

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

...."This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... THE ORIGIN OF SICKNESS

[part 1 of 5]

The Cruelty of Nature

* It is hard for us to understand that the laws that are governing the earth very largely came into being with the Fall of man, and with the curse upon the earth.

It is because of this, that many accuse God of the accidents that take place, of the sickness and death of loved ones, of storms and catastrophes, of earthquakes and floods that continually occur.

All these natural laws, as we understand them, were set aside by Jesus whenever it was necessary to bless humanity.

They came with the Fall. Their author is Satan, and when Satan is finally eliminated from human contact, or rather, from the earth, these laws will stop functioning.
