

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[March 20th]

* If one "tries" [*attempts*] to act on My Word then, in reality, it is not them trying My Word but it is My Word that will try [*test, sift*] them - in their unbelief [*present state of heart*].

"try" - to make an attempt [*which suggests the possibility of failure or falling short of obtaining that which is sought after*];

"attempt" - to make an effort to do [*in this case, in one's own strength and understanding - which is a certain path to failure*];

....*"As for God, His way is blameless; The word of the LORD is tried; He is a shield to all who take refuge in Him".... Psalm 18:30 NASB*

....*"When your fathers tested Me, they tried Me, though they had seen My work".... Psalm 95:9 NASB*
