

# REFLECTIONS OF THE FATHER'S HEART

## [Exhortations From The Father]

[August 21st]

\* It always, ALWAYS, comes down *[in any given situation or circumstance]* to the "appropriation" of My Grace!

**"appropriate"** - to take to or for oneself; take possession of *[in this case, {by faith} the Grace and Wisdom {Word} of God];*

*...."Therefore let us [continually] draw near with confidence [a steadfast trust] to the throne of Grace, so that we may receive mercy and find [access, appropriate] Grace [divine empowerment and favor] to help in time of need"....  
Hebrews 4:15-16 NASB*
