

# MEDITATIONS ON THE TRUE CHRISTIAN LIFE

....*"This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... Joshua 1:8 NASB*

**January 12th**

## FAITH IN YOUR OWN RIGHTS

**[part 12 of 15]**

\* The Church has kept this "Samson" imprisoned by false teachings and by creeds and doctrines. They have not only held him a prisoner to their philosophies and dogmas, but they have actually put out his eyes.

But the Father is going to restore sight to him and break the bonds that hold him.

The bonds of false teaching are going to be broken, and this child of God, this superman, is going to come into his own.

He has two formidable enemies. The worst one is Sense Knowledge. (Read, "Two Kinds of Knowledge.")

Entrenched in all our universities, colleges and technical schools, backed up by the press and religious periodicals, the great mass of the ministry are the devotees of the achievements of the Senses in the realm called Science.

And this superman in Christ has been held in bondage by them. They are the jailers.

The Father is calling for His sons and daughters to come out of the foxholes of fear and doubt, and meet their enemies in open combat.

Satan can no more conquer this body of Christ when it knows its rights, than he could conquer Jesus on the day of the Resurrection.

We are partakers, sharers in His Resurrection.

Hear Way, Colossians 3:1: "If then ye have shared in Messiah's resurrection."

You see, we were raised together with Him in the mind of Justice.

We possess resurrection ability.

You doubt it? Read Acts 1:8: "But ye shall receive power when the Holy Spirit comes upon you."

The word "power" comes from the word "dunamis."

Young translates it "ability." "Ye shall receive ability when the Holy Spirit has recreated you."

Ephesians 3:20: I have given you this Scripture several times in this book: "Now unto him that is able to do exceeding abundantly above all that you ask or think, according to the power (or ability) that abideth in you."

If that doesn't make supermen out of common men, then the English language cannot convey God's thought.

The problem is this: How long are we going to be held in bondage by Sense Knowledge?

How long are we going to refuse to take our place as the sons of God?

How long are we going to be intimidated by the fears and doctrines of men, while the Word of God is ignored?

To them, it is a root out of dry ground. To most of the people it has been a useless vine, something they could hang their doctrines and creeds upon.

It is coming to be to us what it really is in the mind of the Father.
