

# REFLECTIONS OF THE FATHER'S HEART

## [Exhortations From The Father]

[April 12th]

\* A true man or woman of God will constantly warn others of the importance of NOT placing them on a "pedestal". Those who seek after "self-glory" in any of its forms insist on it *[being given preeminence]*!

**"pedestal"** - a position of eminence or supposed superiority; glorify; idealize;

**"idealize"** - to make ideal; represent in an ideal form or character; exalt to an ideal perfection or excellence *[in this case, ABOVE the Word of God and the Holy Spirit working through them]*;

*...."The sorrows of those who have bartered for another god [those bound by idolatry] will be multiplied".... Psalm 16:4 NASB*

*...."Therefore, my dearly beloved, shun [keep clear away from, avoid by flight if need be] any sort of idolatry [of loving or venerating anything [or anyone] more than God]".... 1 Corinthians 10:14 The Amplified Translation*
