

# REFLECTIONS OF THE FATHER'S HEART

## [Exhortations From The Father]

[October 1st]

\* Thanksgiving is a "remembrance" of Me, and all that I have done - past, present and future. Thus, one being found in a continual state of thanksgiving is for one to be found in a continual state of "remembrance" *[through the indwelling Holy Spirit]* - a state wherein ALL things are possible through the continual faith-filled proclamations of all those who are truly thankful.

....*"O LORD my God, I will give thanks to You forever".... Psalm 30:12*
