

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[May 15th]

* Reason and logic are NEVER the solution. I AM the Solution - and I operate by "revelation", alone.

"logic" - the science concerned with the principles of valid reasoning and correct inference either deductive or inductive; the apparently inevitable chain of events involved in an outcome etc.

"reason" - seeks to explain or justify an action by citing facts, circumstances, together with the workings of the mind on them; a motive or cause for an action, belief, thought etc. justification;

"reasoning" - the mental process of drawing conclusions from known or presumed facts;

...."Lean on, trust in, and be confident in the Lord with ALL your heart and mind and DO NOT rely [to ANY degree] on your own insight or understanding [sense-knowledge and perception]. In ALL your ways know, recognize, and acknowledge Him [through the continual accessing of His Grace], and He [the Spirit of Grace] will direct and make straight and plain your paths"....
