

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

...."This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... Joshua 1:8 NASB

MADE WELL IN CHRIST

[part 5 of 6]

Fellowship and Healing

* 1 John 1:9, "If we confess our sins, He is faithful and Righteous to forgive us our sins, and to cleanse us from all unrighteousness."

This restores his fellowship, brings him back into full communion with the Father.

Now by the same token, after one has been healed, (because "By His stripes we are healed") in the mind of God he is just as much healed of disease as he is healed of sin.

If, after he has been healed of disease, the adversary puts upon him some other disease or infirmity, all he needs to do is to follow the procedure that he followed when he broke fellowship with the Father spiritually.

Sickness is breaking fellowship with the Father physically. As he can get restoration of fellowship and a restoration of his sense of Righteousness by confessing his sins and by the advocacy of Jesus Christ, he can get his physical healing.

Disease of the spirit is the thing that keeps one from his healing.

Diseases of the spirit are doubts, fears, sin-consciousness, a sense of inferiority, fear of unworthiness, and a sense of unfitness to stand in God's presence.

The blood of Jesus Christ, God's Son, cleanses from all this, the moment he acknowledges his sin.

Forgiveness means the absolute wiping out of everything he has confessed, as though he had never committed the act.
