

# **MEDITATIONS ON THE TRUE CHRISTIAN LIFE**

*...."This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... Joshua 1:8 NASB*

## **WHAT ETERNAL LIFE DOES**

**[part 2 of 8]**

### **Eternal Life Is The Nature Of God The Father**

NO MATTER from what angle you look at Eternal Life as it contacts man's spirit, it is miraculous. Eternal Life is the Nature of God the Father; and when one "becomes a partaker of the Divine Nature he becomes united with the Father. Jesus illustrated this in John 15:5: "I am the vine and ye are the branches." The Vine's life is Divine Life. The life in the branches is a part of the life of the Vine. So we become united with God. This is the phenomena of Christianity. What could it not do to the people if a nation could be founded in which all were partakers of the Divine Nature. How Godlike it would be !

If every member of a family were a partaker of the Divine Nature, what a family it would be!

That would solve every economic problem and every social issue that confronts us as a people. Every home would be a safe place for a baby to be born and reared. It would never hear cursing or witness drunkenness. It would solve the home problem.

There would be no divorces. When a man and woman receive Eternal Life and let that Life dominate them, each one lives for the other's happiness. The most amazing fact is that the old selfish Adamic nature is eliminated and God's Nature takes its place.

1 John 4:7-8: "Beloved, let us love one another; for love is of God; and every one that loveth is begotten of God, and knoweth God. He that loveth not

knoweth not God; for God is love." Here we see the evidence of the New Birth :  
that we love one another.
