

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[July 7th]

* A "counselor of peace" is one who continually ministers the absolute Truth of My Word concerning Spiritual Reality and, indeed, every aspect of my Glorious plan of Redemption that has ALREADY been accomplished for mankind. The fruit of those who are "counselors of peace" is a great and abiding joy.

...."Deceit is in the heart of those who devise evil, but counselors of peace have joy".... Proverbs 12:20b NASB
