

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[July 30th]

* Many of My children, those whom I have raised up as true delegated authorities in this final hour have been *[some for many years]* in a "microcosm" - a microcosm that has prepared them perfectly for all that I have ordained *[planned]* for them in this final hour of the Church age.

"**microcosm**" - a little world; a pattern or environment one experiences as a precursor to the fullness of the model;

"**model**" - an object usually in miniature - and often built according to scale that represents something to be made or something already existing; a pattern, example or standard that may be used for imitation or comparison;

...."Now may the God of peace Himself sanctify you entirely; and may your spirit and soul and body be preserved complete, without blame at the coming of our Lord Jesus Christ. Faithful is He who calls you, and He also will bring it to pass".... 1 Thessalonians 5:23-24 NASB
