

# FIRE BY NIGHT

## "Reflections Upon Reflections" [of The Father's Heart]

*...."You, in Your great compassion, did not forsake them in the wilderness; The pillar of cloud did not leave them by day, to guide them on their way, or the pillar of fire by night, to light for them the way in which they were to go".... Nehemiah 9:19 NASB*

**January 27th**

### "SOUL POVERTY"

[Part 3 of 3]

#### THE GREAT DANGER OF ONE MAINTAINING A "JUST-GETTING-BY-CONSCIOUSNESS"

**"soul poverty"** - the unrenewed mind, will and emotions; any aspect [*any remaining {hidden} ground of fear, unbelief, mistrust etc.*] of the soul that does not yet align itself with the revelation of God's Word that has entered one's spirit [*heart*];

#### Words of prophecy:

\* *For the "spirit man" to remain in dominance over the soul [and the body] the mind, the will and the emotions must be renewed [both continually and supernaturally] by My Word in the power of My Holy Spirit - Who is the Spirit of wisdom and revelation. For it is ONLY THEN that the prosperity of the soul or the prosperous soul will match the born again and prosperous spirit - leading one into the "fullness" of all that is theirs in Christ.*

\* *The spontaneous fruit of one getting free from a "just-getting-by-consciousness" is a burning desire to put their faith [love and obedience] "in action" on a continual basis - with a view to seeing the FULLNESS of My Will accomplished on every front [both in their own lives and in the lives of others].*

*...."You shall love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind".... Luke 10:27 NASB*

....*"But having the same spirit of faith, according to what is written, "I BELIEVED, THEREFORE I SPOKE," we also believe, therefore we also speak"....*  
2 Corinthians 4:13 NASB

**"subtle"** - not immediately obvious or comprehensible; difficult to detect or analyze;

One of the main fruits of "soul poverty" [*the unrenewed mind, will and emotions*] is a "just getting by-consciousness" - a state that can either be very subtle or very obvious in one's life. As in all things, the key to both exposing and eliminating any root of "soul poverty" and a "just getting by-consciousness" is the "inner chamber" - as time spent in the presence of the Father and His Word will SURELY shine divine Light on any "ground" that, up until that time, had been hidden.

The Enemy's chief aim is to keep a child of God from gaining a "revelation" of the Divine Requirement - which is for us to love the Lord our God with ALL of our heart. He knows that if he can keep one bound to pride and/or fear - and the self-sufficiency and independence [*in this case, "non-dependence" upon God*] that is its fruit [*in other words, continuing to "hold part back" from God*] THEN they will fall far short of their Kingdom-position and destiny, in Christ - a Kingdom-position and destiny that will, when walked out in faith and obedience, bring GREAT DEVASTATION on his schemes in this final hour.

Therefore, it is very important for each and every child of God to be found setting aside every "ground" of the fear and unbelief [*as it is revealed to them by the Holy Spirit*] that "maintains" ANY form of a "just-getting-by" consciousness. For it is certain that if one does not diligently apply themselves to the renewing of their minds to a Kingdom-consciousness and mentality in this last hour they will SURELY run into some very serious problems that shall at first side-track them - and, if not repented of, eventually derail them from the track that leads to the "fullness" of their precious Kingdom-position and destiny [*destination*] in Christ!

In this most critical and glorious hour, let us be found "applying" ourselves to the Word of God [*and the still, small voice of the Holy Spirit*], daily, that our minds might be renewed supernaturally to the deeper mysteries of the Kingdom - as well as the Will of Father [*and His unfolding Plan*] being revealed in the Throne Room - in His Presence.

## **Prayer of Proclamation:**

Father, we thank You and praise You that, in Christ, we have been set free from every last aspect of a "just-getting-by-consciousness" to enter into a deep and clear "Kingdom-consciousness" - and the divine superabundance and overflow that is its spontaneous fruit. And we declare all of these things DONE [*on an ongoing basis*], in Jesus' Name - to Your greatest Glory. Amen.
