

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

...."This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... THE PURPOSE OF GOD

[part 5 of 5]

It Was Through His Spoken Word that Creation Came Into Being

* In this revelation, the Father nature of God has been revealed to us at creation. There are two other laws of His being revealed here : one is that He is a Faith God, and the other, that He is Love. Love caused Him to create a universe, and He created it by Faith. He works by Faith in His Word.

In the first chapter of Genesis there are six creative faith statements. Hebrews 11:3 reveals that God created this universe through faith in His Word. It was through His spoken Word that creation came into being.
