

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

...."This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... TAKING OUR PLACE IN LOVE

[part 1 of 2]

* A home could never be destroyed if every member could be taught to take his place in love.

The wife would never remember the past mistakes of her husband, nor the husband ever remind the wife of any unpleasant happenings. All the mistakes and failures of the past would be wiped out.

What homes we would have. There would be no more quarreling over finances, no more bitter words, but each one would be walking in love.

Love never takes advantage of anyone. Love always bears the burdens of the weak.

Love says, "It is all my fault, dear. Had I done differently, or spoken differently, or lived in love, it would never have happened."

There never has been a divorce in a home where the husband and wife both walked in love. This is the solution of the divorce problem.

When men and women receive Eternal Life, the nature of the Father God, and let that nature dominate them, they grow in this new kind of love until eventually it absorbs them, takes them over, and renews their minds until their thinking is in the realm of love. All suspicion and jealousy dies out. It can find no soil for rootage.

The men and women who walk in this new kind of love never injure

anyone, never take advantage of anyone. They simply walk and live in God.

No matter what evil the Adversary may bring into a life, love will change that evil so that it will bring forth a fruitage of good.
