

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[May 20th]

* As I have spoken before, there are two kinds of hearts in the earth: those hearts that are seeking after Me [*absolute Truth*] and those hearts that are far from Me. And, so, as one looks out across the earth it is certain that there are those who are seeking after the Truth and also the power to help others but are still caught up in "dark practices" some degree.

BUT because their heart is not far from Me [*and, therefore, from My Kingdom*] they will SURELY be led out of their "former dark practices" to a full knowledge [*revelation*] of My Word and My Kingdom and they shall enter in to the fullness of their destiny, in Christ, with "burning hearts" [*hearts filled with holy Fire*] in this hour.

On the other hand, there are those who are far from the Kingdom - spanning from those with a reprobate mind to those who practice their daily "religious activity" in the church at large - and truly I say to you, their hearts are far, far from My Kingdom - and the true Christian life I desire them to live.

So, My beloved ones, continue to guard your hearts with ALL diligence for what one "allows" to influence their heart on a constant basis will SURELY determine their destination [*the Kingdom - the world, Light - darkness etc.*] in this most critical and glorious hour.

....*"But Jesus said to him, "Do not hinder him; for he who is not against you is for you".... Luke 9:50*

....*"Watch over your heart [spirit] with all diligence, for from it flow the springs of life [the forces of the Kingdom {Grace, Faith, Love, Truth, Righteousness and Wisdom}]".... Proverbs 4:23-24 NASB*

"diligence" - constant and earnest effort to accomplish what is undertaken;
