

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[March 13th]

* In essence, one knows nothing *[spiritually speaking]* concerning the Spiritual Reality of the Kingdom WHEN trust in and dependence upon intellect, reason and logic become their final authority. But when one continually lives from within *[out of their spirit {inner man}]* through revelation, they will SURELY "know" all that they need to know *[be found gaining the necessary revelation of absolute Truth]* - in any given moment.

....*"As for you, you have an anointing from the holy One [abiding within your spirit {inner man}] and have perfect [exact] knowledge [a revelation of absolute Truth]".... 1 John 2:20 Weymouth Translation*
