteously] are habitually practicing the very same things [that you censure and denounce]".... Romans 2:1 The Amplified Translation
