

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[July 31st]

* A revelation of Absolute Truth entering into one's heart *[spirit]* will obliterate trauma in ANY *[all]* of its forms of trauma from the inside out.

"obliterate" - to remove or destroy all traces of; do away with; destroy completely;

"trauma" - a severely disturbing experience that leads to lasting psychological or emotional impairment; wounds that result from sudden physical injury or violence;

.... "The entrance and unfolding of Your words [into one's heart {spirit}] give light [revelation]; their unfolding gives understanding [discernment and comprehension]".... Psalms 119:130 The Amplified Translation
