

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

....*"This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... OUR CONVERSATION

[part 2 of 2]

* Dare to stand in the presence of sense knowledge facts, and declare that you are what God says you are! For instance, sense knowledge declares that I am sick with an incurable disease. I confess that God laid that disease on Jesus, that Satan has no right to put it on me, and that "by His stripes I am healed." I am to hold fast to my confession in the face of apparent sense knowledge contradiction. Sense knowledge says that it is not true, that I am confessing an untruth. But I am confessing what God says.

You see, there are two kinds of truth: sense knowledge truth and revelation truth, and they are usually opposed to each other. I live in the new realm above the senses, so I hold fast to my confession that I am what the Word says I am.

Suppose my senses have revealed the fact that I am in great need financially. The Word declares, "My God shall supply all your need" (Philippians 4:19). I call His attention to what the senses have intimated, and He knows that my expectations are from Him. (See Psalm 62:5.) I refuse to be intimidated by sense evidences. I refuse to have my life governed by them. I know that He who is in me is greater than the forces that surround me. The forces that oppose me are in the senses.

The power that is in me is the Holy Spirit, and I know that spiritual forces are greater than the forces in the sense realm. I maintain my confession of spiritual values, of spiritual realities in the face of sense contradictions.
