

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

...."This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... Love Hunger

* Everything that has life longs for love.

In my ministry, I found that the whole world was love-hungry. They put up with their old, selfish, human love for the want of something better. But oh, how they respond to the Jesus-kind of love!

Boys and girls are love-hungry. They go to the arms of a lover with utmost freedom. If you want to reach them, love them. Never scold. Don't criticize. Don't tell them how bad they are, tell them how good they may be. Never preach sin, preach its cure.

Tell men and women that God so loved them that He gave His Son for them. Tell them the story of love's unveiling and you will win their hearts.

When they ask for bread, don't give them a stone. Give them the Bread of Life.

Don't give them your philosophy about love. Unveil Jesus to them.
