

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

....*"This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success"....*

CULTIVATING OUR OWN SPIRITS

[part 5 of 6]

* Memory is of the spirit. You may develop any gift that you wish, but the most important gifts that God has given to you are the spiritual gifts. It is the development of this spirit that is going to mean more to your life than any other one thing. Let me show you some tremendous facts in connection with the development of your spirit life. When Jesus went away He promised to send the Holy Spirit.

John 14:16,17: "And I will pray the Father, and he shall give you another comforter, that he may be with you forever, even the spirit of truth: whom the world cannot receive; for it beholdeth him not, neither knoweth him: ye know him, for he abideth with you, and shall be in you."

There is coming, Jesus said, a Spirit that is going to recreate your spirit.

Then He is going to take charge of your spirit and dominate you spiritually. You are going to yield your spirit to the domination of the Holy Spirit through the Word. The psychologist told us that we had a subconscious mind, but it was the spirit, the real man.

The next problem was how my spirit could be developed. He said that the Holy Spirit would come and guide us into all reality; not the reality of the intellect, but into the reality of spiritual things. That is the reason I want you to get quiet a little while. I want you so quiet that the Holy Spirit may communicate with your spirit through the Word and unveil these truths to you. It will make you a master.

The great body of men do not meditate in the spirit. They live in the realm of the senses. Their meditations are guided by the senses. The Sense-governed

mind is limited. Your spirit has practically no limitations.

You can develop your spirit life until you dominate circumstances.

Your spirit can come into vital union with His Spirit, the Father Himself.

Your spirit becomes a partaker of the Divine Nature.
