\* There is always a "reason" why one does not believe.

**"reason"** - seeks to explain or justify an action by citing facts, circumstances, together with the workings of the mind on them; a motive or cause for an action, belief, thought etc. justification;

**"reasoning"** - the "mental process" of drawing conclusions from known or presumed facts;

*.... "So we see that they were not able to enter [into His rest], because of their unwillingness to adhere to and trust in and rely on God [unbelief had shut them out]".... [Num. 14:1-35]".... Hebrews 3:19 The Amplified Translation*

*.... "the word they heard did not profit them, because it was not united by [with] faith in those who heard".... Hebrews 4:2 NASB*
