

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[March 2nd]

* True or divine trust is a manifestation of My Love abiding in one's heart *[spirit]*. Indeed, trust *[on every level]* is spontaneous fruit of revelation. For it is ONLY as My precious children commune with Me in the "inner chamber" - the place wherein they come to live out of their "spirit" - that they will know, with pin-point accuracy, those that can be trusted - and to what degree *[level]*.

....*"those who know [gain a deep revelation of] Your Name [Spiritual Reality] will put their trust in You".... Psalm 9:10 NASB*
