

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[November 7th]

* The "filtering spirits" the Enemy uses to keep one in darkness are ever "refracting" ANY divine Light [*divine Frequency {vibrations}*] that comes the way of the hearer. In this way, they are able to "divert" [*deflect*] the flow of revelation to be seen only through "soulical eyes" - and, thus, instead of pure revelation entering into one's spirit that one is "infiltrated" with thoughts that serve only to establish and strengthen the lies of the Enemy within them.

"refraction" - the change in direction of a propagating wave, such as light or sound, in passing from one medium to another in which it has a different velocity; the change of direction of a ray of light, sound, heat, or the like, in passing obliquely from one medium into another in which its wave velocity is different;

...."The entrance and unfolding of Your words [into one's heart {spirit}] give light [revelation]; their unfolding gives understanding [discernment and comprehension]".... Psalms 119:130 The Amplified Translation

THEREFORE

...."Watch over your heart [spirit] with all diligence, for from it flow the springs of life [the forces of the Kingdom {Grace, Faith, Love, Truth, Righteousness and Wisdom}]".... Proverbs 4:23-24 NASB

"diligence" - constant and earnest effort to accomplish what is undertaken;
