

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

...."This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... The New Kind Of Love

It is the revelation of a new kind of love. Natural, human love has failed. It is the tragedy of the human race. Love is the best thing that natural man has, but it turns to jealousy, bitter hatred, and sometimes murder. The new kind of love is never selfish, never seeks its own. It comes from the heart of the Father God who is love.

This new kind of love is the greatest thing that ever came to man. It is the solution of the human problem.

It is not only a revelation of these mighty things, but it is also a revelation of the new kind of Life. Jesus said,

"I am come that ye might have life."

The New Creation is receiving the nature and life of God. It makes man God's son, makes man one with Christ and one with the Father. It is the outstanding feature of Christianity-the greatest miracle of the ages.
