

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

....*"This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... Joshua 1:8 NASB*

GO FROM SICKNESS TO HEALTH

[part 5 of 5]

....*"My son, give attention to my words; Incline your ear to my sayings. Do not let them depart from your sight; Keep them in the midst of your heart [spirit, inner man]. For they are life to those who find them and health to all their body. Watch over your heart [spirit, inner man] with all diligence, for from it flow the springs of life [the forces of the Kingdom {Grace, Faith, Love, Truth, Righteousness and Wisdom etc.}]; Put away from you a deceitful mouth and put devious speech far from you".... Proverbs 4:20-24 NASB*

5. Put Away a Froward Mouth

Once your heart gets full, it begins to overflow. Then “out of the abundance of the heart the mouth speaks” (Matthew 12:34 NKJV).

The last step in taking God’s divine prescription is to speak, not words of sickness and disease, but rather words of healing and life, faith and hope. “Put away from you a deceitful mouth, and put perverse lips far from you” (Proverbs 4:24).

For faith to work, it must be in two places: in your heart and in your mouth (Deuteronomy 30:14; Romans 10:10). You must speak God’s Word!

Several times since I have learned to walk in faith, almost before I realized it, I became too sick to stay on my feet. (I have learned since to go to the Word at the first sign of a symptom and immediately take a dose of God’s medicine!) I got my Bible, turned to 1 Peter 2:24, read it aloud, and by faith received my healing. I also played the New Testament on tape. Usually, I went to sleep listening to the

Word. In a few hours or by the next morning, I was completely healed.

God's medicine effected a healing and a cure in my body.

To be sick and receive healing was not God's best for me. To receive healing is good, but to live in divine health is better.

To fill God's prescription for life and health, you must diligently attend to His Word. Give the Word the place of authority in your life and spend time in it every day. The forces of life and power that come out of your heart will be in direct proportion to the amount of Word that goes into you.

You can't overdose on God's medicine. In fact, the more Word you take, the stronger you become. You have nothing to lose but sickness and disease.

So, today, begin taking God's medicine and putting His Word to work. It's your personal prescription for life and health!
