

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

...."This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... A PEOPLE GATHERED ABOUT THE NAME OF ALL NAMES

[part 2 of 2]

* The Name of Jesus meant more to the Early Church than it does to us; it had a place in their ministry that we do not give it in these days.

Have we anything to take its place? They tell us that education will take its place; that the Church no longer needs the supernatural power of God. They reason thus: That we have outgrown the teaching of the Holy Spirit and that the wisdom of man is to take the place of the power of the Name of Christ; that that Name has been stripped of its power because we through our colleges, universities, and our great intellectual development have outgrown God, and we can perform mental miracles so that God's physical miracles are unnecessary.

Shame upon us! We have become an Apostate Church; we are groveling in the dust; we are held in bondage to our ignorance. Israel when carried into captivity by the Babylonians is typical of the Church that has been carried into a Babylonish captivity by the world forces.

Nothing but a Supernatural God will ever deliver us! How little we realize that our vain preaching and our vain writing are simply the laughing stock of the Enemy.

One mighty miracle today in the Name of Jesus Christ is worth more than a hundred modernistic sermons that are being preached in many churches.
