

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

...."This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... OUR SENSES AND THE WORD

[part 3 of 3]

* Our confession is always taking sides either for the Word or against it.

When we are sick, we hear the Word, "By His Stripes we are healed." Every time that we confess our weakness and our failure, confess that our wants have not been met, we are unconsciously taking sides against the Word.

When we say, "I am so weak I can't do this work," that is a confession of Satan's supremacy over us and his ability to thwart the will of the Father in our lives.

Most of the confessions that we hear today are confessions of lack, confessions of failure, confessions of Satanic supremacy in our lives.

Faith cries, "My God shall supply every need." "No Word from God is void of power."

The Word gains the mastery of the Senses.

If we look at our weakness and lack of money and say, "I don't know how I will succeed, or how I will pay my rent"; we have lost the battle.

If, on the other hand, we declare, "God is my supply and the strength of my life," and "Nay, in all these things I am more than a conqueror," we become victors.

Faith declares, "God is watching over His Word to perform it."

David said the most unique thing. “Thou preparest a table before me in the presence of mine enemies, my cup runneth over.”

In the presence of failure, in the presence of weakness, in the presence of the witnesses that Sense Knowledge can bring to contradict the Word of God, I shout David’s song of praise that “God has prepared a table for me in the presence of these Sense Knowledge enemies.”
