

REFLECTIONS OF THE FATHER'S HEART

[Exhortations From The Father]

[September 6th]

* The "fruit" of the "spirit" flow through one's spirit [*inner man*] as My Spirit [*Who is the Spirit of Love*] is given "clear passage".

For it is as the Holy Spirit [*Who is the Spirit of Grace, the Spirit of Love, the Spirit of Righteousness, the Spirit of Wisdom etc.*] is "infused" into [*and flows through*] one's regenerated human spirit that He will be enabled [*allowed*] to empower, lead and guide one's words and actions in accordance with My highest Will and purpose [*perfect Love*] - the fruit of the spirit being the "spontaneous manifestation" of My Love in any given form - in any given moment.

"enable" - to confer sufficient power upon; to furnish with means, opportunities, and the like; to empower [*in this case, allow to flow freely - in an unlimited manner*];

....*"the fruit [forces] of the [recreated] spirit are Love: [the spontaneous result of which is] joy, peace, patience, kindness, goodness, faithfulness [trustworthiness], gentleness [meekness], self-control".... Galatians 5:22-23*
NASB
