

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[July 11th]

* "Disease of the spirit" is the thing that keeps one from their healing *[physical, emotional etc]*.

Diseases of the spirit *[spiritually speaking]* are *[maintained]* doubts, fears, sin-consciousness, a sense of inferiority, a holding to a unworthiness, and a sense of unfitness to stand in My Presence *[indeed, unbelief in any of its forms]*.

It is the precious Blood of My Dear Son *[Who is the Word of God]* that cleanses from ALL defilement of flesh and spirit - and, should sin arise, this same Blood will obliterate every last trace - when repented of.

"disease" - a disordered or incorrectly functioning organ *[in this case, the spirit {heart}] that has been "infected" by that which does not have its origin in God];*

"infect" - to affect or contaminate; defile;

...."having these promises, beloved, let us cleanse ourselves from all defilement of flesh and spirit, [by] perfecting holiness in the fear [reverence] of God [thus allowing Him to {through the precious Blood and the power of His Word} expel {displace} every last ground of fear {unrighteousness}]".... 2 Corinthians 7:1 NASB

THEREFORE

...."Watch over your heart [spirit] with ALL diligence, for from it flow the springs of life [the forces of the Kingdom {Grace, Faith, Love, Truth, Righteousness and Wisdom}]".... Proverbs 4:23-24 NASB

"diligence" - constant and earnest effort to accomplish what is undertaken;

...."If we [freely] admit that we have sinned and confess our sins, He is faithful and just [true to His own nature and promises] and will forgive our sins

*[dismiss our lawlessness] and [continuously] cleanse us [through the precious Blood] from **ALL** unrighteousness [everything not in conformity to His Will in purpose, thought, and action]".... 1 John 1:9 The Amplified Translation*
