

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[March 25th]

* The continual appropriation [*accessing*] of My Grace [*absolute Truth*] leads to the "certain" displacement of any "fragmentation" or ground in one that is apart from Me - with a view to the complete "integration" [*divine restoration and renewal*] of one's spirit and soul [*mind, will, emotions*].

"displacement" - to occupy the place of; replace; supplant;

"fragmentation" - most generally means the process of fragmenting - breaking into pieces or being divided into parts. It can also refer to the state or result of being broken up or having been divided;

"integration" - an act or instance of combining into an integral whole;
