

## **ADDENDUM TO "THE SHORT RUNWAY" VISION:**

**"addendum"** - addition;

As I was meditating on "The Short Runway Vision" a short time ago I had another mini-vision - and it applies to right now in this season.

In this "mini-vision I saw the "pilots" who were flying the large jet sitting in the cockpit. Directly behind them there were a number of people standing giving them strict orders to "land the plane" - NOW!

The pilots "surveyed" the situation and immediately remarked to those "in authority" standing behind them that the "runway" was not long enough or wide enough to accommodate a landing of the big jet. IMMEDIATELY, those in authority behind them, once again, screamed out the command to "land the plane - NOW!

**"surveyed"** - to take a general or comprehensive view of or appraise, as a situation, area of study, etc. to view in detail, especially to inspect, examine, or appraise formally or officially in order to ascertain condition, value, etc.

**The Father spoke to me and said:**

The fact that the orders were given to land the jet NOW *[in spite of the short and narrow runway - which is growing shorter and narrower by the moment]* speaks of the desperation of those in "false authority" to promote their agenda "full out" in this season - without any regard for anything or anyone else. The reality of the situation is that they have run out of time and run out of space - as My Hand now moves to both expose and bring to nothing ALL of the Enemy's schemes against My Church, and against the nations *[mankind]*.
