

# REFLECTIONS OF THE FATHER'S HEART

## [Exhortations From The Father]

[June 16th]

\* One of the spontaneous fruit of My absolute Truth being revealed to one's heart [*spirit*] is "simplification" - and My divine order on every level.

**"simplify"** - to make less complex or less complicated [*non-confusing*];

*.... "The entrance and unfolding of Your words [into one's heart {spirit}] give light [revelation]; their unfolding gives understanding [discernment and comprehension]".... Psalms 119:130 The Amplified Translation*

*.... "God is not the author of confusion".... 1 Corinthians 14:33 KJV*
