

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

....*"This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... Joshua 1:8 NASB*

GO FROM SICKNESS TO HEALTH

[part 3 of 5]

....*"My son, give attention to my words; Incline your ear to my sayings. Do not let them depart from your sight; Keep them in the midst of your heart [spirit, inner man]. For they are life to those who find them and health to all their body. Watch over your heart [spirit, inner man] with all diligence, for from it flow the springs of life [the forces of the Kingdom {Grace, Faith, Love, Truth, Righteousness and Wisdom etc.}]; Put away from you a deceitful mouth and put devious speech far from you".... Proverbs 4:20-24 NASB*

3. Let Them Not Depart From Thine Eyes

It's also vitally important to keep your eyes on the Word of God. Don't look at circumstances or give your attention to feelings that are contrary to your healing. Look at and consider (or give thought to) the scriptures instead of your body. "Let them not depart from thine eyes."

Jesus said,

....*"The lamp of the body is the eye. If therefore your eye is good, your whole body will be full of light".... Matthew 6:22 NKJV*

The eye is the gateway to the body. Keep the Word in your sight.

If your eye, or your attention, is on the darkness-the sickness-in your body, there will be no light to expel that darkness. If you focus on darkness, your eye will be unsound; therefore, your body will be unsound.

But if your eye is single, focused on the Word of God, your whole body will be full of light. The single eye allows no darkness to enter.

Looking at and giving your attention to sickness brings death. Looking at and giving your attention to God's Word brings life! In some cases, what you give your attention to could mean the difference between life and death.
