

MEDITATIONS ON THE TRUE CHRISTIAN LIFE

....*"This book of the law [the Word of God] shall not depart from [always be in] your mouth, but you shall meditate on it day and night, so that you may be careful [take heed] to do according to all that is written in it; for THEN you will make your way prosperous, and THEN you will have success".... Joshua 1:8 NASB*

* Whether one recognizes it or not, one's entire life, from the time they become conscious as a babe, until they step off this planet, is a "faith-life"; one either has faith in their senses or in the Word of God. Faith is the thing that brings success. Doubt is the thing that brings failure. The educational institution that teaches doubt becomes the unconscious enemy of civilization. The modern trend of sense knowledge has been toward "agnosticism".

The agnostic possesses the proud confession of "I do not know". Atheism says that God does not exist. The two of them are twin enemies of success and the spiritual progress of the age. The agnostic makes no contribution but "confusion". God is love. He works by faith. It is faith that works by love. He is the Faith-God. Man is the crowning work of faith. Being created in the image of love, he must live by faith. Man is a faith-creation! When reason usurps the seat of faith, man becomes a failure!

....*"for we walk by faith [in a revelation of God's Word {Will}], not by sight [by that which is discerned by our five physical senses]".... 2 Corinthians 5:7 NASB*
